Anna Belle Clement Obrien The First Lady Of Tennessee Politics:

A History of the Tennessee Supreme Court, 2002 In this first comprehensive history of the Tennessee Supreme Court seven leading scholars explore the role played by the Court in the social economic and political life of the state Charting the evolution and organization of the Court and its predecessor the Superior Court of Law and Equity the authors also assess the work of the Court within the larger context of the legal history of the South Arranged chronologically this volume covers the period from statehood in 1796 through the judicial election of 1998 and traces the range of contentious issues the Court has faced including slavery Reconstruction economic rights the regulation of business and race and gender relations The authors also outline the Court s relationship with the Supreme Court of the United States and chronicle the achievements of the Court in public and private law state constitutional law property law criminal justice and family law The central themes that emerge include the nature of federalism the search for judicial independence and the practice of judicial review As the authors demonstrate the work of the Tennessee Supreme Court highlights the importance of state courts to the federal system and illuminates the interplay between regionalism and national norms in shaping a state s legal culture Indeed as mediator of conflicts between traditional southern values and national economic and social trends the Court has generally if sometimes belatedly adopted national legal standards Further while the Court has tended to defer to the state s legislative decision making process it has on occasion assumed a more activist role in order to assert individual rights for Tennessee s citizens Sponsored by the Tennessee Supreme Court Historical Society this book is written for anyone interested in Tennessee history in general or legal history in particular Appendixes include a comprehensive table of cases and biographical information about all the Court s judges The Editor James W Ely Jr is Milton R Underwood Professor of Law and professor of history at Vanderbilt University His books include *The Chief Justiceship of Melville W Fuller 1888 1910* and *The Guardian of Every Other Right A Constitutional History of Property Rights* He is also the series editor of the six volume *Property Rights in American History* *Anna Belle Clement O'Brien* Steve Jacks,1995 **Claiming Her Place in Congress** Katherine H. Adams,2019-07-01 The fall of 2018 saw an unprecedented number of women elected to Congress changing estimates of how long it might take to achieve equal representation For the first time women candidates used techniques honed by America s political families which have helped women enter politics since 1916 Drawing on extensive research and conversations with successful women politicians this book offers a history of the political opportunities provided through familial connections Family networks have a long history of enabling women to run for political office There is much for the latest group of candidates to emulate *People of the Upper Cumberland* Michael E. Birdwell,William Calvin Dickinson,2024-01-12 Unified by geography and themes of tradition and progress the essays in this anthology present a complex view of the Upper Cumberland area of Tennessee and Kentucky a remote and in some ways mysterious region and its people The distinguished contributors cover everything from early folk medicine practices Opless Walker to the changing

roles of women in the Upper Cumberland Ann Toplovich to rarely discussed African American lifeways in the area Wali R Kharif The result is an astonishingly fresh contribution to studies of the Upper Cumberland area Randall D Williams s essay on the relatively unknown history of American Indians in the region opens the collection followed by Michael Allen s history of boating and river professions on the Cumberland River Al Cross and David Cross illuminate the Republican politics of the Kentucky section of the Upper Cumberland while Mark Dudney provides a first of its kind look at the early careers of distinguished Tennesseans Cordell Hull and John Gore Equally fresh is Mary A Evins s examination of the career of Congressman Joe L Evins and coeditor Michael E Birdwell and John B Nisbet III contribute an in depth piece on John Catron the Upper Cumberland s first Supreme Court justice Troy D Smith s essay on Champ Ferguson sheds new light on the Confederate guerilla Birdwell s second contribution an exploration of the history of moonshine provides insight into a venerable Cumberland tradition Pairing well with Walker s essay Janey Dudney and coeditor W Calvin Dickinson discuss the superstitions faced by early Upper Cumberland medical professionals Closing out the grouping of medical articles is Dickinson s second chapter which tells the story of Dr May Cravath Wharton and her contribution to the region s health care Laura Clemons explores the relationship between composer Charles Faulkner Bryan and his gifted African American pupil J Robert Bradley during the Jim Crow era Birdwell s third chapter and the collection s final essay examines race relations in the Upper Cumberland Offering a broad look at one of the most understudied regions of the Volunteer State this significant addition to Tennessee history will prove insightful for students and academics with interdisciplinary and cross historical interests Michael E Birdwell is a professor of history at Tennessee Technological University and the author of several books including *Celluloid Soldiers* Warner Bros s Campaign against Nazism and *Rural Life and Culture of the Upper Cumberland* W Calvin Dickinson is a professor emeritus of history at Tennessee Technological University He is the author and editor of several books including *Sister States* *Enemy States* *The Civil War in Kentucky and Tennessee* and *Tennessee State of the Nation* now in its second edition **Appalachian Land Ownership Study: Tennessee** ,1980 Congressional Record United States.
