Black Over White Negro Political Leadership In South Carolina During Reconstruction:

Black Over White Thomas Holt, 1979 In this prize winning book Thomas Holt is concerned not only with the identities of the black politicians who gained power in South Carolina during Reconstruction but also with the question of how they functioned within the political system Thus as one reviewer has commented he penetrates the superficial preoccupations over whether black politicians were venal or gullible to see whether they wielded power and influence and if they did how and to what ends and against what obstacles Well crafted and well written it not only broadens our knowledge of the period but also deepens it something that recent books on Reconstruction have too often failed to do Michael Perman American Historical Review a valuable study of post Civil War black leaders in a state where Negro control came closest to realization during Reconstruction Effectively merging the techniques of quantitative analysis with those of narrative history Holt shatters a number of myths and misconceptions It should be on the reading list of all students of Reconstruction and nineteenth century black history William C Harris Journal of Southern History Holt presents his work modestly as a state study of reconstruction politics But this should not obscure a significant intellectual achievement and a contribution of fundamental importance demonstrating the value of social class analysis in understanding the politics of the black community Jonathan M Wiener Journal of American History

Dickerson, 2010-12-01 During most of the twentieth century Archibald J Carey Sr 1868 1931 and Archibald J Carey Jr 1908 1981 father and son exemplified a blend of ministry and politics that many African American religious leaders pursued Their sacred and secular concerns merged in efforts to improve the spiritual and material well being of their congregations But as political alliances became necessary both wrestled with moral consequences and varied outcomes Both were ministers to Chicago s largest African Methodist Episcopal Church congregations the senior Carey as a bishop and the junior Carey as a pastor and an attorney Bishop Carey associated himself mainly with Chicago mayor William Hale Thompson a Republican whom he presented to black voters as an ally When the mayor appointed Carey to the city s civil service commission Carey helped in the hiring and promotion of local blacks But alleged impropriety for selling jobs marred the bishop s tenure The junior Carey also a Republican and an

alderman became head of the panel on anti discrimination in employment for the Eisenhower administration He aided innumerable black federal employees Although an influential benefactor of CORE and SCLC Carey associated with notorious FBI director J Edgar Hoover and compromised support for Martin Luther King Jr Both Careys believed politics offered clergy the best opportunities to empower the black population Their imperfect alliances and mixed results however proved the complexity of combining the realms of spirituality and politics Patriots and Cosmopolitans John Fabian Witt,2009-06-30 Ranging from the founding era to Reconstruction from the making of the modern state to its post New Deal limits John Fabian Witt illuminates the legal and constitutional foundations of American nationhood through the stories of five patriots and critics In their own way each of these individuals came up against the power of American national institutions to shape the directions of legal change African American Lives Henry Louis Gates,Evelyn Brooks Higginbotham,2004-04-29 The first book of its kind since 1982 s Dictionary of American Negro Biography African American Lives leads us into a new era of African American biographical scholarship In collaboration with Oxford University Press and the American Council of Learned Societies and with contributions from over four hundred scholars and experts in many fields the editors and their staff at the W E B Du Bois Institute for African and African American Research at Harvard University have collected in this single volume the lives of many of the most important and most interesting names in African American history BOOK JACKET

Writing Women's History Elizabeth Anne Payne,2011-09-13 Contributions by Laura F Edwards Crystal Feimster Glenda E Gilmore Jacquelyn Dowd Hall Darlene Clark Hine Mary Kelley Markeeva Morgan Anne Firor Scott Laurel Thatcher Ulrich and Deborah Gray White Anne Firor Scott s The Southern Lady From Pedestal to Politics 1830 1930 stirred a keen interest among historians in both the approach and message of her book Using women s diaries letters and other personal documents Scott brought to life southern women as wives and mothers as members of their communities and churches and as sometimes sassy but rarely passive agents She brilliantly demonstrated that the familiar dichotomies of the personal versus the public the private versus the civic which had dominated traditional scholarship about men could not be made to fit women s lives In doing so she helped to open up vast terrains of women s experiences for historical scholarship This volume based on papers presented at the University of Mississippi s annual Chancellor Porter L Fortune Symposium in Southern History brings together essays by scholars at the forefront of contemporary scholarship on American women s history Each regards The Southern Lady as having shaped her historical perspective and inspired her choice of topics in important ways These essays together demonstrate that the power of imagination and scholarly courage manifested in Scott s and other early American women historians work has blossomed into a gracious plentitude *The African American Electorate* Hanes Walton Jr,Sherman Puckett,Donald R Deskins Jr,2012-07-20 This pioneering work brings together for the first time in a single reference work all of the extant fugitive and recently discovered registration data on African American voters from Colonial America to the present It features election returns for African American presidential senatorial congressional and

