Anne Thackeray Ritchie A Biography Oxford Paperbacks:

Anne Thackeray Ritchie Winifred Gérin, 1983 *The Palgrave Encyclopedia of Victorian Women's Writing* Lesa Scholl, Emily Morris, 2022-12-15 Since the late twentieth century there has been a strategic campaign to recover the impact of Victorian women writers in the field of English literature However with the increased understanding of the importance of interdisciplinarity in the twenty first century there is a need to extend this campaign beyond literary studies in order to recognise the role of women writers across the nineteenth century a time that was intrinsically interdisciplinary in approach to scholarly writing and public intellectual engagement Literature and Revolution Owen Holland, 2022-03-18 Between March and May 1871 the Parisian Communards fought for a revolutionary alternative to the status quo grounded in a vision of internationalism radical democracy and economic justice for the working masses that cut across national borders The eventual defeat and bloody suppression of the Commune resonated far beyond Paris In Britain the Commune provoked widespread and fierce condemnation while its defenders constituted a small but vocal minority The Commune evoked long standing fears about the continental spectre of revolution not least because the Communards seizure of power represented an embryonic alternative to the bourgeois social order This book examines how a heterogeneous group of authors in Britain responded to the Commune In doing so it provides the first full length critical study of the reception and representation of the Commune in Britain during the closing decades of the nineteenth century showing how discussions of the Commune functioned as a screen to project hope and fear serving as a warning for some and an example to others Writers considered in the book include John Ruskin Edward Bulwer Lytton Eliza Lynn Linton Mary Elizabeth Braddon Anne Thackeray Ritchie Margaret Oliphant George Gissing Henry James William Morris Alfred Austin and H G Wells As the book shows many but not all of these writers responded to the Commune with literary strategies that sought to stabilize bourgeois subjectivity in the wake of the traumatic shock of a revolutionary event The book extends critical understanding of the Commune s cultural afterlives and explores the relationship between literature and revolution *A Companion to Charles Dickens* Leon Litvack, 2025-11-10 Provides an authoritative treatment of the life work and legacy of Charles Dickens A Companion to Charles Dickens is an essential resource for understanding one of the most celebrated authors in English literature This extensively revised edition features a wealth of new essays alongside select updated essays from the first edition Written by leading Dickensian scholars from around the world these contributions offer critical insights into Dickens s life works and lasting influence The Companion places Dickens s writings within their literary historical and ideological contexts equipping readers with the knowledge to engage with his fiction in a more informed and meaningful way New chapters examine Dickens s attitudes to the city and to Europe as well as his evolving literary reputation Each of his fifteen novels his Christmas Books and his sketches is explored in depth with scholars offering contemporary perspectives on their themes style and cultural impact The contributors also consider Dickens s engagement with visual culture his use of history in fiction

and the ways his works continue to resonate in modern studies An indispensable guide for those seeking a deeper understanding of Dickens's world and literary contributions A Companion to Charles Dickens Presents newly commissioned essays offering fresh critical perspectives on Dickens's life and works Explores Dickens's evolving reputation and critical reception over time Contains dedicated chapters exploring key themes and interpretations of all of Dickens's novels Discusses Dickens's literary style narrative techniques and innovations in storytelling Presents a broad range of perspectives from biographical studies to thematic and ideological analyses Includes updated references bibliographies and recommendations for further reading A Companion to Charles Dickens Second Edition is an invaluable reference for undergraduate and graduate students studying English literature Victorian studies or cultural history It is also a must have for scholars researchers educators and professionals engaged in Dickens studies as well as general readers with a deep interest in his life and works [The Correspondence and Journals of the Thackeray Family Vol 1](#) John Aplin,2024-08-01 Marking the bicentenary of the birth of William Makepeace Thackeray in 1811 this five volume set presents a collection of materials relating to the novelist and to his gifted family **Virginia Woolf and the Nineteenth-Century Domestic Novel** Emily Blair,2012-02-16 In Virginia Woolf and the Nineteenth Century Domestic Novel Emily Blair explores how nineteenth century descriptions of femininity saturate both Woolf's fiction and her modernist manifestos Moving between the Victorian and modernist periods Blair looks at a range of nineteenth and early twentieth century sources including the literature of conduct and household management as well as autobiography essay poetry and fiction She argues for a reevaluation of Woolf's persistent yet vexed fascination with English domesticity and female creativity by juxtaposing the novels of Elizabeth Gaskell and Margaret Oliphant two popular Victorian novelists against Woolf's own novels and essays Blair then traces unacknowledged lines of influence and complex interpretations that Woolf attempted to disavow While reconsidering Woolf's analysis of women and fiction Blair simultaneously deepens our appreciation of Woolf's work and advances our understanding of feminine aesthetics **Men of Letters, Writing Lives** Trev Lynn Broughton,2004-01-14 Trev Lynn Broughton takes an in depth look at the developments within Victorian auto biography and asks what we can learn about the conditions and limits of male literary authority Providing a feminist analysis of the effects of this literary production on culture Broughton looks at the increase in professions with a vested interest in the written Life the speeding up of the Life and Letters industry during this period the institutionalization of Life writing and the consequent spread of a network of mainly male practitioners and commentators This study focuses on two case studies from the period 1880 1903 the theories and achievements of Sir Leslie Stephen and the debate surrounding James Anthony Froude's account of the marriage of Thomas and Jane Welsh Carlyle [The Selected Works of Margaret Oliphant, Part I Volume 1](#) Joanne Shattock,2024-05-31 Margaret Oliphant 1828-97 had a prolific literary career that spanned almost fifty years She wrote some 98 novels fifty or more short stories twenty five works of non fiction including biographies and historic guides to European cities and more

