David S. Grunwell

Black Ship:

The Black Ship Dudley Pope, 2009-02-19 A detailed account of the bloodiest mutiny in the history of the Royal Navy from the author of the Lord Ramage novels Dudley Pope meticulously recounts the butchering of the officers aboard His Majesty's Frigate Hermione in the West Indies in 1797 The captain of the frigate Hugh Pigot was a brutal and sadistic commander who flogged his men mercilessly and drove them beyond the limits of endurance However nothing could excuse the slaughter of guilty and innocent officers alike as the mutineers went wild and committed crimes beyond anything Pigot could have dreamed up Not content with that they then took the ship into an enemy port and gave her up to the Spanish who unaware of the true facts for some time nevertheless greeted them with the contempt they deserved The Spanish took the ship into their service but due to an amazing episode of red tape and internal wrangling never actually got the frigate to sea Meanwhile the Royal Navy relentlessly hunted down the mutineers over the next ten years and of the 33 either caught or who gave themselves up 24 were either hanged and hung in chains upon gibbets or transported for life The events culminate with the daring recapture of the Hermione under the guns of Spanish forts with Captain Edward Hamilton leading 100 English sailors in six open boats in one of the most brilliant cutting out expeditions in naval history Hiding high drama behind harsh fact this true tale of horror and adventure at sea will appeal to naval buffs and historians romantically minded landlubbers may object to its factual flavor Kirkus Reviews
