Assessing Policies for Retirement Income National Research Council, Division of Behavioral and Social Sciences and Education, Commission on Behavioral and Social Sciences and Education, Panel on Retirement Income Modeling, 1997-02-06 The retirement income security of older Americans and the cost of providing that security are increasingly the subject of major debate This volume assesses what we know and recommends what we need to know to estimate the short and long term effects of policy alternatives It details gaps in data and research and evaluates possible models to estimate the impact of policy changes that could affect retirement income from Social Security pensions personal savings and other sources

OECD Pensions Outlook 2020 OECD, 2020-12-07 The 2020 edition of the OECD Pensions Outlook examines a series of policy options to help governments improve the sustainability and resilience of pension systems *Assessing Knowledge of Retirement Behavior* Panel on Retirement Income Modeling, Commission on Behavioral and Social Sciences and Education, Division of Behavioral and Social Sciences and Education, National Research Council, 1996-08-13 This book brings together in one volume what researchers have learned about workers employers and retirees that is important for formulating retirement income policies As the U S population ages there is increasing uncertainty about the solvency of the Social Security and Medicare systems and the adequacy of private pensions to provide for people s retirement needs The volume covers such critical behaviors as workers decisions to retire people s choices of saving over consumption and employers decisions about hiring older workers and providing pension and health care benefits Also covered are trends in mortality health status and health care costs that are key to projecting the likely costs and effects of alternative retirement income security policies and a strategy for combining data and research knowledge into a policy modeling framework

New and Forthcoming Books National Academy Press (U.S.), 1993 **OECD Principles of Occupational Pension Regulation Methodology for Assessment and Implementation** OECD, 2010-08-18 This book provides a structured approach for evaluating a jurisdiction s occupational pension regulatory system in relation to the OECD Core Principles of Occupational Pension Regulation **Preparing for an Aging World** National Research Council, Division of Behavioral and Social Sciences and Education, Committee on National Statistics, Committee on Population, Panel on a Research Agenda and New Data for an Aging World, 2001-07-26 Aging is a process that encompasses virtually all aspects of life Because the speed of population aging is accelerating and because the data needed to study the aging process are complex and expensive to obtain it is imperative that countries coordinate their research efforts to reap the most benefits from this important information Preparing for an Aging World looks at the behavioral and socioeconomic aspects of aging and focuses on work retirement and pensions wealth and savings behavior health and disability intergenerational transfers and concepts of well being It makes recommendations for a collection of new cross national data on aging populations data that will allow nations to develop policies and programs for addressing the major shifts in population age structure now occurring These efforts if

made internationally would advance our understanding of the aging process around the world **Assessing Policies for Retirement Income** Panel on Retirement Income Modeling, Commission on Behavioral and Social Sciences and Education, Division of Behavioral and Social Sciences and Education, National Research Council, 1997-02-20 The retirement income security of older Americans and the cost of providing that security are increasingly the subject of major debate This volume assesses what we know and recommends what we need to know to estimate the short and long term effects of policy alternatives It details gaps in data and research and evaluates possible models to estimate the impact of policy changes that could affect retirement income from Social Security pensions personal savings and other sources Reform of Retirement Income Policy Keith G. Banting, Robin W. Boadway, Queen's University (Kingston, Ont.). School of Policy Studies, 1997 The retirement income system has been hailed as one of the great successes of Canadian social policy However contemporary pressures have generated a vigorous debate about the way ahead Fundamental reforms are being proposed and Canadians face important choices **Departments of Labor, Health and Human Services, Education, and Related Agencies Appropriations for 1999** United States.
