With a new introduction by David Scott

# Black Jacobins

**C L R James**

## **Black Jacobins:**

*The Black Jacobins* C. L. R. James, 2001-05-31 James is a titan of twentieth century politics and culture Sunday Times *The Black Jacobins* is not only a groundbreaking historical work it is a masterpiece in storytelling and analysis Gary Younge *The* iconic study of the Haitian revolution by one of the most important historians of the twentieth century C L R James s pioneering account of the 1791 San Domingo slave revolt and the creation of the republic of Haiti changed the way colonial history was written By putting the experiences of the slave rebels led by Toussaint L Ouverture centre stage James made them agents of their own story His work written as part of the fight to end colonialism in Africa helped inspire radical liberation movements worldwide from Black Power to Castro s revolution in the Caribbean With an Introduction by Christienna Fryar **Confronting Black Jacobins** Gerald Horne, 2015-10-22 The Haitian Revolution the product of the first successful slave revolt was truly world historic in its impact When Haiti declared independence in 1804 the leading powers France Great Britain and Spain suffered an ignominious defeat and the New World was remade The island revolution also had a profound impact on Haiti s mainland neighbor the United States Inspiring the enslaved and partisans of emancipation while striking terror throughout the Southern slaveocracy it propelled the fledgling nation one step closer to civil war Gerald Horne s path breaking new work explores the complex and often fraught relationship between the United States and the island of Hispaniola Giving particular attention to the responses of African Americans Horne surveys the reaction in the United States to the revolutionary process in the nation that became Haiti the splitting of the island in 1844 which led to the formation of the Dominican Republic and the failed attempt by the United States to annex both in the 1870s Drawing upon a rich collection of archival and other primary source materials Horne deftly weaves together a disparate array of voices world leaders and diplomats slaveholders white abolitionists and the freedom fighters he terms Black Jacobins Horne at once illuminates the tangled conflicts of the colonial powers the commercial interests and imperial ambitions of U S elites and the brutality and tenacity of the American slaveholding class while never losing sight of the freedom struggles of Africans both on the island and on the mainland which sought the fulfillment of the emancipatory promise of 18th century republicanism

Making The Black Jacobins Rachel Douglas, 2019-09-27 C L R James s *The Black Jacobins* remains one of the great works of the twentieth century and the cornerstone of Haitian revolutionary studies In *Making The Black Jacobins* Rachel Douglas traces the genesis transformation and afterlives of James s landmark work across the decades from the 1930s on Examining the 1938 and 1963 editions of *The Black Jacobins* the 1967 play of the same name and James s 1936 play *Toussaint Louverture* as well as manuscripts notes interviews and other texts Douglas shows how James continuously rewrote and revised his history of the Haitian Revolution as his politics and engagement with Marxism evolved She also points to the vital significance theater played in James s work and how it influenced his views of history Douglas shows *The Black Jacobins* to be a palimpsest its successive layers of rewriting renewing its call to new generations *The Black Jacobins* C L R

