*Black Religion in America* Jonathan Chism, 2025-11-07 Black Religion in America is an introduction to the religious history of African Americans from the period of slavery to the twenty first century It analyses Black people s varying religious responses to W E B Du Bois s notion of double consciousness the experience of racial exclusion in America of having two souls two thoughts two unreconciled strivings two warring ideals in one dark body The book traces the social justice thought and activism of Black Christians Conjurers Muslims Pentecostals Humanists and various esoteric prophets across historical epochs introducing students to major religious groups and innovators within African American religious history who have striven for full social inclusion It offers a narrative interpretation of Black religion that engages this current generation of students grappling with enduring marginalization in the post civil Rights and post Obama era This is to say despite the victories of the Civil Rights Movement culminating for some with the historic election of Barack Obama in 2008 Black religions have not provided a panacea for lingering social inequities Still throughout American history Black people have continuously creatively employed religion to respond to changing oppressions The book underscores the intersectionality of Black religious women and examines their experience and resistance of racism sexism and classism Featuring student friendly pedagogy including discussion questions it s a must read for all students of African American Religion Religion in America or African American History interested in studying how Black religion has factored in the long struggle for social justice in America

*African American Urban History since World War II* Kenneth L. Kusmer, Joe W. Trotter, 2009-08-01 Historians have devoted surprisingly little attention to African American urban history of the postwar period especially compared with earlier decades Correcting this imbalance *African American Urban History since World War II* features an exciting mix of seasoned scholars and fresh new voices whose combined efforts provide the first comprehensive assessment of this important subject The first of this volume s five groundbreaking sections focuses on black migration and Latino immigration examining tensions and alliances that emerged between African Americans and other groups Exploring the challenges of residential segregation and deindustrialization later sections tackle such topics as the real estate industry s discriminatory practices the movement of middle class blacks to the suburbs and the influence of black urban activists on national employment and social welfare policies Another group of contributors examines these themes through the lens of gender chronicling deindustrialization s disproportionate impact on women and women s leading roles in movements for social change Concluding with a set of essays on black culture and consumption this volume fully realizes its goal of linking local transformations with the national and global processes that affect urban class and race relations

*Africana Cultures and Policy Studies* Z. Williams, 2009-06-08 This book introduces *Africana Cultures and Policy Studies* as an interdisciplinary field of study rooted in the historical experience of people of African descent and focusing on policy development analysis and

practical application      **Esotericism in African American Religious Experience** ,2014-11-06 In *Esotericism in African American Religious Experience* There is a Mystery Stephen C Finley Margarita Simon Guillory and Hugh R Page Jr assemble twenty groundbreaking essays that provide a rationale and parameters for Africana Esoteric Studies AES a new trans disciplinary enterprise focused on the investigation of esoteric lore and practices in Africa and the African Diaspora The goals of this new field while akin to those of Religious Studies Africana Studies and Western Esoteric Studies are focused on the impulses that give rise to Africana Esoteric Traditions AETs and the ways in which they can be understood as loci where issues such as race ethnicity and identity are engaged and in which identity embodiment resistance and meaning are negotiated      *African American Religious Experiences* Gloria Robinson Boyd,2010-02-19 African Americans encountered many challenges throughout history facing slavery Reconstruction Jim Crow and other forms of racism Many relied on religion as their source of strength and endurance The African American religious experience is a story of survival that demonstrates how religion became the key ingredient that allowed a race to adapt and survive the harshest systems of injustice and prejudice in America Religion became the greatest universal and dynamic tool of survival adopted by enslaved individuals and the utmost weapon known to the black race African American religious practices a blend of African and European traditions are distinctively unique because of worship styles and contemplative practices all reflective of the vital role religion played in the lives of blacks during slavery and beyond      *A History of African-American Leadership* John White,Bruce J. Dierenfield,2014-06-11 The story of black emancipation is one of the most dramatic themes of American history covering racism murder poverty and extreme heroism Figures such as Malcolm X and Martin Luther King are the demigods of the freedom movements both film and household figures This major text explores the African American experience of the twentieth century with particular reference to six outstanding race leaders Their philosophies and strategies for racial advancement are compared and set against the historical framework and constraints within which they functioned The book also examines the grass roots of black protest movements in America paying particular attention to the major civil rights organizations as well as black separatist groups such as the Nation of Islam      **Afro-Pentecostalism** Amos Yong,Professor of Theology Amos Yong, PH.D.,Estrela Alexander,2011 In 2006 the contemporary American Pentecostal movement celebrated its 100th birthday Over that time its African American sector has been markedly influential not only vis a vis other branches of Pentecostalism but also throughout the Christian church Black Christians have been integrally involved in every aspect of the Pentecostal movement since its inception and have made significant contributions to its founding as well as the evolution of Pentecostal charismatic styles of worship preaching music engagement of social issues and theology Yet despite its being one of the fastest growing segments of the Black Church Afro Pentecostalism has not received the kind of critical attention it deserves Afro Pentecostalism brings together fourteen interdisciplinary scholars to examine different facets of the movement including its early history issues of gender relations with other black

denominations intersections with popular culture and missionary activities as well as the movement OCOs distinctive theology Bolstered by editorial introductions to each section the chapters reflect on the state of the movement chart its trajectories discuss pertinent issues and anticipate future developments Contributors Estrela Y Alexander Valerie C Cooper David D Daniels III Louis B Gallien Jr Clarence E Hardy III Dale T Irvin Ogbu U Kalu Leonard Lovett Cecil M Robeck Jr Cheryl J Sanders Craig Scandrett Leatherman William C Turner Jr Frederick L Ware and Amos Yong **Hitler's Black Victims**

