The background of the image is a deep space scene. On the right, a large, bright, glowing celestial body, possibly a star or a distant planet, emits a powerful light, creating a lens flare effect. To its left, a ringed planet, similar to Saturn, is visible, with its rings clearly defined. Further to the left, two smaller, dark planets are visible against the starry background. The overall color palette is dominated by dark blues and blacks, with bright yellows and oranges from the celestial bodies.

Astral Worship:

Astral Worship J.H. Hill, 2023-01-30 In an article entitled then and Now published in the December number 1890 of the *Arena* its author a distinguished Unitarian D D of Boston Mass says Astronomy has shattered the fallacies of Astrology and people have found out that the stars are minding their own business instead of meddling with theirs Now while it is true that modern Astronomy has superseded the ancient system and people have ceased to believe that the stars are intervening in mundane affairs nothing could be further from the truth than the assertion that Astronomy has shattered the fallacies of Astrology and those of our readers who will accord to this work an unprejudiced perusal can hardly fail to be convinced that a large majority of the people of Christendom are dominated as much by these fallacies as were our Pagan ancestry the only difference being a change of name the dogmatic element of religion which was anciently designated as Astrology is now known as theology

Astral Worship J. Hill, 2013-04-02 A fascinating study of Astrolatry which is the worship of stars and other heavenly bodies as deities or the association of deities with heavenly bodies The most common instances of this are sun gods and moon gods in polytheistic systems worldwide Also notable is the association of the planets with deities in Babylonian and hence in Greco Roman religion viz Mercury Venus Mars Jupiter and Saturn *ASTRAL WORSHIP* J.H. HILL,

Astral Worship J. H. Hill, 2017-08-07 d Autumnal Equinoxes the former referring to the longest and shortest days of the year and the latter to the two periods when the days and nights are equal An abbreviatory sign having been attached to each of these constellations the great celestial belt containing them was called the wheel of the signs or a wheel in the middle of a wheel as designated by that old Astrologer Ezekiel the Prophet in chap i and 16th verse But for the reason that with only one exception the forms of living things either real or mythical were given to them this belt ultimately was designated as the Zodiac or Circle of living Creatures see Ezekiel chap i Constituting the essential feature of the ancient Astronomy we present in our frontispiece a diagram of the Zodiac as anciently represented to which as well as to Burritts Celestial Atlas our readers will be necessitated to make frequent reference **Penny Cyclopaedia of the Society for the Diffusion of Useful**

Astronomy in the Origins of Religion

Cometan, 2020-09-15 Official title Do the prehistoric interactions between astronomy and religion form a distinct religious tradition In the dissertation for his Master s of Arts degree from the University of Central Lancashire Cometan introduced and thoroughly explored his theory of the existence of the oldest religious tradition based on astronomical observation which he titles the Astronic tradition or Astronicism In this work which received a Distinction Grade of 87 following its examination Cometan discovers that astronomy and religion were indeed intertwined in prehistoric and ancient times Through archaeological evidence Cometan makes the case for the existence of an Astronic religious tradition stretching back to the Upper Palaeolithic period of the Stone Age some 40 000 years ago Key ideas of Cometan s dissertation work include astromorphism astrolatry astroglyphs astromancy astronomical religion and the theory of an astronomical Urreligion an original or primordial religion

Hosea 2 Brad E. Kelle, 2005 The complex and at times violent metaphorical discourse of Hosea 2 has elicited a variety of interpretive approaches This study explores the text from the perspective of rhetorical criticism The classical conception of rhetoric as the art of persuasion and the function of metaphor within persuasive discourses and social settings correlate with the oracular characteristics of Hosea 2 and illuminate its use of specific metaphors A reading of Hosea 2 from this perspective proposes that the prophets of Israel may have functioned in a manner similar to the orators of ancient Greece who delivered extended rhetorical discourses designed to discern meaning in contemporary events and to persuade