gubernatorial candidates over time Rich insightful narrative explains the data and traces the history of the laws dealing with the enfranchisement and disenfranchisement of African Americans Topics covered include The contributions of statistical pioneers including Monroe Work W E B DuBois and Ralph Bunche African American organizations like the NAACP and National Equal Rights League NERL Pioneering African American officeholders including the few before the Civil War Four influxes of African American voters Reconstruction Southern African American men the Fifteenth Amendment African American men across the country the Nineteenth Amendment African American female voters in 1920 election and the Voting Rights Act of 1965 The historical development of disenfranchisement in the South and the statistical impact of the tools of disenfranchisement literacy clauses poll taxes and grandfather clauses The African American Electorate features more than 300 tables 150 figures and 50 maps many of which have been created exclusively for this work using demographic voter registration election return and racial precinct data that have never been collected and assembled for the public An appendix includes popular and electoral voting data for African American presidential congressional and gubernatorial candidates and a comprehensive bibliography indicates major topic areas and eras concerning the African American electorate The African American Electorate offers students and researchers the opportunity for the first time to explore the relationship between voters and political candidates identify critical variables and situate African Americans voting behavior and political phenomena in the context of America s political history **Black Charlestonians** Bernard E.

Powers,1999-08-01 The Legacy of Reconstruction A Postscript Appendix Notes Bibliography Index *The Hollow Parties* Daniel Schlozman,Sam Rosenfeld,2025-10-28 A major history from the Founding to our embittered present that explains the void Politico at the center of America s political parties Featured on The Ezra Klein Show and The Weekly Show with Jon Stewart America s political parties are hollow shells of what they could be locked in a polarized struggle for power and unrooted as civic organizations The Hollow Parties takes readers from the rise of mass party politics in the Jacksonian era through the years of Barack Obama and Donald Trump Today s parties at once overbearing and ineffectual have emerged from the interplay of multiple party traditions that reach back to the Founding Daniel Schlozman and Sam Rosenfeld paint unforgettable portraits of figures such as Martin Van Buren whose pioneering Democrats invented the machinery of the mass political party and Abraham Lincoln and other heroic Republicans of that party s first generation who stood up to the Slave Power And they show how today s fractious party politics arose from the ashes of the New Deal order in the 1970s Activists in the wake of the 1968 Democratic National Convention transformed presidential nominations but failed to lay the foundations for robust movement driven parties Instead modern American conservatism hollowed out the party system deeming it a mere instrument for power Party hollowness lies at the heart of our democratic discontents With historical sweep and political acuity The Hollow Parties offers powerful answers to pressing questions about how the nation s parties became so dysfunctional and how they might yet realize their promise **Emancipation** Peter Kolchin,2024-09-10 In this

sequel to his landmark study historian Peter Kolchin compares the transition to freedom after American emancipation with the Russian Great Reforms The two largest transitions from unfree to free labor of the many that occurred in Europe and the Americas during the nineteenth century took place in the United States and in Russia Both occurred in the 1860s and in both the former slaves and serfs strove to maximize their autonomy and freedom while the former masters worked to preserve as many of their prerogatives as possible Both were partially but only partially successful In this magisterial and long awaited work historian Peter Kolchin shows that a more radical break with the past was possible in the United States than in Russia with the Southern freedpeople coming to enjoy republican citizenship whereas Russian peasants remained subjects rather than citizens Both countries saw conservative reactions triumph in the late nineteenth century While this conservatism was common in most emancipations it was especially strong in Russia and the American South in part as a reaction against the major efforts to restructure the social order that went by the name of Reconstruction in the United States and the Great Reforms in Russia

South Carolina Women Marjorie Julian Spruill, Valinda W. Littlefield, Joan Marie Johnson, 2012-06-01

Covering an era from the early twentieth century to the present this volume features twenty seven South Carolina women of varied backgrounds whose stories reflect the ever widening array of activities and occupations in which women were engaged in a transformative era that included depression world wars and dramatic changes in the role of women Some striking revelations emerge from these biographical portraits in particular the breadth of interracial cooperation between women in the decades preceding the civil rights movement and ways that women carved out diverse career opportunities sometimes by breaking down formidable occupational barriers Some women in the volume proceeded cautiously working within the norms of their day to promote reform even as traditional ideas about race and gender held powerful sway Others spoke out more directly and forcefully and demanded change Most of the women featured in these essays were leaders within their respective communities and the state Many of them such as Wil Lou Gray Hilla Sheriff and Ruby Forsythe dedicated themselves to improving the quality of education and health care for South Carolinians Septima Clark Alice Spearman Wright Modjeska Simkins and many others sought to improve conditions and obtain social justice for African Americans Others including Victoria Eslinger and Tootsie Holland were devoted to the cause of women s rights Louise Smith Mary Elizabeth Massey and Mary Blackwell Butler entered traditionally male dominated fields while Polly Woodham and Mary Jane Manigault created their own small businesses A few including Mary Gordon Ellis Dolly Hamby and Harriet Keyserling exercised political influence Familiar figures like Jean Toal current chief justice of the South Carolina Supreme Court are included but readers also learn about lesser known women such as Julia and Alice Delk sisters employed in the Charleston Naval Yard during World War II
