Criminologists on Terrorism and Homeland Security Brian Forst, Jack R. Greene, James P. Lynch, 2011-02-07 This volume presents 19 original essays addressing what is widely regarded as the most serious problem confronting America today and for years to come terrorism from the unique perspective of criminology The chapters collected here address such issues as the prevention of terrorism the applicability of community policing and routine activities models of crime to the problem of terrorism how to balance liberty and security and how to think about and manage the fear of terrorism as well as the coordination of federal and local efforts to prevent and counter terrorism Criminologists on Terrorism and Homeland Security will be of interest to anyone concerned about violence prevention in general and terrorism in particular policing prosecution adjudication sentencing and restorative justice **Political Culture, Change, and Security Policy in Nigeria** Kalu Kalu, 2018-03-15 Demonstrating how political culture facilitates or distorts political preferences and political outcomes this book explores how the historical development of social conditions and the current social structures shape understandings and constrain individual and collective actions within the Nigerian political system Political Culture Change and Security Policy examines the extent to which specific norms and socialization processes within the political and civic culture abet corruption or the proclivity to engage in corrupt practices and how they help reinforce political attitudes and civic norms that have the potential to undermine the effectiveness of government It also delineates specific doctrinal models and strategic framework essential to the development and implementation of Nigeria's national security policy as well as innovative approaches to national development planning Professor Kalu N Kalu offers an exhaustive study that integrates several quantitative models in addressing a series of theoretical and empirical questions that inform historical and contemporary issues of the Nigerian project The general premise is that it is not enough to simply highlight the problems of the state and address the what question we must also address the why and how questions that drive political change policy

preferences and competing political outcomes *Armed Forces and Conflict Resolution* Guiseppe Caforio, Gerhard Kummel, Bandara Purkayastha, 2008-10-15 Covers the various aspects of war in the twenty first century where asymmetric warfare has changed many rules of the game imposing a profound transformation on the military not only tactical but also structural preparatory mental and ideological This book also covers the delicate relations between the armed forces and societies *Annual Editions* Kurt Finsterbusch, 2004-03 The articles presented in this book were selected for their attention to important issues the value of the information and ideas they present and or their ability to move the reader to concern and possibly even action toward correcting social problems This book begins by defining social problems and presenting a general critique of American society Next the book examines some big issues in the political and economic systems that have society wide impacts Next it examines issues of inequality and injustice that challenge basic American values The book then considers how well the various institutions of society work and studies the traditional problem of crime and law enforcement Finally the book confronts the issues of sustainability in a world experiencing serious environmental decline To the reader

Coping with Terrorism Rafael Reuveny, William R. Thompson, 2010-11-05 Terrorism is imprinted on Western society's consciousness Nearly every week a terrorist attack occurs in the world The academic world in attempting to understand terrorism has often been limited to descriptive work rather than analysis and has produced surprisingly few mainstream collections on the subject Coping with Terrorism offers a collection of essays that ask who are terrorists what are their goals who supports them and how can we combat their tactics The essays are scholarly rather than journalistic or ideological in their approach As such they scrutinize a much discussed and prevalent subject and bring it into the mainstream for international relations This book is freely available in an open access edition thanks to Knowledge Unlatched an initiative that provides libraries and institutions with a centralized platform to support OA collections and from leading publishing houses and OA initiatives Learn more at the Knowledge Unlatched website at <https://www.knowledgeunlatched.org> and access the book online at the SUNY Open Access Repository at <http://hdl.handle.net/20.500.12648/7125> **Taking Sides**, 2005 The Taking Sides series is a debate style reader designed to introduce students to current global controversies and world issues The readings which represent the arguments of leading political scientists social commentators and experts in the field reflect a variety of viewpoints and are presented in pro con format Dushkin Online is a student Web site designed to support Taking Sides titles www.dushkin.com online Walking in the City of the Dead Jeffrey A.
