Transmedia in Asia and the Pacific Filippo Gilardi, Celia Lam, 2021-03-06 Transmedia in Asia and the Pacific is a timely exploration of a global media phenomena that offers a unique perspective on the production consumption and use of transmedia storytelling in the Asia Pacific region Through close analysis of case studies from Australia Cambodia China Japan Malaysia South Korea and West Papua the chapters in this book provide insight into the cultural and transcultural contexts against which transmedia storytelling takes place in the region From community theatre and social media narratives in China to transcultural consumption of Japanese texts in French Spanish and English speaking countries to the use of transmedia for education in Japan and China examples highlight the diverse ways in which a global and commercialised media phenomenon is appropriated and recontextualised to local circumstances This volume questions the centre periphery dichotomy of understanding global media through perspectives that seek to enrich understanding and definitions of transmedia It is a valuable resource for scholars and students wishing to expand their engagement with the theory and practice of transmedia storytelling Chapters Chapter 1 Introduction to Transmedia in Asia and the Pacific Chapter 13 Teaching Transmedia in China Complexity Critical Thinking and Digital Natives and Chapter 14 Conclusions are available open access under a Creative Commons Attribution 4.0 International License via link [springer.com](https://www.springer.com) **Youth, Media and Culture in the Asia Pacific**

Region Usha M. Rodrigues, Belinda Smaill, 2009-05-05 Youth Media and Culture in the Asia Pacific Region presents an analysis of youth media activities in a diverse but geographically connected Asia Pacific region The region which is spatially connected by its colonial and imperial past is becoming a significant player in the globalized world In this context youth situated in these economically politically and socially structured communities are redefining their locales through their patterns of media use The discourse of youth in this disparate region is manifest in the media through their identity articulations and social activism The book illustrates that these youth subcultures in the Asia Pacific are part of the well marketed global consumerism culture and yet at other times independent of the commodifying impetus of global capital It draws on case studies to examine some of the media practices youth in the region are engaged in and elucidates the process of social change taking place in some Asia Pacific nations This book contributes to the important and growing field of youth media studies The regionalization of media research is necessarily recuperated here bringing large populations of media users into a frame of reference that allows critical reflection on the new waves of use and sociality in the Asia Pacific region Stephanie Hemelryk Donald Professor of International Studies UTS Comics Art in China John A. Lent, Xu Ying, 2017-07-20 International Convention of Asia Scholars 2019 Book Prize Best Art Publication In the most comprehensive and authoritative source on this subject Comics Art in China covers almost all comics art forms in mainland China providing the history from

the nineteenth century to the present as well as perspectives on both the industry and the art form This volume encompasses political social and gag cartoons lianhuanhua picture books comic books humorous drawings cartoon and humor periodicals and donghua animation while exploring topics ranging from the earliest Western influenced cartoons and the popular often salacious 1930s humor magazines to cartoons as wartime propaganda and comics art in the reform Coupling a comprehensive review of secondary materials histories anthologies biographies memoirs and more in English and Chinese with the artists actual works the result spans more than two centuries of Chinese animation Structured chronologically the study begins with precursors in early China and proceeds through the Republican wartime Communist and market economy periods Based primarily on interviews senior scholar John A Lent and Xu Ying conducted with over one hundred cartoonists animators and other comics art figures Comics Art in China sheds light on tumult and triumphs Meticulously Lent and Xu describe the evolution of Chinese comics within a global context probing the often tense relationship between expression and government as well as proving that art can be a powerful force for revolution Indeed the authors explore Chinese comics art as it continues to grow and adapt in the twenty first century Enhanced with over one hundred black and white and color illustrations this book stands out as not only the first such survey in English but perhaps the most complete one in any language
