**Growing Readers** Kathy Collins, 2023-10-10 Primary grade teachers face an important challenge teaching children how to read while enabling them to build good habits so they fall in love with reading Many teachers find the independent reading workshop to be the component of reading instruction that meets this challenge because it makes it possible to teach the reading skills and strategies children need and guides them toward independence intention and joy as readers In

Growing Readers Kathy Collins helps teachers plan for independent reading workshops in their own classrooms She describes the structure of the independent reading workshop and other components of a balanced literacy program that work together to ensure young students grow into strong well rounded readers Kathy outlines a sequence of possible units of study for a yearlong curriculum Chapters are devoted to the individual units of study and include a sample curriculum as well as examples of mini lessons and reading conferences There are also four Getting Ready sections that suggest some behind the scenes work teachers can do to prepare for the units Topics explored in these units include print and comprehension strategies reading in genres such as poetry and nonfiction connecting in school reading and out of school reading developing the strategies and habits of lifelong readers A series of planning sheets and management tips are presented throughout to help ensure smooth implementation We want our students to learn to read and we want them to love to read To do this we need to lay a foundation on which children build rich and purposeful reading lives that extend beyond the school day The ideas found in Growing Readers create the kind of primary classrooms where that happens The Detransition Diaries Jennifer Lahl,Kallie Fell,2024-02-23 We live in unprecedented times when what was known for thousands of years that we are created male and female is now up for debate It is now controversial to see that sex is binary that a man can never become a woman nor a woman a man and that men should not enter women s sports women s bathrooms and women s prisons merely for saying that they are a woman We are witnessing a rapid rise in gender confusion among young people especially among young women and girls The Detransition Diaries is both personal and historical It is personal in that it recounts the stories of five women and two men who felt they were born in the wrong body and believed the lie they were told by peers teachers and medical professionals that they could be their true selves by medically and surgically altering their bodies to match the opposite sex Their stories describe the short and long term harm that so called gender affirmative medicine did to their mental and physical health The book is historical because it outlines the history of the gender affirmation movement including the various individuals and organizations who have peddled the idea that the sexual binary is arbitrary The book closes with an analysis on how this dark chapter in medical abuse might end and what is needed for medicine to regain its obligation to do no harm *At Home Inside* Elisabeth Petry,2008 Ann Petry 1908 1997 was a prominent writer during a period in which few black writers were published with regularity in America Her novels *The Street* *Country Place* and *The Narrows* along with a collection of short stories and various essays and works of nonfiction give voice to black experience outside of the traditional strains of poverty and black nationalism *At Home Inside* A Daughter s Tribute to Ann Petry sifts the myriad contradictions of Ann Petry s life from a daughter s vantage Ann Petry hoarded antiques but destroyed many of her journals She wrote but failing to publish for years she used her imagination to design and sew clothes to bake and to garden When fame finally came Ann Petry did not enjoy the travel it brought Though she suffered phobias and anxieties all her life she did not avoid the obligations of literary success until late in her career Ann Petry applied her formidable skills to stories

she told about herself and her family and the corrections Elisabeth Petry makes to her mother's inventions will prove invaluable Talking about her life publicly Ann Petry acknowledged six different birth dates She hid her first marriage and even represented her father Peter C Lane Jr as a potential killer Mining Petry's journals Elisabeth Petry creates part biography part love letter and part sounding of her mother's genius and luminescent personality Elisabeth Petry is a freelance writer with a juris doctor from the University of Pennsylvania She lives in Middletown Connecticut and is the editor of *Can Anything Beat White A Black Family's Letters* University Press of Mississippi *The Drugstore Cat* Ann Petry, 1949
