The Making of a Bestseller Arthur T. Vanderbilt, 1999-01-01 Writer F Scott Fitzgerald's career itself is a metaphor for the vagaries of book publishing If Fitzgerald would have had his way we would today refer to *The Great Gatsby* as either *Gold Hatted Gatsby* or *Trimalchio in West Egg* or *The High Bouncing Lover* A few years before *Gatsby* Fitzgerald had become a literary sensation at the age of 23 Helen Hooven Santmyer a contemporary of Fitzgerald's would not have a successful novel published until she was 88 and living in a nursing home In this book the author explores that mysterious place in publishing where art and commerce can either clash mesh or both Along the way a wide range of authors from the literary greats to today's commercial superstars editors agents and publishers share their thoughts insights and experiences What inspires writers John Steinbeck for example wrote every novel as if it were his last as if death were imminent Why are some books successful and appreciated while others fall into oblivion The answers are often elusive never absolute but the stories and anecdotes are always fascinating

Anne Frank Kathleen Perricone, 2020-12-01 The Diary of Anne Frank is one of the best selling books of all time and her tragic story continues to move us more than 70 years after her death It is the heart wrenching story of the hopes dreams and fears of a young Jewish girl hiding in Nazi Germany during World War II This richly illustrated book uses the Diary as the starting point to explore Anne Frank's life in Amsterdam and it takes a deep dive into this harrowing narrative framing the Nazi's rise to power with the plight of Anne Frank's family and that of millions of victims of Nazi terror We are thankful for the Greatest Generation's contributions to end what will hopefully forever be the last world war At a time when looking at historical context is on the rise this book is a true collector's item It reminds people of the power of the word what happens when freedom and hope are lost and lessons learned from a life cut short
