not only advance the genre but also interact with contemporary social justice concerns Incorporating intersectionality and feminist theory Langsdale analyzes complete stories focused on various heroes Spider Woman America Chavez the Unstoppable Wasp and Ironheart By exploring different elements of these characters e g Spider Woman s pregnancy America s identity as a queer mestiza and the Wasp s creation of a female run STEM facility she examines what makes these texts feminist and how they interact with larger issues of inclusion and social justice in ways that more traditional superhero narratives don t and probably can t She also examines how these characters appearances in other media have played a part in their development By focusing on marginalized runs of comics Langsdale demonstrates how even these can make powerful statements about feminism and the world
