The Farrakhan Phenomenon Robert S. Singh,1997-07-01 In this penetrating critical analysis of Louis Farrakhan s ascent to national influence Robert Singh argues that the minister s rise to prominence is a function of race and reaction in contemporary America Singh probes the origins and significance of Farrakhan in American politics Drawing on published and unpublished records personal interviews and Farrakhan s writings and speeches Singh places Farrakhan expressly within the paranoid style of such reactionaries as Jesse Helms and Joseph McCarthy Examining Farrakhan s biographical details religious beliefs political strategies and relative influence Singh argues that Farrakhan is an extreme conservative who exploits both black white divisions and conflicts within the black community for personal advancement Singh proposes that Farrakhan s complex appeal to African Americans is based on his ability to orchestrate the diffuse forces of African American protest against the status quo Paradoxically says Singh Farrakhan has achieved his position in part by positioning himself against most African American political leaders a tactic made possible by the extent to which black American politics now displays the same basic features as American politics in general By stoking the fires of fear and hatred yet effecting no real changes Farrakhan poses a greater threat to black Americans than to whites The Farrakhan Phenomenon is written in a clear accessible style that will appeal to general readers concerned about race relations as well as to scholars of American history and politics It reveals a shrewd opportunist who has capitalized on America s continuing failure to deal with its serious and abiding race problems **Black Enterprise** ,1986-02 African American Economic Development and Small Business Ownership Kilolo Kijakazi,2014-06-03 First Published in 1997 This book examines the history of economic development in the African American community and the use of entrepreneurship to improve the economic well being of its members The research in this book improves upon previous studies by analyzing factors related to business success by industry and region Finally this book sets forth for policy makers recommendations soundly based on a comprehensive understanding of the history and dynamics of African American enterprise **The Color of Truth: A Journey to a Truly Equal Society** Pasquale De Marco,2025-03-09 In this thought provoking book Pasquale De Marco argues that affirmative action is a failed policy that has done more harm than good Affirmative action is based on the

assumption that the best way to address past discrimination is to discriminate against others in the present This is not only unjust but it is also ineffective Affirmative action programs have failed to close the racial wealth gap they have led to a decline in educational standards and they have created a climate of resentment and division Pasquale De Marco traces the history of affirmative action from its origins in the civil rights movement of the 1960s to its current status as a deeply entrenched policy in American society He shows how affirmative action has been used to justify racial preferences in everything from college admissions to government contracting Pasquale De Marco also examines the arguments for and against affirmative action He considers the claims that affirmative action is necessary to compensate for past discrimination and that it helps to promote diversity He also examines the evidence that affirmative action harms both minority and non minority students and workers Pasquale De Marco concludes that the only way to achieve true racial equality is to treat all people as individuals regardless of their race or ethnicity He calls for an end to affirmative action and for the adoption of policies that promote equal opportunity for all This book is a must read for anyone who is concerned about the future of race relations in America It is a powerful indictment of affirmative action and a call for a new approach to addressing the legacy of racism and discrimination If you like this book write a review