audiences This study offers a distinctively political reading of Hosea 2 that explores the text as a metaphorical and theological commentary on the political and religious dynamics in Israel at the close of the Syro Ephraimitic War 731 730 BCE Paperback edition is available from the Society of Biblical Literature www.sbl-site.org Text, Theology, and Trowel Lidia D. Matassa, Jason M. Silverman, 2011-07-01 Text Theology and Trowel consists of ten essays on the understanding and reception of the Hebrew Bible in Judaism and Christianity Textual exegesis historical contexts and modern reception of the Hebrew text are placed side by side to encourage interdisciplinary study Two theologically minded essays are included to help overcome the biblical studies theology dichotomy By placing such divergent approaches together this volume will help expand ways of thinking about the Bible and its cognate fields **Astral Worship** J H Hill M D, J. Hill, 2014-12-16 J H Hill discusses the beginnings of pagan religions and the beliefs of the magi He talks about the beliefs in nature and the beginnings of astrology Hill states the votaries of the ancient Astral worship divided into two distinct classes the Esoterics or Gnostics and the Exoterics or Agnostics the former comprising those who knew that the Gods were mythical and the scriptures allegorical and the latter those who were taught that the Gods were real and the scriptures historical or in other words it was philosophy for the cultured few and religion for the ignorant multitude In Astral Worship Dr Hill explores the foundations of astrology and explores its influence on religions rituals and holidays that are commonly practiced today Astral worship or Astrolatry is the worship of stars and other heavenly bodies as deities or the association of deities with heavenly bodies The most common instances of this are sun gods and moon gods in polytheistic systems worldwide Also notable is the association of the planets with deities in Babylonian and hence in Greco Roman religion viz Mercury Venus Mars Jupiter and Saturn In studying the primitive forms of religion it will be found that none of them taught anything relative to a future life for the simple reason that their founders had no conceptions of such a state Hence it follows that the laws they enacted were intended solely for the regulation of their social relations and to secure their observance they were embodied into their sacred records and made part of their religion One form of that most ancient worship was known as Sabaism or Sabism Another form of the same religion was the Ancient Judaism as portrayed in the Old Testament **The History of Christianity** Henry Hart Milman, 1840 Josiah's Reform and the Dynamics of Defilement Lauren A. S. Monroe, 2011-06-01 Lauren Monroe argues that the use of cultic and ritual language in the account of the Judean King Josiah's reforms in 2 Kings 22 23 is key to understanding the history of the text's composition and illuminates the essential interrelated processes of textual growth and identity construction in ancient Israel **Deuteronomy** Gary Harlan Hall, 2000 **Early Christianity and Ancient Astrology** Tim Hegedus, 2007 Original Scholarly Monograph Kings to Esther Milton Spenser Terry, 1875 *Casting Down the Host of Heaven* Cat Quine, 2020-03-23 In *Casting Down the Host of Heaven* Cat Quine analyses the ambiguous nature of the Host and explores the role of ritual in the polemic against their worship Although commonly assumed to be YHWH's divine army the book reveals their non military and fluid nature Quine demonstrates that it was the

fluidity of the Host and their roles in the divine realm that permitted the creation of wide ranging polemic against their worship Her analysis shows that this polemic was expressed in ritual terms which persuaded its audiences both ancient and modern of its legitimacy and authority

The Reforming Kings Rich Lowry, 1991-08-01 An illuminating examination of the emergence of deuteronomic theology in pre exilic Judah Judaeen deuteronomism grew as a response to the social unrest of the Assyrian period channelling popular discontent away from the Davidic monarchy and towards foreign imperialism The author brings together different strands of current scholarship studying the economy of monarchical Judah and Israel and examining the commanding social role of the Davidic monarchy Lowery also discusses Ahaz and the economic and religious impact of Assyrian imperialism and concludes with a discussion of the Manasseh narrative in Kings as a systematic rejection of the pre deuteronomic First Temple status quo

The Courtyards of the House of the Lord Lawrence Schiffman, 2008-08-31 Already before its publication it was clear that the Temple Scroll represented a major contribution to the history of Jewish law in Late Antiquity The present volume brings together the author s studies on this important scroll He has sought to uncover the hermeneutics of the Zadokite Sadducean legal system and to compare and contrast it with other texts of its own type as well as with those in rabbinic literature preserving the Pharisaic rabbinic approach
