## **Black Swans Other Stories:**

Black Swans and Other Stories Sunil Govinnage, 2002 The stories gathered in this volume display a literary imagination of high order wedded to a probing mind that should command our attention A Sri Lankan born black Australian visits Amsterdam only to be confronted by the ambivalence and complexities of his identity a Sri Lankan family arrives in Perth their new home a newly arrived immigrant father through the experiences of his daughter faces up to the realities of racism a husband is caught between the power of nostalgia and the material comforts of the present a father and son go out looking for ice cream as they encounter the inescapable ramifications of multiculturalism in Australia It is through situations such as these that Sunil Govinnage has sought to focus attention and the desire to map the variable meanings of home and exile

The Wicked Stepmother and Other Stories Warren Rochelle, 2020-09-23 Fairy tales Prince Charming fights evil wins the princess lives happily ever after Three sons three wishes witches dragons a quest and happily ever after These stories are part of our cultural fabric The stories change in retellings to reflect contemporary culture such as Princess Charming or heroes and heroines as people of color In this collection queer characters take center stage in stories that grew out of questions What if the prince falls in love with Cinderella's gay stepbrother What if Rumpelstiltskin doesn't really want the Queen's child but rather the King himself What if Beauty and the Beast are two men These stories explore metaphors of magic and the magical this time with a gay perspective What price must be paid for happily ever after Duty or love Is love worth great sacrifice Once upon a time

*Bridging Imaginations* Dr Amit Sarwal, 2012-02-11 Migration of the South Asian peoples to Australia has resulted in a continually growing and flourishing diaspora one of the most prosperous communities with an ever increasing role and responsibility in all areas of society One of the challenges in writing about the South Asian diaspora in Australia is the nature of the beast the multifarious migration and entry points into Australia range from colonial indentured workers to political asylum seekers to transnational marriages to students and high end professionals How did their journeys and experiences generate bridges that have influenced the historical cultural social and academic perceptions of the ever changing continents It is hoped that this critical anthology will help present a dynamic community in transit and showcase the achievements of the South Asian diaspora during the last decade which have not only made a significant impact on Australia's multicultural landscape but also furthered South Asian Australian engagement

*Another Alice* Alice Peterson, 2012-06-01 Love lust boys and shopping the main worries of a teenage girl Not for eighteen year old Alice Peterson who at the height of her youth and an extremely promising tennis career was diagnosed with rheumatoid arthritis In the midst of shock and denial and the enduring question Isn't it old people who get arthritis Alice had to learn to live with what quickly turned from the odd ache and pain to a very aggressive form of the illness and rediscover a new path in life
