The Dead Man Nora Gold, 2016 The Dead Man is a compelling novel about a woman who is obsessed. Eve, a composer of sacred music and a music therapist, is well aware of the saying "Physician, heal thyself" but she just can't seem to do this. For some unknown reason, she, a sensible intelligent professional, can't recover from a brief relationship she had five years ago with a world famous music critic named Jake. This obsession with Jake is a mystery to Eve's friends and also to her. In an attempt to solve this mystery, she returns to the scene of the crime, Israel, where Jake still lives and where they first fell in love. There, she revisits all their old haunts and struggles to complete the song cycle she started composing five years ago about Jake but hasn't been able to finish. Gradually, the dark mystery behind their complex relationship begins to unravel. Eve discovers the forgotten childhood memories, losses, and desires that are encapsulated in her connection to Jake. And then, inspired by all the music she hears around her, including the singing of birds, the crying of babies, and the honking of cars, she succeeds in finally completing her song cycle and setting her obsession to rest. This novel, filled with music, dealing with themes of love, grief, early loss, and the power of art, will resonate deeply with anyone who has ever loved and lost and will continue to resound and echo for a long time afterward.

A Dead Man's Odyssey George T. Horvat, 2012-08-29 This story is about a man who had finally reached the end of his rope with the Christian assault on his soul. It was an assault that came at him from all directions, burying him in theological contradictions. By this time in his life, he had given up on his faith and decided to walk away and let the chips fall where they may. He would lead his life one day at a time and to hell with who was right and who was wrong. It wasn't going to be a pleasant experience coming his way in this middle world that he suddenly found himself in, but it would wind up being a turning point in his life, a turning point that would bring him back into the fold for the Shepherd is a jealous caretaker and dreads the loss of a single member of his flock. All of his issues would not be resolved, but the events happening in this place beyond the grave would ultimately strengthen his faith and would serve as his shield against further attacks from the adversary. Follow him on his journey as he finds himself stranded somewhere between heaven and hell.
