Aspen Portrait Of A Rocky Mountain Town:

Aspen, Portrait of a Rocky Mountain Town Paul Chesley, Nicholas DeVore, David Hiser, 1992 **Aspen Photographers Of Aspen**, 1992-12-12 **Explorer's Guide Colorado's Classic Mountain Towns: A Great Destination** Evelyn Spence, 2007-06-18 Colorado's spectacular ski towns like Aspen Vail Telluride and Crested Butte offer far more than just skiing they offer some of the best hiking mountain biking fishing shopping dining and lodging in the world and all year round to boot Author Evelyn Spence a former editor at Skiing magazine and avid outdoorswoman has turned the state's classic mountain towns upside down to find quirky annual festivals superb Rocky Mountain cuisine historic B Bs trout filled streams powder choked runs Manhattan worthy shopping and jaw dropping drives and combine them in this unique travel guide Whether you want to sleep under the stars or inside a toasty wilderness lodge this guide will help you plan the ultimate Colorado mountain experience **In the Spirit of Aspen** Kathryn Livingston, 2002 Eclectic eccentric and smart Aspen has always been a pioneer of style Drawing on the words and photo albums of the glamorous people who lived there page after page of this richly textured volume reveals the spirit of this surprisingly sophisticated town nestled in the wild Rocky Mountains of Colorado An established favorite getaway for movers and shakers such as George Soros Anne Bass and Rupert Murdoch as well as the artists such as Robert Rauschenberg Jennifer Bartlett and Eric Fischl Aspen is also home to a steady stream of illustrious escapees from both coasts such as Kevin Costner Michael Douglas and Catherine Zeta Jones Ted Kennedy and Bill Maher But much more than a resort town Aspen is an idea and an ideal a creative hotbed of intellect and style In the spirit of Aspen brilliantly captures the dazzling mix of culture and natural beauty **Books in Print**, 1994

The Rocky Mountains Alf Alderson, Cameron Wilson, Christian Williams, 2002 A handbook to the peaks and valleys of Colorado Wyoming Montana Idaho and Northern Utah this guide contains advice on outdoor adventures including the regions trails river runs and ski slopes Reviews are given on what to pack and where to eat drink and sleep in every area and price range In depth coverage of gateway cities Denver and Salt Lake City and the grand geology of Glacier Yellowstone and Rocky Mountain national parks is included **The Mining West** Richard E. Lingenfelter, 2003 This two volume set cites books pamphlets maps music directories and other published materials excluding materials from technical and popular magazines and newspapers on the history of mining in the American and Canadian West Topics covered include prospecting mining rushes and camps and mining finance labor technology law literature and lore The initial portion provides general information on mining and metallurgical technology The subsequent regional sections are subdivided into refined historical studies raw materials fictional and poetic treatments and bibliographical guides to further materials Annotation c 2003 Book News Inc Portland OR booknews.com *The Cumulative Book Index*, 1994 A world list of books in the English language

Rocky Mountain Heartland Duane A. Smith, 2022-09-13 This is a lively history of three Rocky Mountain states in the twentieth century With the sure hand of an experienced writer and the engaging voice of a veteran storyteller the well known

historian Duane A Smith recounts the major social political and economic events of the period with verve and zest Smith is thoroughly familiar with his subject and has a genuine enthusiasm for the history of the region Written with the general reader in mind *Rocky Mountain Heartland* will appeal to students teachers and armchair historians of all ages This is the colorful saga of how the Old West became the New West Beginning at the end of the nineteenth century and concluding after the turn of the twenty first *Rocky Mountain Heartland* explains how Colorado Montana and Wyoming evolved over the course of the century Smith is mindful of all the factors that propelled the region mining agriculture water immigration tourism technology and two world wars And he points out how the three states responded in varying ways to each of these forces Although this is a regional story Smith never loses sight of the national events that influenced events in the region As Smith skillfully shows the vast natural resources of the three states attracted optimistic hopeful Americans intent on getting rich enjoying the outdoors or creating new lives for themselves and their families How they resolved these often conflicting goals is the modern story of the Rocky Mountain region

Rocky Mountain Divide John B. Wright, 2010-07-22 The opposing forces of conservation and development have shaped and will continue to shape the natural environment and scenic beauty of the American West Perhaps nowhere are their opposite effects more visible than in the neighboring states of Colorado and Utah so alike in their spectacular mountain environments yet so different in their approaches to land conservation This study explores why Colorado has over twenty five land trusts while Utah has only one John Wright traces the success of voluntary land conservation in Colorado to the state s history as a region of secular commerce As environmental consciousness has grown in Colorado people there have embraced the businesslike approach of land trusts as simply a new more responsible way of conducting the real estate business In Utah by contrast Wright finds that Mormon millennialism and the belief that growth equals success have created a public climate opposed to the formation of land trusts As Wright puts it environmentalism seems to thrive in the Centennial state within the spiritual vacuum which is filled by Mormonism in Utah These findings remind conservationists of the power of underlying cultural values that affect their efforts to preserve private lands

Across the American Atlas: A Journey Through Towns and Their Namesakes Pasquale De Marco, *Across the American Atlas A Journey Through Towns and Their Namesakes* is an extraordinary exploration of the stories behind the names of towns and cities across the United States Delve into the rich tapestry of American history geography and culture through this captivating journey Discover the fascinating origins of town names from those inspired by Native American languages and European explorers to those named after famous people and geographical features Explore the quirky and humorous names that add a touch of whimsy to the American landscape Uncover the connection between town names and local industries from agricultural towns to mining hubs from manufacturing centers to tourist destinations Understand how the unique characteristics of each town s location whether on a river mountain valley island or desert have shaped their identity and character Journey through the chapters of history that unfold through town names from the settlements