than three hundred periodical articles This is the most ambitious critical edition of her work **Virginia Woolf's Novels and the Literary Past** Jane de Gay,2007-09-25 The first book to explore Virginia Woolf's preoccupation with the literary past and its profound impact on the content and structure of her novels It analyses Woolf's reading and writing practices via her essays diaries and reading notebooks and presents chronological studies of eight of her novels exploring how Woolf's intensive reading surfaced in her fiction The book sheds light on Woolf's varied and intricate use of literary allusions examines ways in which Woolf revisited and revised plots and tropes from earlier fiction and looks at how she used parody as a means both of critical comment and homage Thackeray in Time Richard Salmon,Alice Crossley,2016-05-12 An intense fascination with the experience of time has long been recognised as a distinctive feature of the writing of William Makepeace Thackeray 1811-1863 This collection of essays however represents the first sustained critical examination of Thackeray's time consciousness in all its varied manifestations Encompassing the full chronological span of the author's career and a wide range of literary forms and genres in which he worked Thackeray in Time repositions Thackeray's temporal and historical self-consciousness in relation to the broader socio-cultural contexts of Victorian modernity The first part of the collection focusses on some of the characteristic temporal modes of professional authorship and print culture in the mid-nineteenth century including periodical journalism and the Christmas book market Secondly the volume offers fresh approaches to Thackeray's acknowledged status as a major exponent of historical fiction reconsidering questions of historiography and the representation of place in such novels as *Vanity Fair* and *Henry Esmond* The final part of the collection develops the central Thackerayan theme of memory within four very different but complementary contexts Thackeray's absorption by memories of childhood in later life leads on to his own subsequent memorialisation by familial descendants and to the potential of digital technology for preserving and enhancing Thackeray's print archive in the future and finally to the critical legacy perpetuated by generations of literary scholars since his death In Search of Song: The Life and Times of Lucy Broadwood Dorothy de Val,2016-05-23 Born into the famous family of piano makers Lucy Broadwood 1858-1929 became one of the chief collectors and scholars of the first English folk music revival in the late nineteenth and early twentieth centuries Privately educated and trained as a classical musician and singer she was inspired by her uncle to collect local song from her native Sussex The desire to rescue folk song from an aging population led to the foundation of the Folk Song Society of which she was a founder member Mentor to younger collectors such as Percy Grainger but often at loggerheads with fellow collector Cecil Sharp and the young Ralph Vaughan Williams she eventually ventured into Ireland and Scotland while remaining an eclectic contributor and editor of the Society's *Journal* which became a flagship for scholarly publication of folksong She also published arrangements of folk songs and her own compositions which attracted the attention of singers such as Harry Plunket Greene Using an array of primary sources including the diaries Broadwood kept throughout her adult life Dorothy de Val provides a lively biography which sheds new light on her early years and