James, 2001-05-31 In 1789 the West Indian colony of San Domingo supplied two thirds of the overseas trade of France The entire structure of what was arguably the most profitable colony in the world rested on the labour of half a million slaves In 1791 the waves of unrest inspired by the French Revolution reached across the Atlantic dividing the loyalties of the white population of the island The brutally treated slaves of Saint Domingo seized at this confusion and rose up in rebellion against masters In this classic work CLR James chronicles the only successful slave revolt in history and provides a critical portrait of their leader Toussaint L Ouverture one of the most remarkable men of a period rich in remarkable men **The Black Jacobins** Nick Broten, 2017-07-05 Published in 1938 The Black Jacobins tells the story of the only successful slave revolution in history an uprising inspired by the ideals of the French Revolution The long struggle of African slaves in the French colony of San Domingo led to the establishment of the Republic of Haiti in 1804 The Black Jacobins Reader Charles Forsdick, Christian Høgsbjerg, 2017-01-06 Containing a wealth of new scholarship and rare primary documents The Black Jacobins Reader provides a comprehensive analysis of C L R James s classic history of the Haitian Revolution In addition to considering the book s literary qualities and its role in James s emergence as a writer and thinker the contributors discuss its production context and enduring importance in relation to debates about decolonization globalization postcolonialism and the emergence of neocolonial modernity The Reader also includes the reflections of activists and novelists on the book s influence and a transcript of James s 1970 interview with Studs Terkel Contributors Mumia Abu Jamal David Austin Madison Smartt Bell Anthony Bogues John H Bracey Jr Rachel Douglas Laurent Dubois Claudius K Fergus Carolyn E Fick Charles Forsdick Dan Georgakas Robert A Hill Christian H gsbjerg Selma James Pierre Naville Nick Nesbitt Aldon Lynn Nielsen Matthew Quest David M Rudder Bill Schwarz David Scott Russell Maroon Shoatz Matthew J Smith Studs Terkel **The Black Jacobins** Cyril Lionel Robert James, 1980 *Confronting Black Jacobins* Gerald Horne, 2015-10-22 The Haitian Revolution the product of the first successful slave revolt was truly world historic in its impact When Haiti declared independence in 1804 the leading powers France Great Britain and Spain suffered an ignominious defeat and the New World was remade The island revolution also had a profound impact on Haiti s mainland neighbor the United States Inspiring the enslaved and partisans of emancipation while striking terror throughout the Southern slaveocracy it propelled the fledgling nation one step closer to civil war Gerald Horne s path breaking new work explores the complex and often fraught relationship between the United States and the island of Hispaniola Giving particular attention to the responses of African Americans Horne surveys the reaction in the United States to the revolutionary process in the nation that became Haiti the splitting of the island in 1844 which led to the formation of the Dominican Republic and the failed attempt by the United States to annex both in the 1870s Drawing upon a rich collection of archival and other primary source materials Horne deftly weaves together a disparate array of voices world leaders and diplomats slaveholders white abolitionists and the freedom fighters he terms Black Jacobins Horne at once illuminates the tangled conflicts of the colonial powers the commercial

interests and imperial ambitions of U S elites and the brutality and tenacity of the American slaveholding class while never losing sight of the freedom struggles of Africans both on the island and on the mainland which sought the fulfillment of the emancipatory promise of 18th century republicanism **Toussaint Louverture** Charles Forsdick,Christian

Hogsbjerg,2017-05-20 In overthrowing me you have done no more than cut down the trunk of the tree of liberty it will spring back from the roots for they are numerous and deep Toussaint Louverture The leader of the only successful slave revolt in history Toussaint Louverture is seen by many to be one of the greatest anti imperialist fighters who ever lived Born into slavery on a Caribbean plantation he was able to break from his bondage to lead an army of freed African slaves to victory against the professional armies of France Spain and Britain in the Haitian Revolution of 1791 1804 In this biography Louverture s fascinating life is explored through the prism of his radical politics It champions this black Robespierre whose revolutionary legacy had inspired people and movements in the two centuries since his death For anyone interested in the roots of modern day resistance movements and black political radicalism Louverture s extraordinary life provides the perfect starting point **C. L. R. James** Aldon Lynn Nielsen,2010-12 This study of C L R James s writings is the first to look at them as literature and not as theory This sustained analysis of his major published works places them in the context of his less well known writings and offers an encompassing critique of one of the African diaspora s most significant thinkers and writers

Here the author of *Black Jacobins World Revolution A History of Pan African Revolt Beyond a Boundary* and the lyric novel *Minty Alley* is seen not only as among the great political philosophers but also as the literary artist that he remained from his first writings in his native Trinidad through his underground years in America to his final essays and speeches in London The writings of James have inspired revolutionaries on three continents They have altered the course of historiography shown that way toward independent black political struggles and established a base for much of today s study of culture This study evaluates them as powerful works of literature Conscripts of Modernity David Scott,2004-12-03 Uses C L R James s*The Black Jacobins* as a jumping off point for a reconsideration of colonial and postcolonial concepts of history politics and agency

*V.S. Naipaul, Caribbean Writing, and Caribbean Thought* William Ghosh,2020 Combining an intellectual biography of V S Naipaul with a history of cultural thought in the postcolonial Caribbean this book gives a revisionary portrait of one of the great authors of the twentieth century and tells an insightful and compelling story about the evolution of Caribbean ideas

