Handbook of Applied Journalism Leon Barkho,Jairo Alfonso Lugo-Ocando,Sadia Jamil,2024-02-21 This authoritative

handbook looks at the entire news cycle and provides a bridge between the theoretical and academic study of journalism and its actual contemporary practice The book's main merit is that it brings theory and practice together with contributors discussing these issues from different perspectives in a way that scholars students and practitioners can find useful in the study of journalism The handbook is also unique as it undertakes an international scope across regions and cultures both from the West and the Global South while providing an overview which balances the over emphasis on content in most academic approaches to journalism The book is divided into four major parts 1 Conceptual foundations 2 Interlink between journalism as scholarship and journalism as practice 3 Regions and cultures and 4 The practitioner world The first two sections lay down the foundation for section 3 which provides an overview of journalism practice in different regions and cultures Section 4 includes contributions by practitioners in which they attempt to respond to some of the issues raised in preceding sections This handbook will appeal to academics practitioners and professionals alike who are interested in a better understanding of the academic study of journalism and its actual contemporary practice

The Liberal Way of War Michael Dillon, Julian Reid, 2009-02-20 The liberal way of war and the liberal way of rule are correlated this book traces that correlation to liberalism's original commitment to making life live Committed to making life live liberalism is committed to waging war on behalf of life specifically to promote the biopolitical life of species being what the book calls the biohuman The book explains how in making life live liberal rule finds its expression today in making the biohuman live the emergency of its emergence

Powers of Freedom Nikolas Rose, 1999-05-13 Powers of Freedom first published in 1999 offers a compelling approach to the analysis of political power which extends Foucault's hypotheses on governmentality in challenging ways Nikolas Rose sets out the key characteristics of this approach to political power and analyses the government of conduct He analyses the role of expertise the politics of numbers technologies of economic management and the political uses of space He illuminates the relation of this approach to contemporary theories of risk society and the sociology of governance He argues that freedom is not the opposite of government but one of its key inventions and most significant resources He also seeks some rapprochement between analyses of government and the concerns of critical sociology cultural studies and Marxism to establish a basis for the critique of power and its exercise The book will be of interest to students and scholars in political theory sociology social policy and cultural studies

Authority, Experience and the Life of Power Claire Blencowe, Julian Brigstocke, Leila Dawney, 2016-04-14 Taking up the challenge of understanding power in its complexity this volume returns to and revitalises the concept of authority It provides a powerful analysis of the ways that relationships of trust attachment governance and inequality become possible when subjectivities and bodies are invested in the life of power The collection offers a vibrant new analysis of the biopolitical arguing that experience of life has become equated with objectivity in contemporary culture and has thus become a primary basis of authority Biopolitical or experiential authority can be generated through reference to a variety of experiences performances or intensities of life including creativity

radicalism risk taking experimentation inter relation suffering and proximity to death The authority producing capacities of community and aesthetics are key issues pointing to vexed relationships between politics and policing inventiveness and violence The contributors develop their theoretical analyses through discussion of a range of specific sites including mental health service user and survivor politics biological knowledge refugee activism stories of suffering urban art anarchism neo liberal community politics and marketization Authority Experience the Life of Power challenges thinking on what the political is and isn't pushing against the all too easy equivocation of revolutionary break and empowerment This book was published as a special issue of the Journal of Political Power **Hermeneutic Dialogue and Social Science** Austin

Harrington, 2013-01-11 This book explores the writings of Gadamer and Habermas on hermeneutics and the methodology of the social sciences By re-examining their views of earlier interpretive theorists from Wilhelm Dilthey to Max Weber and Alfred Schutz it offers a radical challenge to their idea of the dialogue between researchers and their subjects *Kinship,*

Law and the Unexpected Marilyn Strathern, 2005-10-24 How can we hold in the same view both cultural or historical constructs and generalities about social existence Kinship Law and the Unexpected takes up an issue at the heart of studies of society the way we use relationships to uncover relationships Relationality is a phenomenon at once contingent on certain ways of knowing and ubiquitous to social life The role of relations in western Euro American knowledge practices from the scientific revolution onwards raises a question about the extent to which Euro American kinship is the kinship of a knowledge based society The argument takes the reader through current issues in biotechnology new family formations and legal interventions and intellectual property debates to matters of personhood and ownership afforded by material from Melanesia and elsewhere If we are often surprised by what our relatives do we may also be surprised by what relations tells us about the world we live in *Envisioning Human Geographies* Paul Cloke, Philip Crang, Mark Goodwin, 2014-02-24 Bringing

together many of the leading human geographers from around the English speaking world Envisioning Human Geographies offers a series of personal visions for the future of human geography The result is a vigorous and far sighted debate about what human geography could and should be concerned with in the twenty first century The individual contributors develop their arguments to address the shape and direction of human geographies with each chapter looking forward and envisioning an intellectual future for the subject The result is a set of powerful statements written around the themes of space nature enclosure political economy non representation post colonialism feminism post structuralism computation morality spirituality activism The statements are tied via an introduction that discusses the ideological academic and aesthetic prompts that fire the human geographical imagination Envisioning Human Geographies maps out important new territories of enquiry for human geography and is essential reading for all students studying the nature and philosophy of the subject

