**Black Water** Alberto Manguel, 1983 Here in this huge anthology is a kaleidoscope of brilliant writing from the Magi of the imagination Alberto Manguel has selected 72 tales from life on the edge of the twilight zone stories from Graham Greene Marguerite Yourcenar Ray Bradbury Italo Calvino and many many more irresistible masterpieces many of which have never appeared in the English language Fantastic tales hint at the half forgotten dreams of our imagination They are the impossible seeping into the possible of our everyday world what Wallace Stevens calls black water breaking into reality Here amongst these stories spanning many ages and countries we find a house slowly taken over by something unmentionable a good Christian whom God rewards with a halo to wear during his lifetime much to his wife's embarrassment a manage trois of which the third party is a ghost Pg 4 of cover Black Water Alberto Manguel, 1983 Black Water 2 : More Tales of the Fantastic Alberto Manguel, 1990

In this companion volume to the widely acclaimed *Blackwater The Book of Fantastic Literature* master anthropologist Alberto Manguel assembles nearly 70 more hypnotic tales from writers such as Julian Barnes Gabriel Garcia Marquez F Scott Fitzgerald and Margaret Atwood 1990 *Black Water* Alberto Manguel, 1983

*Fantasy* Richard Mathews, 2016-01-29 Using a broad definition of fantasy to include myth folklore legend and fairy tale this survey of the genre will entice as well as inform any student interested in the mysterious mystical or magical Beloved authors like J R R Tolkien Ursula K Le Guin William Morris and Robert E Howard are examined closely *Space and the Postmodern Fantastic in Contemporary Literature* Patricia Garcia, 2015-04-24 Arising from the philosophical conviction that our sense of space plays a direct role in our apprehension and construction of reality both factual and fictional this book investigates how conceptions of postmodern space have transformed the history of the impossible in literature Deeply influenced by the work of Jorge Luis Borges and Julio Cortázar there has been an unprecedented rise in the number of fantastic texts in which the impossible is bound to space space not as scene of action but as impossible element performing a fantastic transgression within the storyworld This book conceptualizes and contextualizes this postmodern fantastic use of space that disrupts the reader's comfortable notion of space as objective reality in favor of the concept of space as socially mediated constructed and conventional In an illustration of the transnational nature of this phenomenon Garcia analyzes a varied corpus of the Fantastic in the past four decades from different cultures and languages merging literary analysis with classical questions of space related to the fields of philosophy urban studies and anthropology Texts include authors such as Julio Cortázar Argentina John Barth USA J G Ballard UK Jacques Sternberg Belgium Fernando Iwasaki Per Juan Jos Mill's Spain and ric Faye France This book contributes to Literary Theory and Comparative Literature in the areas of the Fantastic narratology and Geocriticism and informs the continuing interdisciplinary debate on how human beings make sense of space

**Unnatural Narratives - Unnatural Narratology** Jan Alber, Rüdiger Heinze, 2011-09-29 In recent years the study of unnatural narratives has become an exciting new but still disparate research program in narrative theory For the first time

this collection of essays presents and discusses the new analytical tools that have so far been developed on the basis of unnatural novels short stories and plays and extends these findings through analyses of testimonies comics graphic novels films and oral narratives Many narratives do not only mimetically reproduce the world as we know it but confront us with strange narrative worlds which rely on principles that have very little to do with the actual world around us The essays in this collection develop new narratological tools and modeling systems which are designed to capture the strangeness and extravagance of such anti realist narratives Taken together the essays offer a systematic investigation of anti mimetic techniques and strategies that relate to different narrative parameters different media and different periods within literary history