Clarence Lusane, 2004-11-23 Drawing on interviews with the black survivors of Nazi concentration camps and archival research in North America Europe and Africa this book documents and analyzes the meaning of Nazism's racial policies towards people of African descent specifically those born in Germany England France the United States and Africa and the impact of that legacy on contemporary race relations in Germany and more generally in Europe The book also specifically addresses the concerns of those surviving Afro Germans who were victims of Nazism but have not generally been included in or benefited from the compensation agreements that have been developed in recent years **Black Catholic Studies**

Endres, 2021-04-16 This first ever Black Catholic Studies Reader offers an introduction to the theology and history of the Black Catholic experience from those who know it best Black Catholic scholars teachers activists and ministers The reader offers a multi faceted interdisciplinary approach that illuminates what it means to be Black and Catholic in the United States This collection of essays from prominent scholars both past and present brings together contributions from theologians M Shawn Copeland Kim Harris Diana Hayes Bryan Massingale and C Vanessa White and historians Cecilia Moore Diane Batts Morrow and Ronald Sharps and selections from an earlier generation of thinkers and activists including Thea Bowman Cyprian Davis and Clarence Rivers Contributions delve into the interlocking fields of history spirituality liturgy and biography Through their contributions Black Catholic Studies scholars engage theologies of liberation and the reality of racism the Black struggle for recognition within the Church and the distinctiveness of African inspired spirituality prayer and worship By considering their racial and religious identities these select Black Catholic theologians and historians add their voices to the contemporary conversation surrounding culture race and religion in America inviting engagement from students and teachers of the American experience social commentators and advocates and theologians and persons of faith

**Benjamin Elijah Mays, Schoolmaster of the Movement** Randal Maurice Jelks, 2012 In this first full length biography of Benjamin Mays 1894 1984 Randal Maurice Jelks chronicles the life of the man Martin Luther King Jr called his spiritual and intellectual father Dean of the Howard University School of Religion president of Mor **American Denominational**

**History** Keith Harper, 2008-09-24 This book brings the rigor of scholarly assessment of the current literature to various important topics and groups in American religious history The contributors carefully examine the fruitful historiographic questions that are posed by the positions and experiences of the various groups American Denominational History points the way for the next decade of scholarly effort **African American Preachers and Politics** Dennis C. Dickerson, 2010-12-01

During most of the twentieth century Archibald J Carey Sr 1868 1931 and Archibald J Carey Jr 1908 1981 father and son exemplified a blend of ministry and politics that many African American religious leaders pursued Their sacred and secular concerns merged in efforts to improve the spiritual and material well being of their congregations But as political alliances became necessary both wrestled with moral consequences and varied outcomes Both were ministers to Chicago s largest African Methodist Episcopal Church congregations the senior Carey as a bishop and the junior Carey as a pastor and an attorney Bishop Carey associated himself mainly with Chicago mayor William Hale Thompson a Republican whom he presented to black voters as an ally When the mayor appointed Carey to the city s civil service commission Carey helped in the hiring and promotion of local blacks But alleged impropriety for selling jobs marred the bishop s tenure The junior Carey also a Republican and an alderman became head of the panel on anti discrimination in employment for the Eisenhower administration He aided innumerable black federal employees Although an influential benefactor of CORE and SCLC Carey associated with notorious FBI director J Edgar Hoover and compromised support for Martin Luther King Jr Both Careys believed politics offered clergy the best opportunities to empower the black population Their imperfect alliances and mixed results however proved the complexity of combining the realms of spirituality and politics

Gregory,2006-05-18 Between 1900 and the 1970s twenty million southerners migrated north and west Weaving together for the first time the histories of these black and white migrants James Gregory traces their paths and experiences in a comprehensive new study that demonstrates how this regional diaspora reshaped America by southernizing communities and

transforming important cultural and political institutions Challenging the image of the migrants as helpless and poor Gregory shows how both black and white southerners used their new surroundings to become agents of change Combining personal stories with cultural political and demographic analysis he argues that the migrants helped create both the modern civil rights movement and modern conservatism They spurred changes in American religion notably modern evangelical Protestantism and in popular culture including the development of blues jazz and country music In a sweeping account that pioneers new understandings of the impact of mass migrations Gregory recasts the history of twentieth century America He demonstrates that the southern diaspora was crucial to transformations in the relationship between American regions in the politics of race and class and in the roles of religion the media and culture

**God and Race in American Politics** Mark A. Noll, 2010-04-04 Mark Noll describes the interlocking effects of race and religion on American politics from the antebellum period onwards He explains the multi form role of religion in the politics of those central American realities