*Rethinking Race, Politics, and Poetics* Brett St Louis,2007-12-12 This book assesses the oeuvre of Trinidadian activist intellectual C L R James in its entire polymath range analyzing his writings across disciplines and genres as well as his varied political and cultural concerns *The Politics of Culture in the Shadow of Capital* Lisa Lowe,David Lloyd,1997-11-17 Coming from a broad cross section of academic disciplines and theoretical positions this collection of essays questions and reworks Marxist critiques of capitalism that center on the West and which posit a uniform model of development More specifically

Summary and Analysis of The Black Jacobins Acesprint,2021-03-16 Th Bl k Jacobins tr the remarkable h t r f th r v lut n n

the French slave Domingue in 1791 in Haiti. It drew the events that held the revolution back from the full liberation of the island. In the end, the British won the events through the prism of the revolution's great figure, Toussaint Louverture. It shows how the former slave who was not only the leader of the French Revolution but also defeated the European mainland helped to destroy the brutal practice of slavery in Saint

Domingue. This book is a SUMMARY. It is meant to be a companion, not a replacement, to the original book. **The Coloniality of Catastrophe in Caribbean Theater and Performance** Camilla Stevens, *The Afterlives of Anticolonial Aesthetics* Carlos Garrido Castellano, Patrick Crowley, 2025-08-06. This book develops a critical intervention in the politics of time and anticolonial aesthetics. Engaging with recent debates on cultural activism and postcolonial and decolonial studies, the main objective of this volume is to examine the ways in which anticolonial cultural analysis and production keeps nurturing contemporary processes of progressive social transformation. The chapters in this volume argue that anticolonialism should not be bounded to a specific historical moment, that of postcolonial nation building, rather it should be seen as a fertile radical tradition going beyond the specific event of decolonization and informing utopian and radical futures. The twelve essays engage with this argument from a wide variety of disciplines including film studies, art history, literary criticism, and cultural and visual studies. It is intended for scholars, activists, and students across disciplines who are interested in the intersections of culture, politics, and social change. The chapters in this book were originally published as a special issue of *Interventions*.

*Theorizing Anti-Racism* Abigail B. Bakan, Enakshi Dua, 2014-01-01. *Theorizing Anti-Racism* presents insightful essays that engage both Marxist thought and postcolonial and critical race theory with a focus on clarification and points of convergence.

Race Men Hazel V. Carby, 2009-07-01. A searing critique of definitions of black masculinity at work in American culture. *Race Men* shows how these defining images play out socially, culturally, and politically for black and white society and how they exclude women altogether. A History of Literature in the Caribbean: English- and Dutch-speaking countries Albert James Arnold, Julio Rodríguez-Luis, J. Michael Dash, 2001-01-01. For the first time, the Dutch-speaking regions of the Caribbean and Suriname are brought into fruitful dialogue with another major American literature, that of the anglophone Caribbean. The results are as stimulating as they are unexpected. The editors have coordinated the work of a distinguished international team of specialists. Read separately or as a set of three volumes, the *History of Literature in the Caribbean* is designed to serve as the primary reference book in this area. The reader can follow the comparative evolution of a literary genre or plot the development of a set of historical problems under the appropriate heading for the English or Dutch-speaking region. An extensive index to names and dates of authors and significant historical figures completes the volume. The subeditors bring to their respective specialty areas a wealth of Caribbeanist experience. Vera M. Kutzinski is Professor of English, American, and Afro-American Literature at Yale University. Her book *Sugar's Secrets: Race and The Erotics of Cuban Nationalism* (1993) treated a crucial subject in the romance of the Caribbean nation. Ineke Phaf Rheinberger has been very active in Latin American and Caribbean literary criticism for two decades, first at the Free University in Berlin and later at the University of

Maryland The editor of *A History of Literature in the Caribbean* A James Arnold is Professor of French at the University of Virginia where he founded the New World Studies graduate program Over the past twenty years he has been a pioneer in the historical study of the Négritude movement and its successors in the francophone Caribbean
