Black New Orleans 1860 1880 Isbn 022605707:

Black New Orleans, 1860-1880 John W. Blassingame, 2008-09-15 Reissued for the first time in over thirty years *Black New Orleans* explores the twenty year period in which the city's black population more than doubled. Meticulously researched and replete with archival illustrations from newspapers and rare periodicals, John W. Blassingame's groundbreaking history offers a unique look at the economic and social life of black people in New Orleans during Reconstruction. Not a conventional political treatment, Blassingame's history instead emphasizes the educational, religious, cultural, and economic activities of African Americans during the late nineteenth century. Blending historical and sociological perspectives and drawing with skill and imagination upon a variety of sources, Blassingame offers fresh insights into an oft-studied period of Southern history. In both time and place, the author has chosen an extraordinarily revealing vantage point from which to view his subject. Neil R. McMillen, *American Historical Review*
