Black Douglasses War And Lordship In Late Medieval Scotland 1300-1455

Michael Brown

Black Douglasses War And Lordship In Late Medieval Scotland 1300-1455:

The Black Douglasses Michael Brown, 2001-01-01 During the century and a half of their power the Black Douglasses earned fame as Scotland's champions in the front line of war against England. On their shields they bore the bloody heart of Robert Bruce, the symbol of their claim to be the physical protectors of the hero king's legacy. But others saw the power of these lords and earls of Douglas in a different light. To their critics the Douglasses were a force for disorder in the kingdom: lawless, arrogant and violent, whose power rested on coercion and whose defiance of kings and guardians ultimately provoked James II into slaying the Douglas earl with his own hand. Michael Brown analyses the rise and fall of this family as the dominant magnates of the south from the deeds of the Good Sir James Douglas in the service of Bruce to the violent destruction of the Douglas earls in the 1450s. Alongside this study of the accumulation and loss of power by one of the great noble houses, *The Black Douglasses* includes a series of thematic examinations of the nature of aristocratic power. In particular, these emphasise the link between warfare and political power in southern Scotland during the fourteenth century. For the Black Douglasses, war was not just a patriotic duty but the means to power and fame in Scotland and across Europe.

Law and Legal Consciousness in Medieval Scotland Hector L. MacQueen, 2023-10-20 This book explores the rise of a Scottish common law from the twelfth century on despite the absence until around 1500 of a secular legal profession. Key stimuli were the activity of church courts and canon lawyers in Scotland coupled with the example provided by neighbouring England's common law. The laity's legal consciousness arose from exposure to law by way of constant participation in legal processes in court and daily transactions. This experience enabled some to become judges, pleaders in court and transactional lawyers and lay the foundations for an emergent professional group by the end of the medieval period.

Illegitimacy in Medieval Scotland, 1100-1500 Susan Marshall, 2021 First full length examination of bastardy in Scotland during the period exploring its many ramifications throughout society.

The Early Life of James VI Steven J. Reid, 2023-03-09 Shortlisted for the Saltire Society Scottish History Book of the Year Award. James VI and I was arguably the most successful ruler of the Stewart Dynasty in Scotland and the first king of a united Great Britain. His ableness as a monarch it has been argued stemmed largely from his Scottish upbringing. This book is the first in depth scholarly study of those formative years. It tries to understand exactly when in James' long apprenticeship he seized political power and retraces the incremental steps he took along the way. It also poses new answers to key questions about this process: What relationship did he have with his mother Mary Queen of Scots? Why did he favour his kinsman Esm Stuart ultimately Duke of Lennox to such an extent that it endangered his own throne? And was there a discernible pattern of intent to the alliances he made with the various factions at court between 1578 and 1585? This book also analyses James' early reign as an important case study of the impact of the Reformation on the monarchy of early modern Europe and examines the cultural activity at James' early court.

Kings, Lords and Men in Scotland and Britain, 1300-1625 Steve Boardman, 2014-06-16 This book unusually brings

together work on 15th century and the 16th century Scottish history asking questions such as How far can medieval themes such as OtylordshipOCO function in the late 16th century world of Reformation and state formation How

The Lost Templar Journals of Prince Henry Sinclair Book 1 - 1353-1395 Diana J Muir,2018-08-20 The Journals of Prince Henry Sinclair and his descendants 20 books and a lambskin map were found by accident in 2005 in a dusty dirty basement in Greeneville TN They then lay in a trunk in the back of the closet for almost 9 years before the author realized what she had Translating the journals from Latin Old English and modern English she soon learned the story of her own 17th great grandfather Prince Henry Sinclair of Orkney and Scotland Join the author and her great grandfathers on a voyage of discovery as you learn about the covenant made between the St Clair Sinclair and Wemyss family the Templars the Native Americans and the Freemasons Travel with us as we search for the artifacts mentioned in the journals and validate the story Book 1 of 10 tells the story of Henry as a young boy from the age of 8 in 1353 until l395 when he plans a voyage with Captain Nicolo Zeno and his son Antonio Zeno to Greenland and beyond

