Never Let Me Go Elena Aitken, 2022-10-27 He's not looking for love but she's the sunshine to his grump and six months is a long time to deny his desire Chase never fit in with his big tight knit family Always on the outside looking in as soon as he could he left small town life and his family behind Now a clause in his father's will has forced him home for Six Long Months Sunshiny and oh so sexy Annie is just the distraction that Chase needs until he can put his hometown in the rearview for good The last thing he expects is to develop any actual feelings for her or the young boy she's raising but the longer Chase stays in town the more attached he becomes All too soon time is running out the stakes are high and Chase can't decide what's more dangerous Leaving for good Or staying **The Butterfly's Kingdom** Gwendolyn Geer Field, Forty one year old Elizabeth Bishop's life has begun to feel like a string of empty successes While her international career has prospered her personal affairs have not and the almost urgent sense that something vital is missing inspires her to make a pilgrimage to idyllic small town Montague to visit her closest childhood friend Annie Until recently Annie's life has appeared to be perfect She married her pillar of society psychiatrist husband Arthur while they were both still in college became a full time mother to their two

young children and devoted her self to caring for her family Her life seemed to be postcard perfect until just the year before when Arthur committed suicide leaving her to raise now eight year old Sam and fourteen year old Betsy on her own When Elizabeth arrives in Montague she is plunged into the dark and tangled mystery surrounding Arthur s death Nothing apparently is as it seems Annie s life has been a lie for years Arthur was a violent angry man who scarcely spoke to his wife Betsy and her father shared an unnaturally close relationship that excluded Annie and everyone else Only Sam sweet cheerful buoyant Sam seems to have survived unscathed but has he And why is Annie so afraid of Jackson Arthur s boyhood chum who was close to both Arthur and Annie for many years before he was banished from the family Why has he resurfaced now and what secrets are he and Annie hiding As Elizabeth tries to sort through the web of deceit in Annie s life her own demons begin to emerge She is haunted in her nightly dreams by a recurring vision from childhood of a brooding moonlike face hovering just above her but remaining out of reach Who is the face why has it returned and what does it want Annie believes that only Luke her high school confidant and Elizabeth s long ago boyfriend can provide the key to their shared crises Without telling Elizabeth Annie invites Luke to join them in Montague An unexpected love story ensues as the protective layers surrounding each of the characters begin to unravel Annie finds courage and perspective as she sees her life from a new vantage point Betsy learns that Arthur was not her biological father and that the insanity she was so afraid of inheriting from him is not her birthright Elizabeth recovers the deeply buried memories of her own mother s death and finally confronts the face that has been haunting her dreams since childhood At the center of Betsy and Elizabeth s growing friendship is their shared search for a relationship with God as He is revealed in the Psalms and Proverbs Ultimately each of the characters finds a Higher Power to whom they can turn for strength and comfort
