**Dark Goddess** J. Raventós,2023-11-16 January 2009 In the midst of the financial crisis a mysterious figure Satoshi Nakamoto publishes the Bitcoin code The disruptive power of this digital currency is enormous as it has been designed so that it cannot be controlled by any banking or government authority and allows for completely anonymous transactions Special Agent Harris is assigned to find out who is hiding behind that identity Meanwhile a powerful cybercriminal organization is also searching for Nakamoto and will stop at nothing Ada a young prodigy studying in Barcelona and L30n an elusive hacker will be swept up in this pursuit Reality and fiction intertwine in this techno thriller that weaves a tense plot exploring the power of money and technology Lamp of the Goddess Rae Beth,2018-01-31 At the dawn of a new era we are drawn to modern Goddess spirituality Rae Beth feels the world can change by sharing our personal spiritual experiences with each other She has gone within herself for this book of recollections inner guidance and ancient teachings which was originally published as Reincarnation and the Dark Goddess She explains individual reincarnation as a microcosm of Earth s great cycles of existence and as a means of developing the love and wisdom needed to manifest the true beauty of the spirit realm Along with instructions for recalling past lives and developing psychic skills she gives descriptions of the Otherworld where we go between lives as the land of the Dark Goddess the Queen of the Dead This is not a fearsome place but a joyful spirit land where healing flows whether we approach it from its peripheries in dreams in meditation or between incarnations Rae Beth also includes thoughtful interpretations of various

myths of the Goddess in her many aspects Isis Kali Mary Magdalene Persephone and Tiamat to name but a few Lamp of the Goddess looks at reincarnation from the viewpoint of a present day priestess who honours the Deep Feminine or the Goddess as Mother of Souls as well as the Earth Mother of physical existence This sharing vision is relevant to us all in our process of discovery and rebirth Resurgence ,1989 *Narrative and Voice in Postwar Poetry* Neil Roberts,2014-05-12 Poetry in English since the Second World War has produced a number of highly original narrative works as diverse as Derek Walcott s Omeros Ted Hughes Gaudete and Anne Stevenson s Correspondences At the same time poetry in general has been permeated by narrative features particularly those linguistic characteristics that Mikhail Bakhtin considered peculiar to the novel and which he termed dialogic This book examines the narrative and dialogic elements in the work of a range of poets from Britain America Ireland Australia and the Caribbean including poetry from the immediate postwar years to the contemporary and novel like narratives to personal lyrics Its unifying theme is the way in which these poets with such contrasting styles and from such varied backgrounds respond to and creatively adapt the language worlds and hence the social worlds in which they live The volume includes a detailed bibliography to assist students in further study and will be a valuable resource to undergraduate and postgraduate students of contemporary poetry D. H. Lawrence, Ecofeminism and Nature Terry Gifford,2022-09-30 Shortlisted for the ASLE UKI Prize for Best Academic Monograph This is the first ecocritical book on the works of D H Lawrence and also the first to consider the links between nature and gender in the poetry and the novels In his search for a balanced relationship between male and female characters what role does nature play in the challenges Lawrence offers his readers How far are the anxieties of his characters in negotiating relationships that might threaten their sense of self derived from the same source as their anxieties about engaging with the Other in nature Indeed might Lawrence s metaphors drawn from nature actually be the causes of human actions in *The Rainbow* for example The originality of Lawrence s poetic and narrative strategies for challenging social attitudes towards both nature and gender can be revealed by new approaches offered by ecocritical theory and ecofeminist readings of his books This book explores ecocritical notions to frame its ecofeminist readings from the difference between the Other and otherness in *The White Peacock* and *Lady Chatterley s Lover* anotherness in the poetry of *Birds Beasts and Flowers* psychogeography in *Sea and Sardinia* emergent ecofeminism in *Sons and Lovers* land and gender in *The Boy in the Bush* gender dialogics in *Kangaroo* human animality in *Women in Love* trees as tests in *Aaron s Rod* to radical animism in *The Plumed Serpent* Finally three late tales provide a reassessment of ecofeminist insights into Lawrence s work for readers in the present context of the Anthropocene The Templar Revelation Clive Prince,Lynn Picknett,2020-05-21 In the course of their investigations into Leonardo da Vinci and the Turin Shroud Lynn Picknett and Clive Prince found clues in the work of the great Renaissance artist that pointed to the existence of a secret underground religion More clues were found in a twentieth century London church These were the beginnings of a quest through time and space that led the authors into the mysterious world of secret

societies and such bodies as the Freemasons the Knights Templar and the Cathars and finally back to the ideas and beliefs of the first century AD and a devastating new view of the real character and motives of the founder of Christianity and the roles of John the Baptist and Mary Magdalene They reveal nothing less than a secret history preserved through the centuries but encoded in works of art and even in the great Gothic cathedrals whose revelation could shake the foundations of the Church
