Aspern Papers And Other Stories:

The Aspern Papers and Other Stories Henry James, 2013-02-14 There is no baseness I wouldn't commit for Jeffrey Aspern's sake. The poet Aspern, long since dead, has left behind some private papers. They are jealously guarded by an old lady, once his mistress and muse, a recluse in an old palazzo in Venice, tended by her ingenuous niece. A predatory critic is determined to seize them. What can he make of the younger woman? What are his motives? What are the papers worth, and what is he prepared to pay? In all four stories collected here, including *The Death of the Lion*, *The Figure in the Carpet*, and *The Birthplace*, the figure of the artist is central. Extraordinarily prophetic, James explores the emergent new cult of the writer as celebrity and asks who cares about the work for itself. Can the man behind the artist ever truly be known, and does our knowledge explain the act of creativity? This new edition includes extracts from James's Prefaces and Notebooks, which shed light on the genesis of the stories. ABOUT THE SERIES For over 100 years, Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Aspern Papers and Other Stories Henry James, 2009-01-29 An American editor with an enthusiasm for the works of Jeffrey Aspern, a romantic poet of the early 19th century, goes to Venice to acquire the letters that Aspern wrote to his mistress, a Miss Bordereau, whom he called Juliana. Under an assumed name, he rents a suite in the ancient palace where she lives in poverty and seclusion with her niece, Miss Tina. He finds that the old lady is shrewd and haughty and accepts him as a lodger only to put aside money for the future of Miss Tina, a timid, unattractive spinster much in awe of her aunt. During his residence with them, the editor wins the friendship of Miss Tina, to whom he reveals his mission. Leaving Venice for a fortnight, he returns to find that Miss Bordereau has died. Miss Tina, who is clearly in love, welcomes him expectantly but confesses that she could only give him the papers if he were a relative. In addition to *The Aspern Papers*, this collection contains *The Private Life*, *The Middle Years*, and *The Death of the Lion*, as well as prefaces by Henry James, a chronology of his life, and the editor's notes. About the Series For over 100 years, Oxford World's Classics has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Aspern Papers is a novella by American writer Henry James. One of James's best-known and most acclaimed longer tales.

The Aspern Papers is based on the letters Percy Bysshe Shelley wrote to Mary Shelley's stepsister Claire Clairmont who saved them until she died. Set in Venice, The Aspern Papers demonstrates James's ability to generate suspense while never neglecting the development of his characters. In this classic 1888 novella, an anonymous narrator relates his obsessive quest to acquire some letters and other private documents that once belonged to the deceased Romantic poet Jeffrey Aspern. Attempting to gain access to the papers, the property of Aspern's former mistress, he rents a room in a decaying Venetian villa where the woman lives with her aging niece. Led by his zeal into increasingly unscrupulous behavior, the narrator is faced in the end with relinquishing his heart's desire or attaining it at an overwhelming price. Inspired by an actual incident involving Claire Clairmont, once the mistress of Lord Byron, this masterfully written tale incorporates all those elements expected from James's psychological subtlety, deft plotting, the clash of cultures, and profoundly nuanced representation of scene, mood, and character. This volume also contains James's celebrated Preface from the New York edition of his collected works.

Kharshouf and other Stories Jack Debney, 2016-01-06

An atmospheric collection of 5 stories all with vivid characterisation and a strong sense of place. Three of the stories included in this collection feature the character Jim Skaife who has appeared in the author's earlier works. In Tracking we see him as a young boy in a northern town exploring friendships and the dark bombed-out slums. In The Wooden Ship we return to Jim's infancy and a unloved gift given by a German POW. The eponymous story Kharshouf features our central character as he reminisces about his time in Alexandria, an experience he has shared with the author. Artichoke is an Arabic word, originally kharshouf, our guest had explained at the beginning of his stay. And when Mr Khrushchev, the Russian leader, but not for much longer, came to Egypt in 1964, people started nicknaming him Kharshouf, not because he resembled one at all, that spectacularly, but because of the similar sounds to the words. It made you look at politics in a different way when you realised that the world could be blown to bits by an artichoke. Jack is influenced by writers as diverse as Graham Greene and Wilkie Collins. A sequence infused with a northern ambience, a strong setting, and the characters battle against adverse circumstances and survive.
