Black Workers in White Unions William B. Gould, 1977 Monograph on labour law and racial discrimination in the USA analyses trade union responses and labour relations practices with respect to civil rights legislation and equal opportunity for Black and other minority groups and covers institutional frameworks grievance procedures jurisprudence etc References

The Harvard Guide to African-American History Evelyn Brooks Higginbotham, 2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America

Black Power at Work David Goldberg, Trevor Griffey, 2011-05-02 Black Power at Work chronicles the history of direct action campaigns to open up the construction industry to black workers in the 1960s and 1970s The book's case studies of local movements in Brooklyn Newark the Bay Area Detroit Chicago and Seattle show how struggles against racism in the construction industry shaped the emergence of Black Power politics outside the U S South In the process community control of the construction industry especially government War on Poverty and post rebellion urban reconstruction projects became central to community organizing for black economic self determination and political autonomy The history of Black Power's community organizing tradition shines a light on more recent debates about job training and placement for unemployed underemployed and underrepresented workers Politicians responded to Black Power protests at federal construction projects by creating modern affirmative action and minority set aside programs in the late 1960s and early 1970s but these programs relied on voluntary compliance by contractors and unions government enforcement was inadequate and they were not connected to jobs programs Forty years later the struggle to have construction jobs serve as a pathway out of poverty for inner city residents remains an unfinished part of the struggle for racial justice and labor union reform in the United States

The Betrayal of the Urban Poor Helene Slessarev, Helene Slessarev-Jamir, 1997 Presents the history from 1960 of how policies allegedly designed to promote the welfare of the urban poor have been half hearted This book shows how little the Civil Rights Act of 1964 and the War on Poverty provided for the urban poor and demonstrates the weakness of job training programs devised at the federal level

The State and Labor in Modern America Melvyn Dubofsky, 2000-11-09 In this important new book Melvyn Dubofsky traces the relationship between the American labor movement and the federal government from the 1870s until the present His is the only book to focus specifically on the labor question as a lens through which to view more clearly the basic political economic and social forces that have divided citizens throughout the industrial era Many scholars contend that the state has acted to suppress trade union autonomy and democracy as well as rank and file militancy in the interest of social stability and conclude that the law has rendered unions the servants of capital and the state In contrast Dubofsky argues that the relationship between the state and labor is far more complex and that workers and their unions have gained from positive state intervention at particular junctures in American history He focuses on six such periods when in varying

combinations popular politics administrative policy formation and union influence on the legislative and executive branches operated to promote stability by furthering the interests of workers and their organizations

Labor Leaders in America Melvyn Dubofsky, Warren R. Van Tine, 1987 Here are the life stories of the men and women who have led the labor movement in America from Reconstruction to recent times from William H Sylvis the first major labor leader to Cesar Chavez who organized California s farm workers in the 1960s All of the chapters have been written expressly for this volume by leading authorities several of whom are authors of booklength biographies of their subjects Taken together these readable yet authoritative life studies provide a broad overview of the American labor movement that will appeal to the student and lay reader as well as to the specialist in social history and labor and industrial relations

Feminism Confronts Homo Economicus Martha Fineman, Terence Dougherty, 2005 Drawing on the latest thinking in the fields of feminist legal theory critical legal studies and feminist economics the essays critique the notion that legal and policy decision should be made solely through the lens of economics

Only One Place of Redress David E. Bernstein, 2001-01-18 Focuses on the role facially neutral labor regulations played in institutionalizing discrimination against African Americans in the period between Reconstruction and the civil rights era

The Destruction of Black Milwaukee (1950-2022) Dr. Michael Bonds, 2023-08-18 The Destruction of Black Milwaukee 1950 2022 A History of Racial Inequality and Injustice provides the most comprehensive study of Black Milwaukee since Joe Trotter s 1985 Black Milwaukee The Making of an Industrial Proletariat 1915 45 In The Destruction of Black Milwaukee the reader will learn how institutional racism public policies and individual racism contributed to racial inequality and injustices in the city of Milwaukee to the point where Milwaukee is considered the worst city for African Americans to live in the United States The readers will learn how institutional racism public policies and individual racism perpetuated these practices over decades As outlined in chapter 2 of The Destruction of Black Milwaukee it shows that based on almost every major socioeconomic indicator unemployment poverty income welfare reform and more Blacks in Milwaukee rank at or near the bottom nationally The Destruction of Black Milwaukee explores racial inequality in the areas of housing redlining racial covenants home loan denial refinance denials gentrification evictions etc business business loans denials racist policies lack of enforcement of policies etc education graduation rates test scores suspensions etc limits of electoral politics health disparities infant mortalities teen pregnancies suicides homicides etc and hospital closings and the criminal justice system police killings of African Americans rape illegal frisks brutality etc The Destruction of Black Milwaukee also discusses the role that Black gangs African American drug dealers and Black on Black homicides contributed to the destruction of Milwaukee s Black community Moreover The Destruction of Black Milwaukee discusses the role of Black serial killers and White serial killers in causing deaths and chaos in Milwaukee s Black community during this period The Destruction of Black Milwaukee concludes with a discussion on the outlook for African Americans in Milwaukee
