Young, 1988 **The Agonistic Imperative** Kwesi Otabil, 1994 This study takes issue with the notion of cultural relativism a notion which translates into the proposition that all known or knowable cultures are co equally worthy valid in their own right and need therefore to be addressed on their own terms so as to be genuinely appreciated Accredited by the liberal school of Western cultural anthropology the proposition is basically a moral concession nay a compulsion to redistributive egalitarianism within the cultural kaleidoscope that our planet has grown to be But beyond its unctuously moral appeal cultural relativism becomes an intellectual humbug For it conceals the starkly conflictual dynamic to the very comparison of cultures or peoples in the first place The dynamic is no other than the order of modernity an order that has levered into relief over the past four centuries the inequality among cultures It is mainly to help combat the propagation of said faith among Africans that I have contributed the Agonistic Imperative The last is a category for distinguishing among the culture complexes that make up the field of modernity Underlying it is the idea of self transcending unrelenting struggle as a property of the human mind an idea that finds expression in the survivalist potentials of given

cultures **Blacks in Corrections** Clyde E. DeBerry,1994 **Images of Black Men in Black Women Writers, 1950-1990** Edward Mercia Jackson,1992 In nine thoroughly documented chapters Jackson treats of all of the leading Black women writers since the end of the Second World War He begins with a comprehensive survey of Black women writers at work today followed by a careful recitation of the multiple images of Black men portrayed in these women s writings Then he takes on each writer in turn beginning with Lorraine Hansberry and Marita Golden and their portrait of the African Male Black American Female relationships and then a close look at the men of Brewster s Place in Gloria Naylor s book Toni Morrison s male portrayals are carefully recited and considered and then Terry McMillan s Disappearing Acts undergoes an exegesis Michelle Wallace is evaluated for her thematic treatment of Black men followed by a suggestion that a possible dialogue may occur thanks to the work of Ishmael Reed and some Black women writers Finally there is a stimulating and disturbing address to the issue of Klu Klux Klan Feminism as Jackson calls it and its possible impact upon Black male culture in America today **Black Authors** James Edward Newby,1991 **Racial Climate and Institutional Support Factors Affecting Success in Predominantly White Institutions** Michelle Denise Gilliard,1996 *Sociological Thought* M.
