Benevolent Intentions Fredric Muir, 2025-06-17 Fredric Muir explores a period of American history that is difficult knowledge the country's determination to be a member of the imperial era's club of colonizing nations While the book's characters are Christian religious liberals in particular what is surprising is not that they were in positions to direct and enforce colonial hegemony but that there were so many of them in fact there was a disproportionately large number of religious liberals in positions of authority and leadership Addressing topics that are still current this book describes the intersection of religious liberalism and imperialism and identifies those who were in positions of power while observing what it was about the liberal Christian faith that was informing them and the limited and failed resistance of the anti-imperialist and anti-immigration movements The results have been lasting and continue as headline news

The Communist International and US Communism, 1919-1929 Jacob Zumoff, 2014-08-21 Since the Cold War most historians have set up an opposition between the American and international aspects of early American Communism This book examines the development of the Communist Party in its first decade from 1919 to 1929 Using the archives of the Communist International this book in contrast to previous studies argues that the International played an important role in the early part of this decade in forcing the party to Americanise Special attention is given to the attempts by the Comintern to orient American Communists on the role of black oppression and to see the struggle for black liberation and the fight for socialism as inextricably linked The later sections of the book provide the most detailed account now available of how the Comintern reflecting the Stalinisation of the Soviet Union intervened in the American party to ensure the Stalinisation of American

Communism *The Oxford Handbook of African American Theology* Katie G. Cannon, Anthony B. Pinn, 2018-10-03 This book explores the implication of diversity for humanism Through the insights of academics and activists it highlights both the successes and failures related to diversity marking humanism in the US and internationally It offers a timely depiction of how humanism in general as well as how particular humanist communities have wrestled with the nature of our changing world and the issues that surface in relationship to markers of difference *The Marcus Garvey and Universal Negro Improvement Association Papers, Vol. IV* Marcus Garvey, 2023-09-01 The fourth volume of the Marcus Garvey and Universal Negro Improvement Association Papers marks the period of deepening crisis in the UNIA s political and economic fortunes

After September of 1921 membership declined and morale in the UNIA began to weaken. Underlying it all however was the final failure of the Black Star Line that resulted when negotiations with the United States Shipping Board for the purchase of the long proposed African ship collapsed in March 1922. The movement also suffered a major setback when the first Liberian colonization plan aborted in the summer of 1921. On the political front Garvey's African program had to compete with W. E. B. Du Bois's Second Pan African Congress. There were also major shifts in Garvey's political strategy during this period, his speeches reflecting a desire to placate the U.S. government while simultaneously assailing his left-wing critics for promoting social equality. This disavowal of radicalism earned him further enemies on the left. One of his chief black critics, Cyril V. Briggs, the leader of the African Blood Brotherhood, unwittingly supplied federal investigators with evidence that led to Garvey's indictment on charges of mail fraud in February 1922. By prosecuting him, however, the Department of Justice did not discredit Garvey in the eyes of his followers; rather, it temporarily strengthened his hold over the movement as the appearance of persecution intensified the loyalty of the UNIA membership. But later in 1922 Garvey did lose favor among many of his followers when it was disclosed that he had met secretly in Atlanta with the Acting Imperial Wizard of the Ku Klux Klan. What Garvey had thought was a diplomatic triumph proved instead to be anathema to most blacks. At the Third UNIA Convention in 1922 Garvey repudiated the entire executive council of the UNIA while expressing his anger at plots against him from within the UNIA leadership. Loyalty to Garvey thus became a more urgent issue than ever before. But although Garvey was once again able to silence his critics within the UNIA, the price was to be a badly fractured and demoralized movement. At the same time, his political adversaries outside the UNIA were steadily gaining ground against him. As meticulously documented as the three previous volumes, Volume IV provides the first extended record of Garvey's emergent social philosophy, particularly as it relates to his conception of racial purity and the metaphysics of the human condition. It stands as an impressive record of the Garvey movement. The fourth volume of the Marcus Garvey and Universal Negro Improvement Association Papers marks the period of deepening crisis in the UNIA's political and economic fortunes. After September of 1921 membership declined and morale in the UNIA began to weak

The Marcus Garvey and

Universal Negro Improvement Association Papers, Vol. V Robert A. Hill, Marcus Garvey, Universal Negro Improvement Association, 1983. Africa for the Africans was the name given in Africa to the extraordinary black social protest movement led by Jamaican Marcus Mosiah Garvey, 1887-1940. Volumes I-VII of the Marcus Garvey and Universal Negro Improvement Association Papers chronicled the Garvey movement that flourished in the United States during the 1920s. Now the long-awaited African volumes of this edition, Volumes VIII and IX, and a forthcoming Volume X, demonstrate clearly the central role Africans played in the development of the Garvey phenomenon. The African volumes provide the first authoritative account of how Africans transformed Garveyism from an external stimulus into an African social movement. They also represent the most extensive collection of documents ever gathered on the early African nationalism of the inter-war period. Here is a detailed

chronicle of the spread of Garvey's call for African redemption throughout Africa and the repressive colonial responses it engendered Volume VIII begins in 1917 with the little known story of the Pan African commercial schemes that preceded Garveyism and charts the early African reactions to the UNIA Volume IX continues the story documenting the establishment of UNIA chapters throughout Africa and presenting new evidence linking Garveyism and nascent Namibian nationalism

The Marcus Garvey and Universal Negro Improvement Association Papers, Vol. V Marcus Garvey, 2023-09-01 The fifth volume of this monumental series chronicles what was perhaps the stormiest period in the history of Marcus Garvey and the UNIA the aftermath of the tumultuous 1922 convention Outside the UNIA a growing list of opponents including the black Socialists A Philip Randolph and Chandler Owen and the NAACP's Robert Bagnall and William Pickens were turning their criticism of the controversial Jamaican into a Garvey Must Go campaign Meanwhile Garvey's former UNIA ally Rev J W H Eason who had been impeached at the 1922 convention was emerging as a dangerous rival Eason was assassinated in January 1923 just as he was to testify against Garvey in the latter's mail fraud trial Though it may be impossible to determine if Garvey had a role in the killing the murder generated negative publicity that did untold damage to Garvey and his organization Throughout all this the federal government pressed its case against Garvey and his co-defendants on mail fraud charges stemming from irregularities in the sale of Black Star Line stock In June 1923 a jury found Garvey guilty and he was sentenced to five years in prison Internecine feuds wracked the movement while Garvey languished in New York City's Tombs prison awaiting bail so that he could mount an appeal As soon as he was released in September 1923 he turned his energy to reconsolidating the UNIA while considering the best appeal strategy For the UNIA Garvey resurrected an old commercial message that economic salvation was to be found in ships In March 1924 he reconstituted the defunct Black Star Line as the Black Cross Navigation and Trading Co and bought a ship the S S General Goethals in time for a tour of it by convention delegates The shipboard tour proved to be a highlight of the 1924 convention during which UNIA leadership was stunned by the Liberian government's formal repudiation of the movement's African colonization plans Despite the UNIA's unexpected setback in Liberia the movement continued to spread into new places particularly in America's southern states Generously illustrated with photographs and facsimile documents Volume V of *The Marcus Garvey and Universal Negro Improvement Association Papers* upholds the impeccable editorial standards of the first four volumes Once again a wealth of new sources collected from around the world demonstrates how vitally important Marcus Garvey and the mass movement he controlled were to Afro American history The fifth volume of this monumental series chronicles what was perhaps the stormiest period in the history of Marcus Garvey and the UNIA the aftermath of the tumultuous 1922 convention Outside the UNIA a growing list of opponents including the black So
