Catherine Clinton

Black Soldier:

The Black Soldier Catherine Clinton, 2000 Chronicles the military accomplishments of African Americans who fought for the independence and preservation of the United States while struggling to be treated as equals and recognized for their valor and achievement **Black Soldier, White Army** William T. Bowers, William M. Hammond, George L.

MacGarrigle, 1997-05 The history of the 24th Infantry regiment in Korea is a difficult one both for the veterans of the unit for the Army This book tells both what happened to the 24th Infantry why it happened The Army must be aware of the corrosive effects of segregation the racial prejudices that accompanied it The consequences of the system crippled the trust mutual confidence so necessary among the soldiers leaders of combat units weakened the bonds that held the 24th together producing profound effects on the battlefield Tables maps illustrations **The Black Soldiers Who Built the Alaska**

Highway John Virtue, 2012-11-16 This is the first detailed account of the 5 000 black troops who were reluctantly sent north by the United States Army during World War II to help build the Alaska Highway and install the companion Canol pipeline Theirs were the first black regiments deployed outside the lower 48 states during the war The enlisted men most of them from the South faced racial discrimination from white officers were barred from entering any towns for fear they would procreate a mongrel race with local women and endured winter conditions they had never experienced before Despite this they won praise for their dedication and their work Congress in 2005 said that the wartime service of the four regiments covered here contributed to the eventual desegregation of the Armed Forces **Black Soldiers in Blue** John David

Smith, 2004-08-01 Inspired and informed by the latest research in African American military and social history the fourteen original essays in this book tell the stories of the African American soldiers who fought for the Union cause Collectively these essays probe **The Exclusion of Black Soldiers from the Medal of Honor in World War II** Elliott V. Converse, Daniel

K. Gibran, John A. Cash, 2015-06-14 The purpose of this study commissioned by the Army was to document the process by which the Congressional Medal of Honor was awarded from December 7 1941 through September 1 1948 to identify units in which African Americans served to identify by name all black soldiers whose names were submitted for the medal and to document any errors in the processing of their nominations and to compile a list of all black soldiers who received the Distinguished Service Cross the second highest award Based on this work in January 1997 President Clinton awarded seven African Americans the Medal of Honor The authors were selected by Shaw University of Raleigh North Carolina to conduct this study under a United States Army contract **Ebony** , 1968-08 EBONY is the flagship magazine of Johnson Publishing

Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine

Constructing Disability after the Great War Evan P. Sullivan, 2024-10-08 As Americans both civilians and veterans worked to determine the meanings of identity for blind veterans of World War I they bound cultural constructs of blindness to all the emotions and contingencies of mobilizing and fighting the war and healing from its traumas Sighted Americans

wartime rehabilitation culture centered blind soldiers and veterans in a mix of inspirational stories Veterans worked to become productive members of society even as ableism confined their unique life experiences to a collection of cultural tropes that suggested they were either downcast wrecks of their former selves or were morally superior and relatively flawless as they overcame their disabilities and triumphantly journeyed toward successful citizenship Sullivan investigates the rich lives of blind soldiers and veterans and their families to reveal how they confronted barriers gained an education earned a living and managed their self image while continually exposed to the public s scrutiny of their success and failures

Advancement of insects as food and feed in a circular economy, 2024-12-09 In 2017 a book was published entitled *Insects as food and feed from production to consumption* Van Huis and Tomberlin 2017 However the sector of insects as food and feed is developing so quickly that an update seems appropriate The current book *Advancement of insects as food and feed in a circular economy* is a reprint of the Open Access special issue of the *Journal of Insects as Food and Feed* All chapters deal with relevant topics related to insects as food and feed and most of the content of the articles is different from the 2017 book reflecting developments in the field

Army, 1972 **Jamaican Volunteers in the First World War** Richard Smith, 2004 This study explores the dynamics of race and masculinity to provide fresh historical insight into the First World War and its Imperial dimensions examining the experiences of Jamaicans who served in British regiments Reluctance to accept West Indian volunteers was rooted in the belief that black men lacked the qualities necessary for modern warfare This combined with fears over white racial degeneration resulted in the need to preserve established hierarchies which was achieved through the exclusion of black soldiers from the front line and their confinement in labour battalions However despite their exclusion from the battlefield the author shows that the experience of war was invaluable in allowing veterans to appropriate codes of heroism sacrifice and citizenship in order to wage their own battles for independence on their return home culminating in the nationalist upsurge of the late 1930s This book offers a lively and accessible account that will prove invaluable to those studying the Imperial dimensions of the First World War as well and those interested in the wider notions of race and masculinity in the British Empire

Green Technologies Pau Loke Show, Suchithra Thangalazhy Gopakumar, Dominic C. Y. Foo, 2020-11-23 Green technologies can be identified as key components in Industry 4.0 The scope of this book is to address how conventional green technologies can be a part of smart industries by minimizing waste maximizing productivity optimizing the supply chain or by additive manufacturing This theme focuses on the scope and challenges of integrating current environmental technologies in future industries This book Green Technologies Bridging Conventional Practices and Industry 4.0 aims to incorporate and introduce the advances in green technologies to the cyber based industries It is hoped that the novel green technologies presented in this book are useful in assisting the global community in working towards fulfilling the Sustainable Development Goals

Invertebrate Justice Russil Durrant, 2024-07-19 Invertebrates are the neglected majority of the animal world Even though they make up over 95% of animal life they rarely feature in discussions of speciesism animal ethics or species justice This book aims to extend the work of non speciesist criminologists to argue for the idea of invertebrate justice Utilizing green criminologist Rob White's 2013 eco justice perspective the book demonstrates

how our interactions with invertebrate species insects crustaceans molluscs and so forth cause a significant amount of harm to those animals themselves species justice the ecosystems in which they are embedded ecological justice and ultimately to humans environmental justice Across three sections it provides an overview of the ways in which humans and invertebrates interact across a diverse range of contexts and reviews the literature on both invertebrate biodiversity and invertebrate sentience builds a theoretical framework that can help us understand what invertebrate justice might mean and tackles the difficult question of how best we can promote invertebrate justice in the future It appeals to academics environmental scientists activists and policymakers
