Annotated Critical Bibliography Of Henry James:

An Annotated Critical Bibliography of Henry James Nicola Bradbury,1987 **An Annotated Critical Bibliography of Henry James** Nicola Bradbury,1987 **Henry James** Harold Bloom,2009 Presents critical analyses of five novels by Henry James each with a plot summary and list of characters and includes a biography of James and an index of themes and ideas *Washington Square* Henry James,2001 When timid and plain Catherine Sloper acquires a dashing and determined suitor her father convinced that the young man is nothing more than a fortune hunter decides to put a stop to their romance Torn between a desire to win her father s approval and passion for the first man who has ever declared his love for her Catherine faces an agonizing choice and eventually becomes all too aware of the restrictions that others seek to place on her freedom James s novel interweaves the public and private faces of nineteenth century New York society and is also a study of innocence destroyed **BOOK JACKET** **Henry James** Denis Flannery,2017-03-02 The success of a work of art to my mind may be measured by the degree to which it produces a certain illusion that makes it appear to us that we have lived another life that we have had a miraculous enlargement of experience Henry James A concept of illusion was fundamental to the theory and practice of literary representation in Henry James This book offers readings of James fictional and critical texts that are informed by the certainty of illusion and links James mode of illusion with a number of concerns that have marked novel criticism in both the recent and not so recent past gender publicity realism aesthetics and passion cults of authorial personality the narrative construction of the future and absorption Flannery addresses each of these concerns through close engagement with particular texts *The Portrait of a Lady* *The Tragic Muse* *The Wings of the Dove* and some other less familiar texts Although cognizant of debates that have raged around James as he is read both by radical and traditional critics this book s primary focus is on the specific nuances of James texts and the interpretive challenges and pleasures they offer **Henry James** Sheldon M. Novick,2007 It was more than forty years ago that Leon Edel began to publish what at the time and for decades later was accepted as the definitive portrait of Henry James In the five volume work however James emerged as a somewhat bloodless man of little passion and no courage But now Sheldon Novick with his *Henry James The Young Master* has succeeded in bringing James fully to life by showing us a man with boldness of spirit and a profound capacity for affection We share James s childhood in New York in the mid nineteenth century suffer with him through illnesses sexual encounters early loves journey with him to London Paris and Rome as he tries to find both professional success and personal fulfillment And as the world opens to him as an internationally famous writer we share the experience of writing a series of celebrated novels culminating with *Washington Square* on which the play *The Heiress* is based and the masterpiece *The Portrait of a Lady* *An Annotated Critical Bibliography of John Milton* C. A. Patrides,1987 *Encyclopedia of the Essay* Tracy Chevalier,2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors

include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies [Prospects for the Study of American Literature](#) Richard Kopley,1997-08 What can there possibly be left to say about This common litany resonant both in and outside of academia reflects a growing sense that the number of subjects and authors appropriate for literary study is rapidly becoming exhausted Take heart admonishes Richard Kopley in this dynamic new anthology for this is decidedly not the case While generations of literary study have unquestionably covered much ground in analyzing canonical writers many aspects of even the most well known authors both their lives and their work remain underexamined Among the authors discussed are T S Eliot Ralph Waldo Emerson William Faulkner Harriet Beecher Stowe Walt Whitman Ernest Hemingway Richard Wright Edith Wharton Nathaniel Hawthorne Zora Neale Hurston Henry James Willa Cather Herman Melville Edgar Allan Poe Henry David Thoreau and Mark Twain **A Reference Guide for English Studies** Michael J. Marcuse,2023-11-15 [Henry James](#) Lyndall Gordon,2012-11-01 James s friendship with Constance Fenimore Woolson ended in 1894 when he tried to drown a boatload of her dresses in the Venetian lagoon she had fallen to her death three months before It was an elusive friendship that echoed his mysterious relationship with Minny Temple who had died twenty years earlier From their graves these two women haunted his imagination and his fiction inspiring the creation of his heroines **A Psychological Analysis of Henry James' the Portrait of a Lady** Dr. Claudine L. Maria-Julia Boros,2010-08-09 The author of over twenty novels twelve plays and one hundred and twelve short stories Henry James 1843 1916 is the acknowledged Father of the Psychological Novel With his seminal masterpiece The Portrait of A Lady 1881 he ushered in the birth of what was to be the emergence of psychological fiction Although a steady progression of other great novels and works would follow this one it is this work therefore that will be the focus of the present study **Henry James** Judith E. Funston,1991 *The Aspern Papers and Other Tales, 1884-1888* Henry James,2022-04-07 A scholarly edition of the short fiction of Henry James comprising nine tales including The Aspern Papers and The Liar [The Henry James Review](#) ,1990 [Reader's Guide to Literature in English](#) Mark Hawkins-Dady,2012-12-06 Reader s Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study **Index to British Literary Bibliography: 1980-1989** T. H. Howard-Hill,1987 [The Undergraduate's Companion to American Writers and Their Web Sites](#) Larry G. Hinman,2000-12-15 An outstanding research guide for undergraduate students of American literature this best selling book is essential when it comes to researching American authors Bracken and Hinman identify and describe the best and most current sources both in print and

online for nearly 300 American writers whose works are included in the most frequently used literary anthologies Students will know exactly what information is available and where to find it

Rural-Urban Relationships in the Nineteenth Century Mary Hammond, Barry Sloan, 2016-05-20 The essays in this collection seek to challenge accepted scholarship on the rural urban divide Using case studies from the UK Europe and America contributors examine complex rural urban relationships of conflict and cooperation The volume will be of interest to those researching society and politics criminology literature and demographics

An Outcast of the Islands Joseph Conrad, 2009-02-26 This revised edition of Conrad's second novel has a new text the English first edition revised introduction and notes and new chronology and bibliography
