Even academically talented students face challenges in college For high achieving Black women their racial gender and academic identities intensify those issues Inside the classroom they are spotlighted and feel forced to be representatives for their identity groups In campus life they are isolated and face microaggressions from peers Using intersectionality as a theoretical framework Davis addresses the significance of the various identities of high achieving Black women in college individually and collectively revealing the ways institutional oppression functions at historically white institutions and in social interactions on and off campus Based on interviews with collegiate Black women in honors communities Black and Smart analyzes the experiences of academically talented Black undergraduate women navigating their social and academic lives at urban historically white institutions and offers strategies for creating more inclusive academic and social environments for talented undergraduates *The First R* Debra Van Ausdale, Joe R. Feagin, 2001 The stories of the children are compelling often endearing and unforgettable They will change the way parents teachers and other educators understand the world as seen by children **BOOK JACKET** *The First R* Joe R. Feagin, Debra Van Ausdale, 2001-12-11 This study looks into how children learn about the first R race and challenges the current assumptions with case study examples from three child care centers Parents and teachers will find this remarkable study reveals that the answer to how children learn about race might be more startling than could be imagined **Legend of Isis: The First Flight of Horus**, 2012 It s a family affair Isis learns she s a mother the hard way Her estranged son Horus has big plans for Mother s Day and they don t involve flowers and candy This brand new collected edition features never before seen images and bonus material

Unashamed Leah Vernon, 2019-10-15 A Muslim woman s searingly honest memoir of her journey toward self acceptance as she comes to see her body as a symbol of rebellion and hope and chooses to live her life unapologetically Ever since she was little Leah Vernon was told what to believe and how to act There wasn t any room for imperfection Good Muslim girls listened more than they spoke They didn t have a missing father or a mother with a mental disability They didn t have fat bodies or grow up wishing they could be like the white characters they saw on TV They didn t have husbands who abused and cheated on them They certainly didn t have secret abortions In *Unashamed* Vernon takes to task the myth of the perfect Muslim woman with frank dispatches on her love hate relationship with her hijab and her faith race weight mental health domestic violence sexuality the millennial world of dating and the process of finding her voice She opens up about her tumultuous adolescence living at the poverty line with her fiercely loving but troubled mother her absent dad her siblings and the violent dissolution of her 10 year marriage Tired of the constant policing of her clothing in the name of Islam and

Western beauty standards Vernon reflects on her experiences with hustling paycheck to paycheck body shaming and redefining what it means to be a good Muslim Irreverent youthful and funny Unashamed gives anyone who is marginalized permission to live unapologetic confident lives Vernon's determined advocacy for body positivity as a feminist and mental health issue and her painful journey to self acceptance are moving and powerful forcing readers to examine their own preconceptions about beauty standards and health Booklist