Problems in Urban Centers United States. Congress. House. Committee on the District of Columbia,1980 **Hearings, Reports and Prints of the House Committee on the District of Columbia** United States. Congress. House. Committee on the District of Columbia,1980 [Black Americans](#) Alphonso Pinkney,1993 Statistical data on African American trends in the U S [The Negro Almanac](#) Harry A. Ploski,James De Bois Williams,1989 Cited by Sheehy and designated an outstanding reference work by ALA A combination of historical narrative biographical sketches and statistical tables and graphs present nearly 500 years of history from the 15th century voyages of discovery to current events The coverage extends to politics and the law business labor and the economy education the family religion the arts sports and science Historical and contemporary Africa are also addressed as is the black experience throughout the western hemisphere Annotation copyrighted by Book News Inc Portland OR **The Changing Mood in America** Faustine Childress Jones-Wilson,1977 [Index to Black Periodicals](#) G K HALL,G. K. Hall and Co. Staff,1988-10 [Crossroads at Clarksdale](#) Françoise N. Hamlin,2012-05-28 Weaving national narratives from stories of the daily lives and familiar places of local residents Françoise Hamlin chronicles the slow struggle for black freedom through the history of Clarksdale Mississippi Hamlin paints a full picture of the town over fifty years recognizing the accomplishments of its diverse African American community and strong NAACP branch and examining the extreme brutality of entrenched power there The Clarksdale story defies triumphant narratives of dramatic change and presents instead a layered contentious untidy and often disappointingly unresolved civil rights movement Following the black freedom struggle in Clarksdale from World War II through the first decade of the twenty first century allows Hamlin to tell multiple interwoven stories about the town s people their choices and the extent of political change She shows how members of civil rights

organizations especially local leaders Vera Pige and Aaron Henry worked to challenge Jim Crow through fights against inequality police brutality segregation and later economic injustice With Clarksdale still at a crossroads today Hamlin explores how to evaluate success when poverty and inequality persist *Reference Library of Black America* Harry A. Ploski,James De Bois Williams,1990 Presents information on all aspects of Afro American life including politics employment and income education religion literature performing arts science and medicine and sports *Black Enterprise* ,1978-06 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals entrepreneurs and corporate executives Every month BLACK ENTERPRISE delivers timely useful information on careers small business and personal finance **The Declining Significance of Race** William Julius Wilson,2022-12-22 When first published in 1980 The Declining Significance of Race immediately sparked controversy with its contentious thesis that race was becoming less of a deciding factor in the life chances of black Americans than class This new edition of the seminal book includes a new afterword in which William Julius Wilson not only reflects on the debate surrounding the book but also presents a provocative discussion of race class and social policy The intellectual strength of this book lies in his capacity to integrate disparate findings from historical studies social theory and research on contemporary trends into a complex and original synthesis that challenges widespread assumptions about the cause of black disadvantage and the way to remove it Paul Starr New York Times Book Review This publication is easily one of the most erudite and sober diagnoses of the American black situation Students of race relations and anybody in a policy making position cannot afford to bypass this study Ernest Manheim Sociology *Raw Real Talk (The Mystery) "Life, Death, And Everything In-Between..."* QUEENE'FAITH,2014-02-09 Welcome We are glad that you are taking the necessary steps to learn the truth and become more aware about the world you live in Our goal is to provide you with useful knowledge and universal tips to survive this terminal crisis global conflicts we all face as a people We are all searching for answers to the many mysteries in Life Death and Everything In Between and in this body of work is where you will take your very own personal journey and unravel the many mysteries in your life We felt a dire need to create an animate voice and support system for ourselves and for the people who might be too afraid to speak up for themselves We felt a sense of urgency to connect and bridge the gap between the globally conscious the aware and the unconscious the unaware minds to awakened them with truth and inspiration We provide solutions and information on all subjects and concerns No Subject is 2 Taboo We expose the problem and deliver solutions with a Raw and Real approach

A Common Destiny National Research Council,Division of Behavioral and Social Sciences and Education,Commission on Behavioral and Social Sciences and Education,Committee on the Status of Black Americans,1990-02-01 A collection of scholars has released a monumental study called A Common Destiny Blacks and American Society It offers detailed evidence of the progress our nation has made in the past 50 years in living up to American ideals But the study makes clear that our work is far from over President Bush Remarks by the president to the National Urban League Conference The product of a

four year intensive study by distinguished experts A Common Destiny presents a clear readable big picture of blacks position in America Drawing on historical perspectives and a vast amount of data the book examines the past 50 years of change and continuity in the status of black Americans By studying and comparing black and white age cohorts this volume charts the status of blacks in areas such as education housing employment political participation and family life *Congressional Record* United States. Congress,1980 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873
