Ask the Awakened Wu Wei Wei,1973-01-01 **Ask the Awakened** Wei Wu Wei,1963-12 **Ask the Awakened** Wei Wu Wei,2025-09-12 Between the years 1958 and 1974 a series of books appeared that were attributed to the mysterious Wei Wu Wei Perhaps the most important of these works *Ask The Awakened* is now available in a new edition This work draws on a variety of sources including Taoism specifically the texts attributed to Lao Tzu and Chuang Tzu Buddhism especially the Heart Diamond and Lankavatara sutras and Chan Buddhism as taught by Hui Neng Huang Po Hui Hai etc as well as the teachings of Padmasambhava and Sri Ramana Maharshi among others Wei Wu Wei joins Paul Rebs Alan Watts and Philip Kapleau as one of the earliest and most profound interpreters of Zen Buddhism and Taoist philosophies The depth of understanding evidenced in *Ask the Awakened* places it in the top tier of modern spiritual classics This classic gem of Eastern spirituality is especially timely in the current climate of interest in Buddhism Wei Wu Wei s unique and fresh interpretation of the ancient teachings opens the reader s eyes Why are you unhappy Because 99.9 per cent of everything you think and of everything you do is for yourself and there isn t one This powerful book rewards by exposing illusions and takes the reader beyond logic to the inexpressible truth of existence *Ask the Awakened* Wei Wu Wei,2002-04 The author shares his deep understanding of Taoism specifically the texts attributed the Heart Diamond and Lankavatara sutras and attributed to Cahn Buddhism as taught by Hui Neng Huang Po Hui Hai etc **Ask the Awakened. The Negative Way** Wei Wu WEI (pseud.),1963 **Sobriety and Inspiration** Richard G. Hartnett,2008-07 Are you ready to set aside your addictive urges and align yourself with the healing forces in you Richard Hartnett s *Sobriety and Inspiration* will give you many new insights and tools to restore your health and self respect To change our behavior and get sober we must first learn to recognize the powerful inner forces that compel us to act negatively Richard Hartnett draws upon the experience of people in recovery to deliver a clear and extensive roadmap for understanding an addiction whether it s with alcohol drugs food gambling or sex He teaches the reader to recognize and understand the competing voices within the inner Tyrant the inner Addict and the Healthy Self And he provides exercises dialogs and meditations to expose these different sides of our personality and bring about the realignment we desire He also applies this approach to our struggles with fear stress and intimacy Hartnett shows us how to follow the inspirations of our inner Guide so we can conquer our temptations and resolve our inner conflicts The meditations will be of special interest to those with substantial sobriety And by gaining access to the creative forces in us we are free to develop a spirituality suited to our needs **Awaken** Baz Gale,2012-01-05 *Awaken* is a book about mindfulness and this leads to happiness *Awaken* is showing how having mindfulness in your daily life will lead to a more happy and content life Having mindfulness in your life will not only create a happy mind but you will experience stress reduction improved memory better focus your emotional reaction to different negative situations will be less and your relationships will greatly improve Mindfulness is about thinking less and being aware of everything around you it is knowing

without thinking it is teaching you to let go of stress and anxiety This results in a more relaxed and happier individual because mindfulness teaches you to let go of negative emotions allowing you to live a free and happy life Awaken will teach you how to use mindfulness in your day to day life Our life our feeling and our emotion are all controlled by the mind what we are thinking about is what we become our emotional state is really a reflection of our mental state our thoughts dictate our moods We are driven by the mind by our thoughts and expectations and by our fear Thinking tends to lead to less happiness and over thinking means we are not really here instead we are where our thoughts have taken us Often we think about things in the past that upset us other times we worry about what will happen in the future The problem with thinking about past negative events is we continue to relive this and the brain over time can actually make what happened far worse than it really was The past is the past and cannot be changed so instead we should learn from this to prevent future problems rather than allowing what happened in the past to influence the present Instead of blaming and becoming bitter we can learn and become better Awaken is showing you how to release past negative emotions that we often hold onto and this will improve your happiness and self confidence Also no one knows the future because it has not happened yet and Awaken is showing you how to live today free and happy To be living in the past reliving the emotion of what happened in the past or worried about the future is only creating unhappiness in the present Learning how to control the mind by learning to live in the now learning to release attachment to things that influence our thinking and learning to let go is the path to happiness Mindfulness is showing you how to live now in the present free and happy You will be happy and content in life and you will indeed feel at peace with yourself and your environment This book will lead you to True Happiness *Awaken the Leader in You* Mitesh Khatri & Indu Khatri, 2013-11-12 AWAKEN THE LEADER IN YOU discusses the traits and skills needed to be a successful leader This book destroys the myth that leaders are only people at the top management levels Offering a completely new perspective on leadership Mitesh and Indu categorize leaders as extraordinary people if they have an entrepreneur mindset and ordinary people if they have an employee mindset The authors firmly believe that all are born with infinite potential and within every ordinary person there lies an extraordinary leader The tenet of this book is to awaken that leader in you Replete with inspiring leadership stories exercises and simple to apply strategies this is a step by step guide for the spiritual individual to develop the entrepreneur mindset and become a leader in his professional as well as personal life Mitesh Khatri is a sought after international leadership trainer firewalk expert and motivational speaker He is the founder of Guiding Light Consultants GLC which helps individuals and organizations transform employees into leaders and entrepreneurs Indu Khatri co founder of Guiding Light Consultants GLC has rich experience of the IT industry and is the principle content designer for all their corporate training programs and coaching sessions She is also a co facilitator for all High Impact Trainings such as the renowned firewalk Mitesh and Indu are partners in life and business which gives them a great advantage in creating extraordinary results through all their training programs **An Exciting Journey to**
