Dance on the American Musical Theatre Stage: A History chronicles the development of dance with an emphasis on musicals and the Broadway stage in the United States from its colonial beginnings to performances of the present day. This book explores the fascinating tug and pull between the European classical folk and social dance imports and America's indigenous dance forms as they met and collided on the popular musical theatre stage. This historical background influenced a specific musical theatre movement vocabulary and a unique choreographic approach that is recognizable today as Broadway style dancing. Throughout the book a cultural context is woven into the history to reveal how the competing values within American culture and its attempts as a nation to define and redefine itself played out through developments in dance on the musical theatre stage. This book is central to the conversation on how dance influences and reflects society and will be of interest to students and scholars of Musical Theatre, Theatre Studies, Dance and Cultural History. *American Presidents Attend the Theatre* Thomas A. Bogar, 2015-06-14. Not every presidential visit to the theatre is as famous as Lincoln's last night at Ford's, but American presidents attended the theatre long before and long after that ill-fated night. In 1751 George Washington saw his first play, *The London Merchant*, during a visit to Barbados. John Quincy Adams published dramatic critiques. William McKinley avoided the theatre while in office on professional as well as moral grounds. Richard Nixon met his wife at a community theatre audition. Surveying 255 years, this volume examines presidential theatre going as it has reflected shifting popular tastes in America. **Jews, Race and Popular Music** Jon Stratton, 2017-07-05. Jon Stratton provides a pioneering work on Jews as a racialized group in the popular music of America, Britain and Australia during the twentieth and early twenty-first centuries. Rather than taking a narrative historical approach, the book consists of a number of case studies looking at the American, British and Australian music industries. Stratton's primary motivation is to uncover how the racialized positioning of Jews, which was sometimes similar but often different in each of the societies under consideration, affected the kinds of music with which Jews have become involved. Stratton explores race as a cultural construction and continues discussions undertaken in Jewish Studies concerning the racialization of the Jews and the stereotyping of Jews in order to present an in-

depth and critical understanding of Jews race and popular music      *The Ziegfeld Follies* Ann Ommen van der Merwe, 2009-03-26 *The Ziegfeld Follies A History in Song* presents an account of the Follies through the musical productions contained in the show Accessing primary sources such as magazines and extant programs Ann Ommen van der Merwe has carefully researched the Follies reconstructing the songs dances and content of each annual production from 1907 to 1931 providing detailed descriptions of song performances In so doing the book demonstrates the important role of song in facilitating the comedy and spectacle for which the Follies are better known Ommen van der Merwe takes a broad chronological approach to the material addressing such issues as musical style lyrics and staging of individual songs In the process she identifies the historical trajectory of the Ziegfeld Follies delineating periods within its history like the development of the production values Ziegfeld was famous for the success of his spectacles his adaptation to changing times and his legacy She also considers the cultural and performance history of the Follies and its reflection of the society in which it developed An appendix lists the composer lyricist publisher and performer of each Follies song as well as a library collection or archive where a copy may be found The book also includes a collection of photographs a select discography bibliography and two indexes by song title and general subject      *Playbills to Photoplays* New England Vintage Film Society Inc., 2010-12-01 They were pioneers in the most glamorous business in the world and you only know half of their story *Playbills To Photoplays* reveals colorful episodes in the lives of the stars before they became stars Everyone saw them but few knew where they came from This collection of essays follows some of the most famous names in show business from Vaudeville and Broadway to Hollywood revealing a part of their lives that movie historians have neglected until now I think this book is terrific It s a must read for any fan of the silver screen and the days when movie stars were real stars Morgan Loew great grandson of Adolph Zukor founder Paramount Pictures and Marcus Loew founder Loews Theaters and MGM Ms Loew s choice of performers to write about is amazingly diverse and fascinating from character actors like Conrad Veidt to major stars like Katharine Hepburn She has written a most compelling book about their transitions from stage to film many of the stories new to me Wonderful Joan Benny daughter of comedian Jack Benny one of America s greatest entertainment icons of the 20th century whose career included vaudeville radio movies and television A nice compilation of essays on film stars who made the transition from the stage to early talkies with essays on Al Jolson Mae West Eddie Cantor Harpo Marx Spencer Tracy Clark Gable Charley Grapewin Ed Wynn and the Morgans Frank and Ralph Some essays were much better than others I loved the one on the Morgans Burns and Allen Harpo Marx and Katharine Hepburn I would highly recommend the book as it gives you a good idea what vaudeville and the Broadway stage was like in the early 20 s and what it was about these stars that allowed them to make the transition Librarything com big stars as well as a raft of character actors and decorated with dozens of striking photos perceptive close ups that make for vibrant film criticism engaging profiles of Old Hollywood icons Kirkus Performers attempting to breakthrough will find this book inspirational An Aspiring Actor Motion
