

Anno's Britain is a detailed, colorful illustration of a medieval town. In the center, a large, multi-story stone building with a dark roof and two flags (one red and white, one blue and white) stands prominently. To its left is a large, dark-roofed building with a gabled roof. To its right is a smaller, white building with a red roof. In the foreground, there are several smaller buildings, including a large, dark-roofed building with a gabled roof and a smaller, white building with a red roof. The town is surrounded by green fields and trees. In the background, a large stone church with a tall spire is visible. The entire scene is set against a backdrop of a bright blue sky with white clouds. A large, red, stylized cross is superimposed over the town, with its arms extending towards the corners of the image. The cross is made of thick red lines. The text "ANNO'S BRITAIN" is written in a bold, black, serif font, centered within a red, rounded rectangular frame that has a slight 3D effect. The frame is positioned in the upper middle of the image, overlapping the sky and the top of the town.

## **Annos Britain:**

Anno's Britain Mitsumasa Anno,1985 The illustrations lead the reader on a journey through Great Britain moving freely through time and space      Anno Domini: The Story of Christianity in the British Isles Frances Marrow,2018-05-15 Written for the general reader with an interest in how Christianity spread and developed throughout the British Isles Anno Domini The Story of Christianity in the British Isles explores the progress of Christianity in all four countries It also looks at how it contributed greatly to the formation of our culture in the process The book explores the theme of Christianity thoroughly but step by step taking the reader through the early centuries where the Saints played major roles to spread the faith and inspire others on to the arrival of St Augustine in the South and how the mission that followed led to the gradual ascendancy of the Church of Rome over the Celtic churches It then takes the reader through the English Reformation imparting facts and outlooks on the situation in an easy to understand way exploring the religious dissent that followed for many centuries until society learned to live peaceably with religious differences Finally we come to the twenty first century where traditional values have lapsed and secularisation has increased And the story continues as Christians of every persuasion are challenged to respond to present issues A clear well laid out and thoroughly researched book that explains the progress of Christianity with an enthusiasm that should infect its reader Anno Domini will interest the mind and inspire the heart      *Saint Columba* Edward Alexander Cooke,1893      *A Catalogue of the Harleian Manuscripts in the British Museum* British Museum,1808
