Black Girl Some Lesser Tales:

The Black Girl in Search of God and Some Lesser Tales Bernard Shaw, 2016-09-06 This volume contains George Bernard Shaw's collection of short stories entitled *The Black Girl in Search of God and Some Lesser Tales*. It was first published in 1934. *The Black Girl In Search Of God* is a short story that follows a young girl who is newly converted to Christianity and who embarks on a literal search for God. On her way she comes into contact with a number of religious figures each trying to convert her to their own faiths. This wonderfully sardonic allegory highlights Shaw's unorthodox ideas on faith and race and was highly controversial when first published. George Bernard Shaw 1856-1950 was an Irish playwright who co-founded of the London School of Economics. Many vintage texts such as this are increasingly scarce and expensive and it is with this in mind that we are republishing this book now in an affordable high quality modern edition. It comes complete with a specially commissioned biography of the author. **The Black Girl in Search of God and Some Lesser Tales** Bernard Shaw, 1934

In this study of Bernard Shaw's plays originally published in 1971 Leon Hugo examines the implications of these contentions. Professor Hugo's book a lively and enthusiastic reappraisal of the literary and dramatic quality of Shaw's plays viewed in the light of their relationship to his social and political ideas will be of value both as an introduction to new readers of Shaw and as a stimulus to the re-examination of many conventional and often dismissive views of his achievement as a dramatic poet. In the first part of the book Shaw's Fabian socialism his political philosophy and his belief in Creative Evolution are examined. In the second part the author appraises Shaw's plays by relating them to his ideas and by assessing them as literature. Among the plays discussed at length are Mrs Warren's Profession *Candida* *Caesar and Cleopatra* *Man and Superman* *Major Barbara* *Heartbreak House* and *St Joan*. In the third part an assessment is made of Shaw's influence as a teacher and dramatist and the author argues that Shaw at his best achieves didactic and aesthetic unity in his plays. **Dionysian Shaw** Michel W. Pharand, 2004 Shaw now in its twenty fourth year publishes general articles on Shaw and his milieu reviews notes and the authoritative Continuing Checklist of Shaviana the bibliography of Shaw studies

Shelleyan Ideas in Victorian Literature Roland A. Duerksen, 2013-02-07 No detailed description available for Shelleyan Ideas in Victorian Literature **In Our Own Image: Fictional Representations of William Shakespeare**

David Livingstone,2020 This publication looks at fictional portrayals of William Shakespeare with a focus on novels short stories plays occasional poems films television series and even comics In terms of time span the analysis covers the entire twentieth century and ends in the present day The authors included range from well known figures G B Shaw Kipling Joyce to more obscure writers The depictions of Shakespeare are varied to say the least with even interpretations giving credence to the Oxfordian theory and feminist readings involving a Shakespearian sister of sorts The main argument is that readings of Shakespeare almost always inform us more about the particular author writing the specific work than about the historical personage **The Black Girl in Search of a God** George Bernard Shaw,1948 *Life, Love & Faith* Vida Carol

Suffer the Little Children Jodi Eichler-Levine, 2013-04-08

Examines classic and contemporary Jewish and African American children's literature Through close readings of selected titles published since 1945 Jodi Eichler Levine analyzes what is at stake in portraying religious history for young people particularly when the histories in question are traumatic ones In the wake of the Holocaust and lynchings of the Middle Passage and flight from Eastern Europe's pogroms children's literature provides diverse and complicated responses to the challenge of representing difficult collective pasts In reading the work of various prominent authors including Maurice Sendak Julius Lester Jane Yolen Sydney Taylor and Virginia Hamilton Eichler Levine changes our understanding of North American religions She illuminates how narratives of both suffering and nostalgia graft future citizens into ideals of American liberal democracy and into religious communities that can be understood according to recognizable notions of reading domestic respectability and national sacrifice If children are the idealized recipients of the past what does it mean to tell tales of suffering to children and can we imagine modes of memory that move past utopian notions of children as our future Suffer the Little Children asks readers to alter their worldviews about children's literature as an innocent enterprise revisiting the genre in a darker and more unsettled light

What Shall I Read Next? F. Seymour Smith, 1953-01-02

Originally published in 1953 What Shall I Read Next lists nearly 2000 works published after 1900 with the compiler's own appreciatory comments on selected items It was a companion volume to Mr Seymour Smith's English Library Both books are published on behalf of the National Book League In his introduction explaining the scope and purpose of the book Mr Seymour Smith wrote Some will find it useful merely as a shopping list reminding them of books they know something about already and serving as a remembrancer To others and particularly to younger readers it may introduce books which have so far escaped their notice It is hoped too that for booksellers and librarians it will have a practical use as a desk book for answering enquiries for serving as a check list for stock and for use as a reference book when memory fails