Loyalty to the Monarchy in Late Medieval and Early Modern Britain, c.1400-1688 Matthew Ward,Matthew Hefferan,2020-06-30 This book explores the place of loyalty in the relationship between the monarchy and their subjects in late medieval and early modern Britain It focuses on a period in which political and religious upheaval tested the bonds of loyalty between ruler and ruled The era also witnessed changes in how loyalty was developed and expressed The first section focuses on royal propaganda and expressions of loyalty from the gentry and nobility under the Yorkist and early Tudor monarchs as well as the fifteenth century Scottish monarchy The chapters illustrate late medieval conceptions of loyalty exploring how they manifested themselves and how they persisted and developed into early modernity Loyalty to the later Tudors and early Stuarts is scrutinised in the second section gauging the growing level of dissent in the build up to the British Civil Wars of the seventeenth century The final section dissects the role that the concept of loyalty played during and after the Civil Wars looking at how divergent groups navigated this turbulent period and examining the ways in which loyalty could be used as a means of surviving the upheaval

The Hundred Years War (Part III) ,2013-07-25 In this work the third volume of essays dealing with many understudied aspects of the Hundred Years War American British and European scholars deal with the varied sources that reveal the lives of soldiers in the conflict as well as the development of strategy and generalship in the many theaters of the war The authors also focus on real heroes and villains of the conflict as well as the war s impact on regions as scattered as Wales the Low Countries Italy Scotland and Spain Contributors are Adrian Bell Anne Curry Adam Chapman Andy King David Simpkin Christopher Candy Donald Kagay William Caferro David Hoornstra Elena Odio Daniel Franke David Green Philip Morgan Sean McGlynn Wendy Turner Andrew Villalon Aleksandra Pfau Kelly DeVries and Sergio Boffa Winner of the 2014 Verbruggen Prize of De Re Militari the Society for the Study of Medieval Military History given annually for the best book on medieval military history

Chivalry and Knighthood in Scotland, 1424-1513 Katie Stevenson,2006 This work considers how chivalry was

interpreted in 15th century Scotland and how it compared with European ideas of chivalry the responsibilities of knighthood in this period and the impact on political life the chivalric literature and the relevance of Christian components of chivalric culture

A Companion to Britain in the Later Middle Ages S. H. Rigby, 2008-04-15 This authoritative survey of Britain in the later Middle Ages comprises 28 chapters written by leading figures in the field Covers social economic political religious and cultural history in England Ireland Scotland and Wales Provides a guide to the historical debates over the later Middle Ages Addresses questions at the leading edge of historical scholarship Each chapter includes suggestions for further reading

A Cumulative Bibliography of Medieval Military History and Technology Kelly DeVries, 2001-11-01 There is perhaps no other more lively area for study in medieval history than medieval military history with its attendant and complementary field the history of medieval military technology In the past twenty years it seems that more major scholarly inroads have been made in this field than in any other historical genre of medieval studies or chronological period of military history What this has meant is that it is now more difficult to keep up with all of the trends and sources in the field than ever before Hence the need for a reference work which covers what has previously been written and which in turn can assist the scholar both the more experienced academic and the beginner to improve his or her work in medieval military history or the history of medieval military technology Utilizing library catalogues bibliographies and footnotes this bibliography has compiled the most complete list of secondary references to works in medieval military history and the history of military technology It keeps fairly strictly to a geography which centers on conventional medieval boundaries Europe Byzantium and the Middle East However the chronology does differ from the conventional medieval dates Because of its influence on the early Middle Ages references to Late Antiquity especially to the military history and technology of the third and fourth century Roman Empire have been included For the opposite reason the influence of the Middle Ages on the sixteenth and early seventeenth centuries references to military history and technology up to 1648 have been included as well This is especially important in the study of the Ottoman Turkish Wars and Arms and Armor where the end of the fifteenth century as a chronological terminus makes little sense

English Identity and Political Culture in the Fourteenth Century Andrea Ruddick, 2013-11-21 A study of the nature of national sentiment in fourteenth century England in its political and constitutional context

Britain and Poland-Lithuania Richard Unger, Jakub Basista, 2008-05-02 Twenty four papers deal with various aspects of the economies politics religion art and culture of Britain and Poland Lithuania from the Middle Ages down to the Third Partition illustrating unexpected similarities and long standing ties between the two regions

Medieval and Early Modern Representations of Authority in Scotland and the British Isles Kate Buchanan, Lucinda H.S.

