

Assassination Of William Mckinley

Cary Federman

Assassination Of William Mckinley:

The Assassination of President William McKinley Charles River Charles River Editors, 2015-11-10 Includes pictures Includes accounts of the assassination Includes online resources and a bibliography for further reading Includes a table of contents It was in my heart there was no escape for me I could not have conquered it had my life been at stake There were thousands of people in town on Tuesday I heard it was President's Day All those people seemed bowing to the great ruler I made up my mind to kill that ruler Leon Czolgosz In September 1901 the city of Buffalo was full of celebration The Pan American Exposition was ongoing and it brought notable figures to northern New York including President William McKinley who had been reelected less than a year earlier But also in Buffalo was Leon Czolgosz a young man who had turned to anarchy years earlier after losing his job Embracing his philosophy wholeheartedly Czolgosz believed it was his mission to take down a powerful leader he considered oppressive and McKinley's attendance gave him the chance President James Garfield had been assassinated just 20 years earlier but McKinley didn't worry about presidential security or his own safety and that was the case in Buffalo McKinley's insistence on greeting the public and shaking hands allowed Czolgosz to walk up to him on September 6 1901 at a public reception in the Temple of Music on the expo grounds and shoot him point blank with one bullet grazing the president and another lodging in his abdomen In the aftermath of the shooting as Czolgosz was beaten and seized by the crowd he uttered I done my duty For his part McKinley said He didn't know poor fellow what he was doing He couldn't have known Despite being president McKinley's medical services were shoddy and given the still primitive medical standards of the early 20th century gunshots to the abdomen often brought death One of the best known aspects of the assassination is that Thomas Edison's x ray machine was on hand and may have been used to try to locate the bullet that doctors couldn't find but for reasons that remain unknown the x ray machine was not used Nevertheless McKinley seemed to improve over the next few days and people became optimistic he would be all right As H Wayne Morgan one of McKinley's biographers noted His hearty constitution everyone said would see him through The doctors seemed hopeful even confident It is difficult to understand the cheer with which they viewed their patient He was nearly sixty years old overweight and the wound itself had not been thoroughly cleaned or traced Precautions against infections admittedly difficult in 1901 were negligently handled Ultimately McKinley's wounds became gangrenous a week after he was shot and after he took a turn for the worse he died on the morning of September 14 nearly 8 days after he was shot The Assassination of President William McKinley McKinley was the 3rd president to be assassinated and today he is often remembered as one of the presidents to die in office after being elected every 20 years after William Henry Harrison's 1840 election However the most notable consequence of the assassination is who it brought to power Ironically New York Governor Theodore Roosevelt's political enemies hoped to rid the state of their progressive governor by elevating him to national prominence At the Republican National Convention in Philadelphia the New York machine leaders decided to promote Roosevelt for the vice presidency and

in so doing remove him from New York At the time the vice president was notoriously insignificant in national politics so the political machinists thought that making Roosevelt the vice president would turn him into a nobody The History and Legacy of the President's Death chronicles the tumultuous chain of events that led to McKinley's death and Roosevelt's presidency Along with pictures and a bibliography you'll learn about the assassination of McKinley like never before The Assassination of William McKinley Antoine Wilson, 2001-10 Discusses the assassination of the twenty fifth president showing the political situation at the time as well as McKinley's legacy **The Assassination of William McKinley** Cary Federman, 2017-12-06 This book is an examination of the assassination of President William McKinley by Leon Czolgosz an American born purported anarchist This work offers a new and different way to approach historical crime stories Rather than accepting the idea that Czolgosz was inherently dangerous because of his ethnic background or his obscure political statements Federman argues rather that political relations historical events and the developing discourses in the natural and social sciences toward normal and pathological behaviors structured the meaning of the assassination Federman proposes there are six ways to view an assassin each corresponding to a social science Consequently each chapter of this manuscript examines a social science and its relation to the assassination Overall there are three purposes to this work One is to examine the rise of the social sciences at the time of the assassination The second is to explore the historical and political understanding of political violence and the third is to examine the meaning of legal responsibility The Life and Death of William McKinley Marshall Everett, 2019-06-03 This eBook has been formatted to the highest digital standards and adjusted for readability on all devices This book gives us the vivid insight into the incredible life and achievements of President McKinley not to focus solely on his tragic death The author nevertheless describes in graphic words the assassination It is a word picture that will linger forever in the memory of every reader calling forth sympathy and patriotism on behalf of the martyr President and undying contempt and horror of the assassin and the foul and cowardly thing called anarchy Every detail of that now historic scene is told so vividly that the reader sees it as if he were an eye witness Contents The Assassination of President McKinley President McKinley's Fight for Life Deathbed Scene of President McKinley The Story of the Assassin Emma Goldman Woman Leader of Anarchists Anarchism and Its Objects Scenes at Buffalo Following the Assassination Days of Anxiety and Sorrow President McKinley's Last Speech William McKinley's Boyhood McKinley as a Soldier in the Civil War McKinley in Congress McKinley's Life Was Protection's Era McKinley as Governor of Ohio McKinley as a Campaigner Governor McKinley's Financial Troubles McKinley's Loyalty to Sherman Blaine and Harrison First Nomination for President The Great Campaign of 1896 The Spanish War Cloud McKinley's Own Story of the Spanish American War McKinley and Expansion Second Presidential Nomination and Election of McKinley President McKinley and the Chinese Crisis McKinley Builder of a World Power Private Life of William McKinley McKinley's Eulogy of Lincoln President Roosevelt Takes the Oath of Office Great Events of the World During President McKinley's Administration The
