Black Lust:

Black Lust Jean De Villiot, Lawrence Ecker, 2013-10 This is a new release of the original 1931 edition Upbuilding
Black Durham Leslie Brown, 2009-11-17 In the 1910s both W E B Du Bois and Booker T Washington praised the black community in Durham North Carolina for its exceptional race progress Migration urbanization and industrialization had turned black Durham from a post Civil War liberation community into the capital of the black middle class African Americans owned and operated mills factories churches schools and an array of retail services shops community organizations and race institutions Using interviews narratives and family stories Leslie Brown animates the history of this remarkable city from emancipation to the civil rights era as freedpeople and their descendants struggled among themselves and with whites to give meaning to black freedom Brown paints Durham in the Jim Crow era as a place of dynamic change where despite common aspirations gender and class conflicts emerged Placing African American women at the center of the story Brown describes how black Durham s multiple constituencies experienced a range of social conditions Shifting the historical perspective away from seeing solidarity as essential to effective struggle or viewing dissent as a measure of weakness Brown demonstrates that friction among African Americans generated rather than depleted energy sparking many activist initiatives on behalf of the black community *Black Lust* Jean De Villiot, Lawrence Ecker, 2008-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work **A Republic of Men** Mark E. Kann, 1998-04 What role did manhood play in early American politics Political scientist Mark Kann suggests that America s founders committed themselves in theory to the premise that all men are created equal but they did not believe that all men could be trusted with equality A REPUBLIC OF MEN compellingly analyzes the ways in which our founders used a rhetoric of manhood to maintain public order *The Color of Sex* Mason Stokes, 2001-02-08 Reads white supremacist narratives in the context of Black and white literature at the turn of the century with special attention to the interconnections between race and sexuality Passing for who You Really are A. D. Powell, 2005 This eloquent spokesperson of the movement to abolish government sponsorship of the race notion believes that the one drop rule ignores science crushes tolerance and mocks the American Dream This collection of essays on multi racialism originally appeared in Interracial Voice magazine **Feast of Excess** George Cotkin, 2016 Feast of Excess is an engaging and accessible portrait of The New Sensibility as it was named by Susan Sontag in 1965 The New Sensibility sought to push culture in extreme directions either towards stark minimalism or gaudy maximalism Through vignette profiles of prominent figures John Cage Patricia Highsmith Allen Ginsberg Andy Warhol Anne Sexton John Coltrane Bob Dylan Erica Jong and Thomas Pynchon to name a few George Cotkin presents their bold headline grabbing performances and places them

within the historical moment **Terror in the Heart of Freedom** Hannah Rosen,2009-06-01 The meaning of race in the antebellum southern United States was anchored in the racial exclusivity of slavery coded as black and full citizenship coded as white as well as male These traditional definitions of race were radically disrupted after emancipation when citizenship was granted to all persons born in the United States and suffrage was extended to all men Hannah Rosen persuasively argues that in this critical moment of Reconstruction contests over the future meaning of race were often fought on the terrain of gender Sexual violence specifically white on black rape emerged as a critical arena in postemancipation struggles over African American citizenship Analyzing the testimony of rape survivors Rosen finds that white men often staged elaborate attacks meant to enact prior racial hierarchy Through their testimony black women defiantly rejected such hierarchy and claimed their new and equal rights Rosen explains how heated debates over interracial marriage were also attempts by whites to undermine African American men s demands for suffrage and a voice in public affairs By connecting histories of rape and discourses of social equality with struggles over citizenship Rosen shows how gendered violence and gendered rhetorics of race together produced a climate of terror for black men and women seeking to exercise their new rights as citizens Linking political events at the city state and regional levels Rosen places gender and sexual violence at the heart of understanding the reconsolidation of race and racism in the postemancipation United States *Bookleggers and Smuthounds* Jay A. Gertzman,2011-09-02 Between the two world wars at a time when both sexual repression and sexual curiosity were commonplace New York was the center of the erotic literature trade in America The market was large and contested encompassing not just what might today be considered pornographic material but also sexually explicit fiction of authors such as James Joyce Theodore Dreiser and D H Lawrence mail order manuals pulp romances and little dirty comics *Bookleggers and Smuthounds* vividly brings to life this significant chapter in American publishing history revealing the subtle symbiotic relationship between the publishers of erotica and the moralists who attached them and how the existence of both groups depended on the enduring appeal of prurience By keeping intact the association of sex with obscenity and shameful silence distributors of erotica simultaneously provided the antivice crusaders with a public enemy Jay Gertzman offers unforgettable portrayals of the pariah capitalists who shaped the industry and of the individuals organizations and government agencies that sought to control them Among the most compelling personalities we meet are the notorious publisher Samuel Roth the Prometheus of the Unprintable and his nemesis John Sumner head of the New York Society for the Suppression of Vice a man aggressive in his pursuit of pornographers and in his quest for a morally united and ethnically homogeneous America **The Works of William Shakespeare, Complete** William Shakespeare,1856 **The Complete Works of William Shakespeare Consisting of His Plays and Poems** William Shakespeare,1863 The Complete Works of Shakespeare William Shakespeare,Alexander Chalmers,1864 **The Dramatic Works of Shakespeare** William Shakespeare,1826 **The Dramatic Works and Poems** William Shakespeare,1843 The Dramatic Works of William