Dean, 2016-05-20 What use is it to be given authority over men and lands if others do not know about it Furthermore what use is that authority if those who know about it do not respect it or recognise its jurisdiction And what strategies and language written and spoken visual and auditory material cultural and political did those in authority throughout the

medieval and early modern era use to project and make known their power These questions have been crucial since regulations for governance entered society and are found at the core of this volume In order to address these issues from an historical perspective this collection of essays considers representations of authority made by a cross section of society within the British Isles Arranged in thematic sections the 14 essays in the collection bridge the divide between medieval and early modern to build up understanding of the developments and continuities that can be followed across the centuries in question Whether crown or noble government or church burgh or merchant all desired power and influence but their means of representing authority were very different These essays encompass a myriad of methods demonstrating power and disseminating the image of authority including material culture art literature architecture and landscapes saintly cults speeches and propaganda martial posturing and strategic alliances music liturgy and ceremonial display Thus this interdisciplinary collection illuminates the variable forms in which authority was presented by key individuals and institutions in Scotland and the British Isles By placing these within the context of the European powers with whom they interacted this volume also underlines the unique relationships developed between the people and those who exercised authority over them

2005 Massimo Mastrogregori, 2009-12-22 Annually published since 1930 the International Bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The IBOHS is thus currently the only continuous bibliography of its kind covering such a broad period of time spectrum of subjects and geographical range The works are arranged systematically according to period region or historical discipline and alphabetically according to authors names or in the case of anonymous works by the characteristic main title word The bibliography contains a geographical index and indexes of persons and authors Blood Royal Robert Bartlett, 2020-07-09

An engaging history of royal and imperial families and dynastic power enriched by a body of surprising and memorable source material **Archipelagic English** John Kerrigan, 2010-09-09 Seventeenth century English Literature has long been thought about in narrowly English terms Archipelagic English corrects this by devolving anglophone writing showing how much remarkable work was produced in Wales Scotland and Ireland and how preoccupied such English authors as Shakespeare Milton and Marvell were with the often fraught interactions between ethnic religious and national groups around the British Irish archipelago This book transforms our understanding of canonical texts from Macbeth to Defoe's Colonel Jack but it also shows the significance of a whole series of authors from William Drummond in Scotland to the Earl of Orrery in County Cork who were prominent during their lifetimes but who have since become neglected because they do not fit the Anglocentric paradigm With its European and imperial dimensions and its close attention to the cultural make up of early modern Britain and Ireland Archipelagic English authoritatively engages with questions and develops the claim now made by historians that the crises of the seventeenth century stem from the instabilities of a state system which between

