**The Drunken Lovely Bird** Sue Sinclair, 2004 Winner American Independent Publishers Poetry Prize Sue Sinclair writes in a lyrical tradition that subverts the stereotype of Canadian women's poetry while still playing with some if not all of the same poetic vocabulary The Drunken Lovely Bird her accomplished third book of poetry confirms her reputation as one of Canada's most original young poets A keen observer of the material world from the Newfoundland coast to the streets of Toronto she has a rare gift for epiphany for exposing the numinous in the commonplace Her poems speak from that precise place where our perception of the world and our capacity for language meet and embrace where our sense of experience goes to get sharpened and refreshed That experience might involve the inner lives of clouds the flourishing and passing of a tulip the evocative scent of wolf willow or the intricate arts of Bach and Virginia Woolf Sinclair's poems are deft musical and quick in the moment alive to the sensuous surface and the meditative depth their antennae fully extended They focus brilliantly on lively physical details yet they resonate with the subtle emotions that whisper at the edges of the everyday world Meditative and beautifully crafted Sinclair's poems are simultaneously surprising and inevitable inviting readers to gaze more deeply into their surroundings and to rejoice in both the light and the dark

Robert E. Ferguson, 2010-10 Fool's Paradise is a blend of real events fiction fantasy mystery and incredible adventures that tells the life story of Bobby Ferguson aka Bobby McAllister from early childhood and a near death experience that delusionally introduces him to a spectral pirate who tells him about the mythical treasure ship The Prize As if one ghost in his life is not enough a teenage McAllister meets an apparitional woman who not only re-enforces his belief in the existence of The Prize but convinces him of his destiny to locate the mysterious ship Working for a corrupted politician a stint as a producer for a television station his chance meeting of an established and world famous treasure hunter and even a stretch in an Arizona prison all combine to put him out to sea in search of The Hacha del Oro a documented treasure ship that went down in a mighty hurricane off the coast of the Florida Keys over 250 years ago In spite of all the adversity involved McAllister's experience on the Hacha Project proves to be successful and he confides to Granger Lawton his true quest is The Prize a treasure he fully expects the reluctant and leery Lawton to help him find Determined to act as McAllister's Devils advocate Lawton agrees to help in the search of The Prize Their investigation takes them to Seville Spain the home of the Archives of the Indies and perhaps wherein lays the answers to the unsolved two hundred and fifty year old mystery While touring the Spanish countryside McAllister comes across a dusty and deserted old mansion that contains one hundred year

old evidence of the identity of the haunting apparition that has been McAllister's obsession since his teen age years. The portrait of a beautiful woman distracts his pursuit of The Prize and sends him on what Lawton characterized as a wild goose chase up the Orinoco River in Venezuela. On a regal yet struggling cattle ranch outside Ciudad Bolívar a gentleman rancher whose daughter steals McAllister's heart entertains McAllister and Lawton. It is Lawton who stumbles on evidence of not only the existence of the Prize but its actual location. It takes McAllister however to finally locate the cargo she carried by carefully piecing together all of the clues, evidence, cryptic conditions of the island, priestess and even the phantoms of his past to lead him to the treasure.

**The Bottle; Or, the Drunkard's Career** Gabriel Alexander, 1849      Ormsdal, 1895

**In Nomine** Nathan Neuharth,      **Breaker** Sue Sinclair, 2008 Poetry Sue Sinclair is the direct inheritor of the great early 20th Century German poet Rilke. She possesses intense lyrical vision steeped in wonder at the existence of the world and a kind of grief at our inability to lose ourselves in it completely. Her perception is acutely focused and rigorous and she is acutely self-aware. She is not afraid of words like beauty or being yet because of the intensity of her vision she never uses them as clichés. Her gift for metaphor is astonishing and may remind some readers of the young R. S. Bly. In these poems the world lifts its head and clarity pours from its back. The world reading in Sue Sinclair's **BREAKER** the ontology of the book is magical and feels deeply true. All objects here exercise the power of a profound affective gravity: cities, islands, gardens and the savouring mind itself pull and accommodate the one who looks hard. Sinclair's poems shape us to be just this sort of fierce viewer. They have a moving, extraordinary facility to discern taste the sweet depths of things. Tim Lilburn      *Index of American Periodical Verse*, 2002

**The Perfect Melody** Cate McCombs, 2024-03-06 The Perfect Melody is a searing psychological profile of what fame can do to a man and how the woman who loves him can bring him back from the brink of insanity. Michael Beck has enjoyed more than his share of everything success has to offer. He has fame, fortune, fast cars, beautiful women and a legacy which will endure well beyond his lifetime. Yet for the past two years he has existed on the very fringe of life, cutting himself off from the world that has given him so much, shutting down his emotions, feeling nothing but bitterness as he harbors a secret so dark that nothing can penetrate to save his soul. And then she shows up at his door. She threatens his well-ordered seclusion, rekindling long dead feelings he has worked hard to repress. Juliette Winslow, her name alone is the stuff of songs and stories of tragic immortal love. Her wealth of untapped beauty and untold resilience concealed just below the surface she has lived the last six years of her life filled with heartache, anguish and loneliness. Her one salvation may lie with a man so dark and cruel that the demons which rage within him threaten to keep them apart forever. If only she can break down his walls, find a way to touch his hardened heart and heal his tattered soul. Can she vanquish the vicious beast within him which threatens to consume them both?

Beulah,2022-06-17 And they say that darkness was dark And of love it is the greatest Yes that must be the case but could beauty be born from the light alone A slight ray here and a slight ray there and perfection is born And is beauty not our reward This book shows how I learned to see and seeing I learned to live with beauty as my rear guide Of Love and Beauty is a story of salvation a story of grace Darkness shrouded whatever good had been gifted to me but through the power of salvation the power of love I became whole But he didn t leave me there He held my hands and took me on a journey a journey that began with waterspout and his thirst to a life fulfilled and lived in him A hope restored and a heart to love Love truly is the greatest gift      **The Man Who Loved Power** ,      Baby Fever Kasey Michaels,1999-03-25 Three mothers to be are about to receive an unexpected baby bonus a husband The Parrish sisters biological clocks are ticking louder and louder All three decide to take matters into their own hands and find a little help when they least expect it harlequinenterprises com

**Asking Questions Indoors and Out** Anne Compton,2009 The publication of Anne Compton s first two collections marked the arrival of a major voice in Canadian poetry In this her third collection she completes the island trilogy that those two books began bringing her long narrative lines into focus on the mysterious metaphysical nature of everyday life family and literature Spirit haunted yet critical Compton is intermediary here in a complex poetic argument over which she presides with a confidence ruled by passionate intellect      **The New Quarterly** ,2004
