God, Just Tell Me What to Do Michael Youssef, 2014-08-01 The epistle of James is unusual in tone and content among the New Testament letters containing many moral precepts and challenging readers to seek godly wisdom on such topics as poverty and riches trials and temptation hearing and obeying the Word of God faith versus works taming the tongue friendship with the world versus friendship with God patience in suffering The wisdom of this letter speaks to us across the ages as every issue James addresses is as urgent and timely today as when he first wrote it For the person who wants to be wise time spent soaking up the wisdom of James the half brother of Jesus is time wisely spent

Sons of Abraham Rabbi Marc Schneier, Imam Shamsi Ali, 2013-09-17 A prominent rabbi and imam each raised in orthodoxy overcome the temptations of bigotry and work to bridge the chasm between Muslims and Jews Rabbi Marc Schneier the eighteenth generation of a distinguished rabbinical dynasty grew up deeply suspicious of Muslims believing them all to be anti Semitic Imam Shamsi Ali who grew up in a small Indonesian village and studied in Pakistan and Saudi Arabia believed that all Jews wanted to destroy Muslims Coming from positions of mutual mistrust it seems unthinkable that these orthodox religious leaders would ever see eye to eye Yet in the aftermath of 9 11 amid increasing acrimony between Jews and Muslims the two men overcame their prejudices and bonded over a shared belief in the importance of opening up a dialogue and finding mutual respect In doing so they became not only friends but also defenders of each other's religion denouncing the twin threats of anti Semitism and Islamophobia and promoting interfaith cooperation In *Sons of Abraham* Rabbi Schneier and Imam Ali tell the story of how they became friends and offer a candid look at the contentious theological and political issues that frequently divide Jews and Muslims clarifying erroneous ideas that extremists in each religion use to justify harmful behavior Rabbi Schneier dispels misconceptions about chosenness in Judaism while Imam Ali explains the truth behind concepts like jihad and Shari'a And on the Israeli Palestinian conflict the two speak forthrightly on the importance of having a civil discussion and the urgency of reaching a peaceful solution As Rabbi Schneier and Imam Ali show by reaching a fuller understanding of one another's faith traditions Jews and Muslims can realize that they are actually more united than divided

in their core beliefs Both traditions promote kindness service and responsibility for the less fortunate and both religions call on their members to extend compassion to those outside the faith In this sorely needed book Rabbi Schneier and Imam Ali challenge Jews and Muslims to step out of their comfort zones find common ground in their shared Abrahamic traditions and stand together and fight for a better world for all **The National Review**, 1863 *The spider's web* St. George Rathborne, 2025-03-02 In *The Spider s Web* St George Rathborne weaves a sophisticated narrative that intricately combines elements of mystery suspense and social commentary Set against a backdrop of early 20th century urban life the novel explores the entangled lives of its characters as they navigate moral dilemmas and personal ambitions Rathborne s literary style is characterized by meticulously crafted prose and vivid imagery which immerses readers in a world rife with intrigue and hidden dangers that lurk beneath the surface of everyday existence Through skillful dialogue and rich character development the author cultivates a sense of tension that propels the narrative forward making this book a compelling read for lovers of classic detective fiction St George Rathborne was an accomplished writer known for his contributions to the genre of mystery and adventure Drawing on his experiences and observations of society s complexities during his lifetime Rathborne s work often reflected a keen awareness of the moral struggles faced by individuals in rapidly changing environments His fascination with human psychology and moral ambiguity is evident in *The Spider s Web* demonstrating his prowess in capturing the essence of the era while exploring universal themes This novel comes highly recommended for those who appreciate a well crafted plot and rich character studies Rathborne s adept storytelling and thoughtful engagement with the human condition makes *The Spider s Web* not only an entertaining read but also a profound exploration of the intricacies of human relationships Delve into this remarkable narrative and uncover the secrets that lie within the web