1603 and 1707 was multiple mixed and inclined to let local quarrels spiral into all consuming conflict This is a major interdisciplinary contribution to literary and historical scholarship which is also set to influence present day arguments about devolution unionism and nationalism in Britain and Ireland *The Black Douglasses* ,1998 This volume is an analysis the rise and fall of the Douglas family as the dominant magnates of Scotland from the deeds of the Good Sir James Douglas in the service of Bruce to the violent destruction of the Douglas earls in the 1450s The Douglasses were once the most powerful family in Scotland The powerful Douglas chiefs held the titles of the Earl of Douglas Black Douglas Earl of Angus Red Douglas and at one point the Earl of Morton The Black Douglasses includes a series of thematic examinations of the nature of aristocratic power These emphasize the link between warfare and political power in southern Scotland during the fourteenth century For the Black Douglasses war was not just a patriotic duty but the means to power and fame in Scotland and across Europe Rewriting the Past in Scottish Literature, 1350-1550 Kate Ash-Irisarri,2025-04 Considers how Anglo Scottish conflict was memorialised reimagined and embedded by later writers The Anglo Scottish Wars of Independence are often treated in historical and poetical works produced in Scotland between the fourteenth and sixteenth century from chronicles and hagiographical romances to advisory and commemorative poems Through an examination of such texts this book explores how late medieval writers drew on the memory of the wars to articulate a collective identity and how literary and historical frameworks were deeply influenced by shifting Anglo Scottish relations It covers a range of topics how borders textual geographic and cultural became a focus for articulations of national memory the utilisation of origin myths and royal genealogy anxieties around failures of memory or deliberate acts of forgetting and the impact of the Battle of Flodden 1513 on writing about Scottish nationhood Dealing in particular with Bower s Scotichronicon Hary s Wallace The Complaynt of Scotland and Lyndsay s Dreme this study argues that these writers drew on understandings of the arts of memory to shape selective and collective recollections of the past as a response to contemporary concerns providing an emotive memorialisation of Scotland s history and Lyndsay s Dreme this study argues that these writers drew on understandings of the arts of memory to shape selective and collective recollections of the past as a response to contemporary concerns providing an emotive memorialisation of Scotland s history and Lyndsay s Dreme this study argues that these writers drew on understandings of the arts of memory to shape selective and collective recollections of the past as a response to contemporary concerns providing an emotive memorialisation of Scotland s history **Death and the Royal Succession in Scotland, C.1214-C.1543** LUCINDA H. S. DEAN,2024-07-30 Illuminates how the ceremonial dimension of death and the succession reflected both Scottish royal identity and a broader culture of ceremony To date scholarly attention to royal ceremony in Scotland from the Middle Ages into the early modern period has been rather haphazard with few

attempts to explore how these crucial moments for the representation of royal authority This monograph provides a long duration analysis of the ceremonial cycle of death and succession associated with Scottish kingship from the thirteenth to the sixteenth centuries including the final century of the Canmore dynasty the crisis of the Bruce Balliol conflict and the emergence and consolidation of the Stewart family up to the funeral of last monarch buried in Scotland James V in 1543 Using a broad range of primary sources including financial records and material culture many of them previously untapped it addresses key questions about kingship and power the function of ceremony in legitimising royal authority its significance in relation to the practical exercising of power and evidence for Scottish similarities and distinctiveness within wider European contexts

Black Douglasses War And Lordship In Late Medieval Scotland 13001455 Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the power of words has become more evident than ever. They have the capacity to inspire, provoke, and ignite change. Black Douglasses War And Lordship In Late Medieval Scotland 13001455 Introduction

In today's digital age, the availability of Black Douglasses War And Lordship In Late Medieval Scotland 13001455 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Black Douglasses War And Lordship In Late Medieval Scotland 13001455 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Black Douglasses War And Lordship In Late Medieval Scotland 13001455 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Black Douglasses War And Lordship In Late Medieval Scotland 13001455 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Black Douglasses War And Lordship In Late Medieval Scotland 13001455 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Black Douglasses War And Lordship In Late Medieval Scotland 13001455 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Black Douglasses War And Lordship In Late Medieval Scotland 13001455 books and

manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Black Douglasses War And Lordship In Late Medieval Scotland 13001455 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Black Douglasses War And Lordship In Late Medieval Scotland 13001455 books and manuals for download and embark on your journey of knowledge?

FAQs About Black Douglasses War And Lordship In Late Medieval Scotland 13001455 Books

What is a Black Douglasses War And Lordship In Late Medieval Scotland 13001455 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Black Douglasses War And Lordship In Late Medieval Scotland 13001455 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Black Douglasses War And Lordship In Late Medieval Scotland 13001455 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Black Douglasses War And Lordship In Late Medieval Scotland 13001455 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc.

Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Black Douglasses War And Lordship In Late Medieval Scotland 13001455 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
