Black Experience In Childrens:

The Black Experience in Children's Books ,1994 **The Black Experience in Children's Books** New York Public Library,Black Experience in Children's Books Committee,1989 **The Black Experience in Children's Books** Augusta Baker,1971 **The Black Experience in Children's Books 2004** ,2005 **Black Experience in Children's Books, Selected by Augusta Baker** ,1971 The Black Experience in Children's Literature Isidro A. Gomez,1975 *Shapers of American Childhood* Kathy Merlock Jackson,Mark I. West,2018-09-24 The experience of growing up in the U S is shaped by many forces Relationships with parents and teachers are deeply personal and definitive Social and economic contexts are broader and harder to quantify Key individuals in public life have also had a marked impact on American childhood These 18 new essays examine the influence of pivotal figures in the culture of 20th and 21st century childhood and child rearing from Benjamin Spock and Walt Disney to Ruth Handler Barbie s inventor and Ernest Thompson Seton founder of the Boy Scouts of America The Black Experience in Children's Books. Selected by Barbara Rollock Coordinator of Children's Services. -- Barbara Rollock,1974 **The Black Experience in Children's Books** Barbara Rollock,1984 **The Cambridge Companion to African American Women's Literature** Angelyn Mitchell,Danille K. Taylor,2009-04-30 The Cambridge Companion to African American Women s Literature covers a period dating back to the eighteenth century These specially commissioned essays highlight the artistry complexity and diversity of a literary tradition that ranges from Lucy Terry to Toni Morrison A wide range of topics are addressed from the Harlem Renaissance to the Black Arts Movement and from the performing arts to popular fiction Together the essays provide an invaluable guide to a rich complex tradition of women writers in conversation with each other as they critique American society and influence American letters Accessible and vibrant with the needs of undergraduate students in mind this Companion will be of great interest to anybody who wishes to gain a deeper understanding of this important and vital area of American literature **The Black Experience in Children's Books** Barbara Rollock,1984 *The Black Experience in Children's Literature* ,1972 *Handbook of Research on Children's and Young Adult Literature* Shelby Wolf,Karen Coats,Patricia Enciso,Christine Jenkins,2011-04-27 This landmark volume is the first to bring together leading scholarship on children s and young adult literature from three intersecting disciplines Education English and Library and Information Science Distinguished by its multidisciplinary approach it describes and analyzes the different aspects of literary reading texts and contexts to illuminate how the book is transformed within and across different academic figurations of reading and interpreting children s literature Part one considers perspectives on readers and reading literature in home school library and community settings Part two introduces analytic frames for studying young adult novels picturebooks indigenous literature graphic novels and other genres Chapters include commentary on literary experiences and creative production from renowned authors and illustrators Part three focuses on the social contexts of literary study with chapters on censorship awards marketing and literary museums The

singular contribution of this Handbook is to lay the groundwork for colleagues across disciplines to redraw the map of their separately figured worlds thus to enlarge the scope of scholarship and dialogue as well as push ahead into uncharted territory

Black Children's Literature Got de Blues Nancy Tolson, 2008 Here is an innovative exploration of the blues aesthetic that reflects the literary work created by Black authors and illustrators for the Black child reader This book examines literature written for Black children using critical and creative writings by artists scholars and critics that define the blues within Black adult literature poetry and the visual arts The book identifies Black children's literature published in the past forty years by authors and illustrators who can be classified as blues artists and whose work reflects social political economical and historical developments of the Black experience throughout the United States Referencing work created by Jacqueline Woodson Walter Dean Myers John Steptoe Tom Feelings Sherley Anne Williams and others this book

demonstrates how the blues aesthetic now includes the literature dedicated to Black children

African-American Children at Church Wendy L. Haight, 2002 African American Children at Church explores African American socialization beliefs and practices based on findings of a unique four year long study in a Baptist church in Salt Lake City Utah By combining the ethnographic approaches of anthropology with the detailed naturalistic observations of developmental psychology Dr Haight provides a rich description of actual socialization practices along with an interpretation of what those patterns mean to the participants themselves Based on extensive interviews with successful African American adults involved with children this book begins with the exploration of adults beliefs about socialization issues focusing on the role of religion in the development of resilience Drawing from naturalistic observations of adult child interaction the book then describes actual socialization contexts and practices that help to nurture competencies in African American children The text focuses on Sunday School and includes narrative practices and patterns of adult child conflict and play

The Construction of

Racial Identity in Children of Mixed Parentage Ilan Katz, 1996 This book is a major contribution to the literature on race identity and child development and offers a radically new way of looking at some of these issues Based on intensive research on interracial families the book reviews the previous literature relating to racial identity development and shows it to be based on flawed assumptions

Representing Black Girl Magic with Contemporary Picture Books Raphael E.

Rogers, 2025-02-26 Representing Black Girl Magic with Contemporary Picture Books explores how contemporary culturally relevant and responsive picture books can provide educators with a chance to teach about race and racism in the classroom A wave of recently published picture books by Black women authors have pushed back against negative beliefs countered negative stereotypes and celebrated the joy and magic of Black girls and their families Featuring the voices and perspectives of over two dozen Black women writers in this book Raphael Rogers examines how and why these publications are changing the picture book and the educational landscape With sections on classroom connections and discussion questions in every chapter this book is ideal for courses on teaching children's literature and diversity in children's literature

The

Socialization of the African American Child Sekou Clincy, 2010-08 Today we have occurrences that are unprecedented in the history of America a vast divide between the rich and poor irreversible environmental damage over half of African American children living in single parent households and high incarceration rates among African American young people When oppressed folk are driven into desperate channels criminal activity is likely to follow Thus it is imperative to take a good look at what black people are doing and not doing as parents or immediate caregivers which ultimately will determine the future of the black race It is equally imperative to study the past Indeed when a people don't know who they are their history they perish This fact should motivate us to move in unparalleled directions toward survival Back cover

Children and Childhood in American Religions Don S. Browning, Bonnie J. Miller-McLemore, 2009-02-16 Whether First Communion or bar mitzvah religious traditions play a central role in the lives of many American children In this collection of essays leading scholars reveal for the first time how various religions interpret reconstruct and mediate their traditions to help guide children and their parents in navigating the opportunities and challenges of American life The book examines ten religions among other topics How the Catholic Church confronts the tension between its teachings about children and actual practice The Oglala Lakota's struggle to preserve their spiritual tradition The impact of modernity on Hinduism Only by discussing the unique challenges faced by all religions and their followers can we take the first step toward a greater understanding for all of us

Black Children Janice E. Hale, 1982 Argues that since black children grow up in a distinct culture they require an educational system that recognizes their strengths their abilities and their culture and that incorporates them into the learning process Washington Post
