Anna And Dula:

Anna and Dula Robert Vavra,1966 Anna s father gives her an orphaned baby gorilla to keep her company on their compound in Africa Who killed Laura Foster? Jan Kronsell,2020-02-24 The murder of Laura Foster in 1866 has been the source of many legends and both in fiction and non fiction it has inspired many authors The murder which in the end led to the conviction and execution of Thomas C Dula also inspired the famous song The Ballad of Tom Dooley In this book I go through the surviving records from the time and tell the story based on these facts before I try to give my own explanation of what actually happened in Western North Carolina in the difficult times following the American Civil War *Marriages of Wilkes County, North Carolina, 1778-1868* ,2009-06 This work contains abstracts of all marriage bonds issued in Wilkes County shortly after it was erected from Surry County to 1868 The 5 000 marriage records abstracted here refer in total to some 15 000 persons including bondsmen As is the convention the data are arranged throughout in alphabetical order by the surname of the groom and each entry contains the name of the bride the date of the bond and the name of the bondsman

The Doctor's Secret Jan Kronsell,2019-02-05 Who killed Laura Foster This question has been asked ever since 1866 when she was killed On May 1st 1868 a man known as Tom Dooley was hanged for the murder in Statesville in North Carolina Since the hanging many legends have been told about the case and many of these tell that Tom Dooley was actually innocent and that his jealous married lover committed the crime Books have been written about the case songs have been sung plays have been performed and even a movie was made but the question will probably never be answered as 150 years have passed since the hanging and a couple more since the killing This novella is just my suggestion of what may have happened in late May 1866 in western Wilkes County North Carolina Even if the novella is for large parts based on known and documentable facts the solution to the riddle is pure fiction **The Junior Bookshelf** ,1966 **The British National Bibliography** ,1965 Franz Johann Tomsas, Vollständiges Wörterbuch der böhmisch-deutsch- und lateinischen Sprache František Jan Tomsa,1791 Katerina's Windows Katerina Lemmel,Corine Schleif,Volker Schier,2010-11 Examines 58 letters written by Katerina Lemmel a wealthy Nuremberg widow who in 1516 entered the abbey of Maria Mai in south Germany and rebuilt the monastery using her own resources and the donations she solicited from relatives Provided by publisher **The Booklist and Subscription Books Bulletin** ,1966 History of Spartanburg County John B. O. Landrum,2009-06 This scarce work should be of interest to all researchers with early Tennessee ancestors inasmuch as it covers the controversial period prior to statehood when the settlement in eastern Tennessee was under quasi independent rule One such controversy involved the creation in 1784 by John Sevier and others of a separate self governing territorial unit from lands in western North Carolina known as the State of Franklin The Franklin episode and all of its participants is the subject of this volume The True Story of Tom Dooley John Edward Fletcher,2012-11-06 The crime that shocked post Civil War America and inspired the folk song that became The Kingston Trio s hit Tom Dooley At the conclusion of the Civil War

Wilkes County North Carolina was the site of the nation's first nationally publicized crime of passion. In the wake of a tumultuous love affair and a mysterious chain of events Tom Dooley was tried, convicted and hanged for the murder of Laura Foster. This notorious crime became an inspiration for musicians, writers and storytellers ever since, creating a mystery of mythic proportions. Through newspaper articles, trial documents and public records, Dr. John E. Fletcher brings this dramatic case to life, providing the long-awaited factual account of the legendary murder. Join the investigation into one of the country's most enduring thrillers. Fletcher has spent a great deal of time researching almost all of the characters involved with the Foster homicide and has gone further than any researcher I know in establishing the relationships, blood marriage and social between the major actors in the tragedy.
