VERSE BY VERSE COMMENTARY OF THE BOOK OF ENOCH DR. PAUL CRAWFORD, 2025-09-01 The Book of Enoch is one of the most mysterious and compelling works ever preserved from the ancient world Though excluded from much of the biblical canon its influence lingers throughout Scripture in the words of the prophets in the imagery of Revelation and in the warnings and promises of the New Testament Jude himself quotes Enoch reminding us that this book was once honored among the faithful as a testimony of God's judgment and hope As I labored to render this translation of the Book of Enoch I was struck again and again by the weight of its message The visions are vast angels and luminaries floods and fire towers and thrones but their purpose is simple to call men and women to righteousness to warn against rebellion and to direct our eyes toward the Son of Man who will one day sit upon the throne of glory This book is not only about the past it is about our present and our future We live in days not unlike those of Enoch a time when violence increases when truth is twisted and when many forget their Creator Yet just as Enoch walked with God and was not found because God took him so too we are called to walk closely with the Lord until the day He calls us home My prayer is that as you read these pages you will not only see the judgment of the wicked but also the mercy and promise reserved for the righteous For the Lord has not left us without hope He has shown us through Enoch that He is a God who records every deed who hears every prayer and who will one day wipe away every tear May this work stir your heart to pursue righteousness to love truth and to fix your hope on the coming King For the Head of Days and the Son of Man reign together and the promise remains Rejoice you children of uprightness For the Lord and His Son will be united with you forever Dr Paul Crawford
