Black Ship To Hell:

Black Ship to Hell Brigid Brophy, 1962 The Dismemberment of Orpheus Ihab Hassan, 1982 In this book the first edition of which was published in 1971 by Oxford University Press Ihab Hassan takes Orphic dismemberment and regeneration as his metaphor for a radical crisis in art and language culture and consciousness which prefigures postmodern literature The modern Orpheus he writes sings on a lyre without strings Thus his sensitive critique traces a hypothetical line from Sade through four modern authors Hemingway Kafka Genet and Beckett to a literature still to come But the line also breaks into two Interludes one concerning Pataphysics Dada and Surrealism and the other concerning Existentialism and Aliterature Combining literary history brief biography and critical analysis Hassan surrounds these authors with a complement of avant garde writers whose works also foreshadow the postmodern temper These include Jarry Apollinaire Tzara Breton Sartre Camus Nathalie Sarraute Robbe Grillet and in America Cage Salinger Ginsberg Barth and Burroughs Hassan takes account also of related contemporary developments in art music and philosophy and of many works of literary theory and criticism For this new edition Hassan has added a new preface and postface on the developing character of postmodernism a concept which has gained currency since the first edition of this work and which he himself has done much to theorize *Black Ship to Hell* Mary Sullivan, Virgil Burnett, 1967 **Pyramid Scheme** Dave Freer, Eric Flint, 2001-10-01 An alien pyramid has appeared on Earth squatting in the middle of Chicago It is growing destroying the city as it does and nothing seems able to stop it not even the might of the US military Somehow the alien device is snatching people and for unknown reasons transporting them into worlds of mythology Dr Lukacs is one of the victims Granted he is an expert on mythology But myths are not something he'd thought to encounter personally Or wanted to Sure he has a couple of tough paratroopers along with him as well as a blonde Amazon biologist and a very capable maintenance mechanic Unfortunately modern weapons don't work and the Greek gods are out to kill the heroes Well yes they've got Medea and Arachne and the Sphinx on their side both Sphinxes actually the Greek version as well as the Egyptian And at least some of the Egyptian gods seem friendly But that can be a very mixed blessing to say the least Oh and whatever you do don't mention dwarf tossing At the publisher's request this title is sold without DRM Digital Rights Management *Late Modernism and the Avant-garde British Novel* Julia Jordan, 2020 A study of the experimental novel of the postwar period in Britain that rethinks the resurgence of the literary avant garde that occurred in these decades and explains its implications for the history of the novel and late modernism more broadly *British Experimental Women's Fiction, 1945—1975* Andrew Radford, Hannah Van Hove, 2021-08-23 This book scrutinizes a range of relatively overlooked post WWII British women writers who sought to demonstrate that narrative prose fiction offered rich possibilities for aesthetic innovation What unites all the primary authors in this volume is a commitment to challenging the tenets of British mimetic realism as a literary and historical phenomenon This collection reassesses how British female novelists operated in relation to transnational vanguard networking clusters

debates and tendencies both political and artistic The chapters collected in this volume enquire for example whether there is something fundamentally different or politically dissident about female experimental procedures and perspectives This book also investigates the processes of canon formation asking why in one way or another these authors have been sidelined or misconstrued by recent scholarship Ultimately it seeks to refine a new research archive on mid century British fiction by female novelists at least as diverse as recent and longer established work in the domain of modernist studies **Anarchy**,1971 *Legend of the Dark Messiah* J. Johnson Higgins,2012-05-24 Cassidy Ann Mage made a promise If the masked impostor leader Dmitri von Calvin ever returned to complete his secret death campaign against the people of I Star she would stand in his way using the magic sword at her side President Calvin is counting on this as he knows more about the nature of the black sword than she does As Cassidy comes out of hiding she realizes more and more that the sword is influencing her actions and guiding her decisions President Dmitri von Calvin is now more prepared than ever as he has teamed up with a secret society of dark sorcerers and placed them in the highest positions in the government in the guise of counterterrorism Further Dmitri has surrounded himself with dragons from Cassidys past every bit as powerful as she is Cassidy and her friends are the only hope for a world plunging into war but Cassidy must escape the control of the sword before it is too late A fast paced trial by fire A Wicked Storm is the fantasy novel youve been waiting for **Collision Over Vietnam** Don Harten,2011-12-20 On June 18 1965 thirty B 52s took part in the first Strategic Air Command B 52 bombing mission in Vietnam a mission that if carried out successfully might have halted the war in its tracks Before two of the aircraft could deliver their payload they collided midair killing eight men as both planes exploded over the South China Sea In Collision Over Vietnam Lieutenant Don Harten a pilot in the combat mission recounts the harrowing yet miraculous true story of how he survived the B 52 collision and how he lived through the crash of his rescue plane to fly almost 200 more missions in the war A remarkable account of comradery courage and loss Collision Over Vietnam is sure to make its name in history as did the brave men who fought in Vietnam Black Ships R. S. Thomas,1927 **The Phantom Patrol** L. Ron Hubbard,2011-06-21 The story of Coast Guard Chief Petty Officer Johnny Trescott A man as smart tough and fearless as they come But he s about to lose everything his boat his freedom and his identity Long before Tom Hanks as Captain Phillips fell into the hands of modern day pirates Johnny faced the same high stakes action on the high seas He s cunning has always outwitted his antagonists but now the odds have turned and he must pull off the ultimate drug bust An adversary that has emerged from the deep blue Johnny has met his match The Phantom Patrol marked a turning point in L Ron Hubbard s fiction In writing this story he recognized the vital importance of research and realism To that end Hubbard toured Coast Guard vessels and interviewed officers who were actually involved in chasing down drug smugglers The resulting authenticity and success of the tale was a sign of things to come Read The Phantom Patrol and experience the development of a unique voice in storytelling Nonstop action and a hero to root for Publishers Weekly An International Book Awards