The Life of the City Julian Brigstocke, 2016-03-03 Could the vitality of embodied experience create a foundation for a new form of revolutionary authority The Life of the City is a bold and innovative reassessment of the early urban avant garde

movements that sought to re imagine and reinvent the experiential life of the city Constructing a ground breaking theoretical analysis of the relationships between biological life urban culture and modern forms of biopolitical experiential authority Julian Brigstocke traces the failed attempts of Parisian radicals to turn the crisis of authority in late nineteenth century Paris into an opportunity to invent new forms of urban commons The most comprehensive account to date of the spatial politics of the literary artistic and anarchist groups that settled in the Montmartre area of Paris after the suppression of the 1871 Paris Commune The Life of the City analyses the reasons why laughter emerged as the unlikely tool through which Parisian bohemians attempted to forge a new non representational biopolitics of sensation Ranging from the carnivalesque performances of artistic cabarets such as the Chat Noir to the laughing violence of anarchist terrorism The Life of the City is a timely analysis of the birth of a carnivalesque politics that remains highly influential in contemporary urban movements

EBOOK: Intolerant Britain? Hate Citizenship and Difference Derek McGhee,2005-04-16 This fascinating book uses case studies to explore a number of high profile and contemporary social problems that exist in British society including Racism and institutional racism Ethnic and religious community segregation Social and institutional asylophobia Islamophobia and the incitement of religious hatred Homophobia institutional homophobia and community safety At the same time the book examines various legislative and strategic movements introduced to tackle these social problems for example strategies to counter institutional prejudices especially in policing hate crime legislation managed migration community safety and community cohesion strategies Throughout the book McGhee contextualizes these strategies within the Government s wider project of attempting to revitalize British citizenship Intolerant Britain is key reading for students on courses in sociology social policy politics race and ethnicity studies gender studies media and cultural studies and criminology **Governing Child Sexual Abuse** Samantha Ashenden,2016-04-29 The turn of the 1990s saw a number of high profile public inquiries into the handling of child sexual abuse cases in Great Britain In examines the implications of these inquiries on the regulation of relationships between families and the state author Samantha Ashenden brings a number of contemporary debates in social and political theory to bear upon the governance of child sexual abuse In particular drawing on the work of Foucault and Habermas Ashenden looks at how to analyze the boundary between public and private spheres the legal and scientific determination of legitimate intervention the relationship between democracy and expertise in the governance of social life Timely and topical this book will be of particular interest to scholars and students of social and political theory political sociology the sociology of law and social policy *The Changing Role of the Public Intellectual* Dolan Cummings,2013-09-27 Ideas can define and transform society but how healthy is intellectual life today In a period when Big Brother refers not to George Orwell but to a reality TV show and when bright young things are developing gameshow formats rather than scribbling essays when thinkers join think tanks to design short term government policy rather than reflecting on and challenging the status quo and when the ever growing number of graduates seem more interested in job prospects than

academic endeavour is intellectual life in terminal decline This book looks at the idea of the public intellectual considering whether such thinkers are becoming an endangered species It also looks at the legacy of relativism and ethical doubts about the pursuit of knowledge and the effect of such developments on intellectual life The final section considers the expansion of higher education and the changing role of the academic Taken together the essays in this collection form a comprehensive overview of the intellectual climate today and the possibilities for the future This volume was previously published as a special issue of the journal *Critical Review of International Social and Political Philosophy* CRISPP

Law's Dream of a Common Knowledge Mariana Valverde, 2009-02-09 If knowledge is power then the power of law can be studied through the lens of knowledge This book opens up a substantive new area of legal research knowledge production and presents a series of case studies showing that the hybridity and eclecticism of legal knowledge processes make it unfruitful to ask questions such as Is law becoming more dominated by science Mariana Valverde argues that legal decision making cannot be understood if one counterposes science and technology on the one hand to common knowledge and common sense on the other The case studies of law's flexible collage of knowledges range from determinations of drunkenness made by liquor licensing inspectors and by police through police testimony in indecency cases to how judges define the truth of sexuality and the harm that obscenity poses to communities Valverde emphasizes that the types of knowledge that circulate in such legal arenas consist of facts values and codes from numerous incompatible sources that combine to produce interesting hybrids with wide ranging legal and social effects Drawing on Foucaultian and other analytical tools she cogently demonstrates that different modes of knowledge and hence various forms of power coexist happily *Law's Dream of a Common Knowledge* underlines the importance of analyzing dynamically how knowledge formation works And it helps us to better understand the workings of power and resistance in a variety of contemporary contexts It will interest scholars and students from disciplines including law sociology anthropology history and science and technology studies as well as those concerned with the particular issues raised by the case studies

For Sociology John Eldridge, 2024-09-13 First published in 2001 *For Sociology* is not the dogmatic stand of a single discipline against the tide of interdisciplinarity Rather it is an attempt to explore the nature of sociological argument and the relationship of sociology both to the natural sciences and other social sciences as well as assessing its role in understanding the complexities of the contemporary world The essays in the collection were all presented at the British Sociological Association's annual conference in 1999 which sought to reassess sociology thirty years on from Alvin Gouldner's famous challenge to the discipline Through reflection on the continuities and discontinuities in the discipline and an exploration of some of the key themes and issues of our time the writers represented here pose new challenges to the sociological imagination

The Blackwell Companion to Political Sociology Kate Nash, Alan Scott, 2008-04-30 *The Blackwell Companion to Political Sociology* brings together thirty eight original essays covering the wide inter disciplinary field of political sociology Represents the most comprehensive overview available in the field of

political sociology Covers traditional questions as well as emerging topics including recent debates on gender citizenship and political identity Includes detailed editorial introduction abstracts further reading lists and a consolidated bibliography
