Black Families in Corporate America Susan D. Toliver, 1998-03-09 What progress have African Americans made in corporate America This book examines the evidence by drawing on studies of almost 200 black corporate managers and their families A past president of the New York State Council on Family Relations author Susan D Toliver shows that black families have progressed in corporate America but the inroads are uneven Toliver takes a penetrating look at how the cultural identity of black families has been influenced by their participation in corporate America She also suggests that corporations deepen their commitment to cultural diversity not in name only but work to emphasize the talents and develop the strengths of the African American community Black Families in Corporate America explores the following areas Shifting gender dynamics within the families of black managers Changes in approaches to parenting Issues of racial identity within corporations and the professional black community Black Families in Corporate America will appeal to scholars in ethnic studies multicultural counseling family theory sociology social work personnel management organizational development and cross cultural psychology

African American Performance and Theater History Harry J. Elam, David Krasner, 2001-01-18 African American Performance and Theater History is an anthology of critical writings that explores the intersections of race theater and performance in America Assembled by two esteemed scholars in black theater Harry J Elam Jr and David Krasner and composed of essays from acknowledged authorities in the field this anthology is organized into four sections representative of the ways black theater drama and performance interact and enact continual social cultural and political dialogues Ranging from a discussion of dramatic performances of Uncle Tom s Cabin to the Black Art Movement of the 1960s and early 1970s articles gathered in the first section Social Protest and the Politics of Representation discuss the ways in which African American theater and performance have operated as social weapons and tools of protest The second section of the volume Cultural Traditions Cultural Memory and Performance features among other essays Joseph Roach s chronicle of the slave performances at Congo Square in New Orleans and Henry Louis Gates Jr s critique of August Wilson s cultural polemics Intersections of Race and Gender the third section includes analyses of the intersections of race and gender on the minstrel stage the plight of black female choreographers at the inception of Modern Dance and contemporary representations of black homosexuality by PomoAfro Homo Using theories of performance and performativity articles in the fourth section African American Performativity and the Performance of Race probe into the ways blackness and racial identity have been constructed in and through performance The final section is a round table assessment of the past and present state of African American Theater and Performance Studies by some of the leading senior scholars in the field James V Hatch Sandra L Richards and Margaret

B Wilkerson Revealing the dynamic relationship between race and theater this volume illustrates how the social and historical contexts of production critically affect theatrical performances of blackness and their meanings and at the same time how African American cultural social and political struggles have been profoundly affected by theatrical representations and performances This one volume collection is sure to become an important reference for those studying black theater and an engrossing survey for all readers of African American literature *Black Sexualities* Juan Battle,Sandra L.

Barnes,2009-11-24 Why does society have difficulty discussing sexualities Where does fear of Black sexualities emerge and how is it manifested How can varied experiences of Black females and males who are lesbian gay bisexual transgender LGBT or straight help inform dialogue and academic inquiry From questioning forces that have constrained sexual choices to examining how Blacks have forged healthy sexual identities in an oppressive environment *Black Sexualities* acknowledges the diversity of the Black experience and the shared legacy of racism Contributors seek resolution to Blacks understanding of their lives as sexual beings through stories of empowerment healing self awareness victories and other historic and contemporary life course panoramas and provide practical information to foster more culturally relative research tolerance and acceptance *Black Picket Fences* Mary Pattillo,2013-07-02 First published in 1999 Mary Pattillo s *Black Picket Fences*

explores an American demographic group too often ignored by both scholars and the media the black middle class Nearly fifteen years later this book remains a groundbreaking study of a group still underrepresented in the academic and public spheres The result of living for three years in Groveland a black middle class neighborhood on Chicago s South Side *Black Picket Fences* explored both the advantages the black middle class has and the boundaries they still face Despite arguments that race no longer matters Pattillo showed a different reality one where black and white middle classes remain separate and unequal Stark moving and still timely the book is updated for this edition with a new epilogue by the author that details how the neighborhood and its residents fared in the recession of 2008 as well as new interviews with many of the same neighborhood residents featured in the original Also included is a new foreword by acclaimed University of Pennsylvania sociologist Annette Lareau **Resources in education** ,1987 *Free at Last?* Juan Battle,Michael Bennett,Anthony J.

Lemelle,2017-07-05 As this volume indicates the issues facing black America are diverse and the tools needed to understand these phenomena cross disciplinary boundaries In this anthology the authors address a wide range of topics including race gender class sexual orientation globalism migration health politics culture and urban issues from a diversity of disciplinary perspectives **Extended Family in Black Societies** Edith M. Families and Change Patrick C. McKenry,Sharon J. Price,2005-05-05 Presents the vast literature that has emerged in recent years focusing on how families respond to various transitions and stressful life events *It's Our Day* Katherine

Jellison,2008 Offers a detailed cultural history of weddings in America from 1945 to 2000 exploring the political social economic and demographic events that influenced the traditions and cost associated with weddings in the post war years

The Search for Acceptance Jerry Jacobs,1988 **Motherhood and the Professional Life** Paula Slomin Derry,1990

Blacks in Bermuda ,1980 *Communities of Care* Mary M. Ball,2005-10-07 Very little is known about why and when African American elders seek formal long term care or about the characteristics of assisted living environments they consider most desirable Drawing on qualitative studies conducted between 1998 and 2001 the authors of *Communities of Care* provide important information on historic and current trends in assisted living systems serving African Americans Focusing on six facilities that have become models of long term care for African Americans the authors shed light on the daily lives of the people who live work and visit these communities of care With detailed profiles of the facilities interviews and case histories of care recipients the authors explore both the institutional and personal characteristics of the facilities and the issues central to their residents This definitive work brings to the forefront critical questions about how race gender and culture affect the quality of access to and cost of care These questions have broad implications for the policy administration and operation of assisted living *Black Authors* James Edward Newby,1991 *Women of Color and Southern Women* Andrea Timberlake,1988 Includes research on six groups of women African American Asian American Latina Native American Southern and women of color The New African American Urban History Kenneth W. Goings,Raymond A. Mohl,1996-05-20 In recent decades an exciting new scholarship has emerged that is changing the way African American urban history is perceived While earlier studies often portrayed African Americans as passive and powerless or as victims of white racism and slum pathologies *The New African American Urban History* emphasizes the new scholarship that conveys a sense of active involvement It supports the view of African Americans as people empowered engaged in struggle living their lives with dignity and shaping their own futures In this perceptive volume contributors examine the great modern migrations of African Americans to the city the creation and expansion of black communities and black life and culture with special emphasis on working class culture This collection of essays written by prominent scholars comes together in perfect harmony with a common thematic approach and interpretive analysis which has shaped new writing in the field for the past decade Both groundbreaking and inspiring *The New African American Urban History* will prove to be an invaluable resource for students and professionals in urban and ethnic studies