chronicles her later busy social artistic and musical life while acknowledging the underlying vulnerability of single women at this time Her account reveals an intelligent generous though reserved woman who with the help of her friends emerged from the constraints of a Victorian upbringing to meet the challenges of the modern world Julia Duckworth Stephen Diane F. Gillespie, Elizabeth Steele, 1987-12-01 An illustrated critical edition of the stories and essays of Julia Stephen the mother of the novelist Virginia Woolf Includes biographical information notes and some drawings by her husband Lives of Victorian Literary Figures, Part III, Volume 2 Valerie Sanders, Aileen Christianson, Simon Grimble, Sheila A McIntosh, Ralph Pite, 2024-05-31 Thomas and Jane Welsh Carlyle moved from rural Scotland to London s Cheyne Walk This title focuses on writers for whom the centre was a pressing concern Elizabeth Gaskell like her contemporary Emily Bronte was from the north of England though based in Lancashire and Cheshire rather than Yorkshire Her first novel Mary Barton 1848 was set in the north and was unusually realistic in its depiction of Manchester working class life Ruskin grew up in suburban London in later life he settled in the Lake District The three volumes that comprise a set are facsimile reproductions of contemporary biographical material They include letters memoirs poems and articles on three outstanding Victorian literary persons John Ruskin Elizabeth Gaskell and the Carlyles **Julia Margaret Cameron** Colin Ford, Julia Margaret Cameron, 2003 Cameron s transition from enthusiastic novice to accomplished artist is revealed in this sensitive study of the woman behind the camera Colin Ford s unique appraisal of her life and work firmly establishes Julia Margaret Cameron as one of the greatest photographers of all time **BOOK JACKET** **The Marriage of Heaven and Hell** Peter Dally, 2025-06-25 Combining his knowledge as a doctor and a lifelong fascination with Virginia Woolf s life and work eminent psychiatrist Peter Dally offers a haunting and compelling look at the depression that tormented Virginia Woolf throughout her adult years in The Marriage of Heaven and Hell Manic Depression and the Life of Virginia Woolf On three occasions Virginia went mad Symptoms of these episodes included conversations with her dead mother and hearing birds speak in Greek Though a quiet life cushioned her childhood the renown that Woolf achieved through writing inspired the bouts of depression and elation that she regularly experienced as an adult This terrified Virginia and though the experience offered extraordinary insight into her craft Woolf lived in constant fear of her dreadful affliction Virginia s most vital protection from stress was her husband Leonard Without his constant vigilance and care it is doubtful she would have been so creatively productive Yet paradoxically their marriage ultimately precipitated her most dangerous bout of madness Toward the end of her life when events outside the couple s control led to Leonard s own depression and gradual withdrawal Virginia found herself facing madness alone and with tragic results Compassionate and disturbing this fascinating study is the first to look at Virginia Woolf s life from the perspective of her illness **The Blackwell Companion to the Bible in English Literature** Rebecca Lemon, Emma Mason, Jonathan Roberts, Christopher Rowland, 2010-03-25 This Companion explores the Bible s role and influence on individual writers whilst tracing the key developments of Biblical themes and literary theory through the ages An ambitious overview of the Bible s

impact on English literature as arguably the most powerful work of literature in history from the medieval period through to the twentieth century Includes introductory sections to each period giving background information about the Bible as a source text in English literature and placing writers in their historical context Draws on examples from medieval early modern eighteenth century and Romantic Victorian and Modernist literature Includes many secular or anti clerical writers alongside their Christian contemporaries revealing how the Bible s text shifts and changes in the writing of each author who reads and studies it *Red Riding Hood and the Wolf in Bed* Ann Martin,2006-01-01 Drawing on theoretical paradigms from gender and cultural studies Martin develops a participatory model of modernist literature and culture **Women, Autobiography, Theory** Sidonie Smith,Julia Watson,1998 The first comprehensive guide to the burgeoning field of women s autobiography Essays from 39 prominent critics and writers explore narratives across the centuries and from around the globe A list of more than 200 women s autobiographies and a comprehensive bibliography provide invaluable information for scholars teachers and readers **Victorian Bloomsbury** S.P. Rosenbaum,2016-07-27 A subtle and powerful picture of the Bloomsbury Group S P Rosenbaum is an unparalleled interpreter of the philosophical as well as the literary traditions absorbed by this group Richard Ellman This is more detailed more considered more extensive and therefore far more valuable than anything of the kind we have had before required reading for anyone professing a serious interest in Bloomsbury Andrew McNellie This first volume of a three volume study of the early literary history of the Bloomsbury Group describes the intellectual family and Cambridge backgrounds of Bloomsbury as they are reflected in the Group s early or autobiographical works While many books have been written on the Bloomsbury Group this is the first to study comprehensively the literary history of their interrelated achievements Professor Rosenbaum has written a wonderful account of the ideas and people who were the early influences on the Group He sees the modern period not as the age of great men but in a new light where original ideas about art women and society This book will be of interest not only to anyone fascinated by the Bloomsbury Group but also to students of Woolf or Forster or Keynes or Strachey who need to know the background of those writers Representing Femininity Mary Jean Corbett,1989
