Guides to Library Collection Development John Thomas Gillespie, Ralph J. Folcarelli, 1994-08-15. Intended to enhance collection development in school, public, and college libraries, this volume lists and annotates approximately 1,500 significant bibliographies published from 1985 through 1993, with some earlier but still useful publications. Annotations indicate scope of the work, size, often the number of entries, kinds of material included, purpose, arrangement, nature of entries, indexes, special features, and a recommendation. Author, title, and subject indexes provide easy access to the entries. With its deep and comprehensive coverage, this work will help not only in the process of selecting and acquiring materials for the library but also in the process of identification of items for reference, readers' advisory, interlibrary loan, and collection evaluation.
