Blackberry Winter Margaret Mead, 1995 The autobiography of a pioneer this is Margaret Mead's story of her life as a woman and as an anthropologist An enduring cultural icon she came to represent the new woman successfully combining motherhood with career and scholarship with concern for its role in the lives of ordinary people 62 photos Fair Sex, Savage Dreams Jean Walton, 2001-02-16 A groundbreaking examination of racialized subtexts and the subsequent privileging of whiteness in foundational feminist critiques of psychoanalysis Lonelier Than God Randy Hendricks, 2000 The wandering figure was ever present in Robert Penn Warren's work Randy Hendricks here explores the centrality of the theme of exile as a way of understanding Warren's artistry showing that the exile figure is both a key to Warren's relation to much of twentieth century Southern literature and an index to his growth as an artist Understanding the exile theme as Hendricks reveals is crucial to understanding Warren's regionalism his thinking on race and his complex theories of language This insightful work makes clearer Warren's place in American literature and his importance to the definition of Southern and is a valuable resource for anyone seeking to better understand the interplay between regional consciousness modernity and the literary imagination

Margaret Mead Nancy C. Lutkehaus, 2018-06-26 Never doubt that a small group of thoughtful committed citizens can change the world Margaret Mead This quotation found on posters and bumper stickers and adopted as the motto for hundreds of organizations worldwide speaks to the global influence and legacy of the American anthropologist Margaret Mead 1901-78 In this insightful and revealing book Nancy Lutkehaus explains how and why Mead became the best known anthropologist and female public intellectual in twentieth century America Using photographs films television appearances and materials from newspapers magazines and scholarly journals Lutkehaus explores the ways in which Mead became an American cultural heroine Identifying four key images associated with her the New Woman the Anthropologist Adventurer the Scientist and the Public Intellectual Lutkehaus examines the various meanings that different segments of American society assigned to Mead throughout her lengthy career as a public figure The author shows that Mead came to represent a new set of values and ideas about women non Western peoples culture and America's role in the twentieth century that have significantly transformed society and become generally accepted today Lutkehaus also considers why there has been no other anthropologist since Mead to become as famous Margaret Mead is an engaging look at how one

woman's life and accomplishments resonated with the issues that shaped American society and changed her into a celebrity and cultural icon

Margaret Mead Rafael Tilton, 1994 A biography of the woman whose studies of primitive cultures established her as one of the world's most acclaimed anthropologists

A Smoky Mountain Boyhood Jim Casada, 2023-07-21 Born in Bryson City North Carolina Jim Casada has had a long career as a teacher author and avid outdoorsman He grew up in a time and place where families depended on the land and their community to survive Many of the Smoky Mountain customs and practices that Casada reflects on are gradually disappearing or have vanished from our collective memories In *A Smoky Mountain Boyhood* Casada pairs his gift for storytelling and his training as a historian to produce a highly readable memoir of mountain life in East Tennessee and western North Carolina His stories evoke a strong sense of place and reflect richly on the traits that make the people of Southern Appalachia a unique American demographic Casada discusses traditional folkways hunting growing preparing and eating wide varieties of food available in the mountain region and the overall fabric of mountain life Divided into four main sections High Country Holiday Tales and Traditions Seasons of the Smokies Tools Toys and Boyhood Treasures and Precious Memories each part reflects on a unique and memorable coming of age in the Smokies Containing a strong sense of adventure nostalgic tone and well paced prose Casada's memoir will be appreciated by those who yearn to rediscover the Smokies of their childhoods as well as those who wish to imaginatively climb these mountains for the first time

Heart Stays Country Gary Lantz, 2017-11 Writer and photographer Gary Lantz has always felt most at home in what the Osage used to call the heart stays country the southern edge of the Flint Hills tallgrass prairie in Oklahoma's Osage County It's a place of grassy mounds with lots of rocks underfoot and clusters of crooked little oaks providing shade It started young his long lasting love affair with a landscape that unnerves the uninitiated a little mostly because it just seems so empty and it has persisted through his entire life As proud grasslanders know the prairie is biologically fulfilling unique and increasingly rare biologists from the National Park Service and the Nature Conservancy agree that a healthy prairie remains one of the most ecologically diverse and dynamic ecosystems on this planet as well as one of the rarest left on earth This landscape that once inspired rapturous exclamations from travelers headed west on horseback now mostly exists in fragments exiled from each other by cropland cities and interstate highways Historically tallgrass prairie stretched from Canada to Texas from central Kansas to Indiana Now the last major expanse of tallgrass occurs in the Flint Hills a verdant landscape extending in a north south strip across eastern Kansas and into northern Oklahoma's Osage County In these essays Gary Lantz brings the beautiful diversity of the prairie home to all of us

Ruth Benedict Margaret M. Caffrey, 2013-11-04 Poet anthropologist feminist Ruth Fulton Benedict was all of these and much more Born into the last years of the Victorian era she came of age during the Progressive years and participated in inaugurating the modern era of American life Ruth Benedict *Stranger in This Land* provides an intellectual

and cultural history of the first half of the twentieth century through the life of an important and remarkable woman As a Lyricist poet Ruth Benedict helped define Modernism As an anthropologist she wrote the classic *Patterns of Culture* and at one point was considered the foremost anthropologist in the United States the first woman ever to attain such status She was an intellectual and an artist living in a time when women were not encouraged to be either In this fascinating study Margaret Caffrey attempts to place Benedict in the cultural matrix of her time and successfully shows the way in which Benedict was a product of and reacted to the era in which she lived Caffrey goes far beyond providing simple biographical material in this well written interdisciplinary study Based on exhaustive research including access for the first time to the papers of Margaret Mead Benedict s student and friend Caffrey is able to put Benedict s life clearly in perspective By identifying the family and educational influences that so sharply influenced Benedict s psychological makeup the author also closely analyzes the currents of thought that were strong when Victorianism paralleled the Modernism that figured in Benedict s life work The result is a richly detailed study of a gifted woman This important work will be of interest to students of Modernism poetry and women s studies as well as to anthropologists

The Meanings of Menopause Ruth Formanek,2013-05-13 In this scholarly compilation of a major event in the life of every woman editor Ruth Formanek has adopted an avowedly multidisciplinary mandate to illuminate menopause as both an event and a stage of life by gathering together a variety of discipline specific meanings and research perspectives The result is an admirably comprehensive study that not only charts the premodern meanings of menopause but proceeds to examine menopause from current biomedical endocrinological cultral and psychological perspectives Ample attention is give to the psychosocial influences on menopause and to cross cultural variations in the experience of and life adjustments that follow menopause Societal and familial attitudes toward menopausal women are also explored through an examination of women in classical and modern literature Clinical contributions review psychoanalytic perspectives on menopause elucidate the individual meanings of the menopausal experience uncovered in therapy and consider male views of menopausal women Collectively the contributors to this volume remedy the scant attention menopause has heretofore received in the psychological and psychotherapeutic literature They not only explore the range of issues associated with menopause but address these issues in the context of the various myths and superstitions about menopause that have endured over the centuries Essential reading for students of human development gender issues and women s studies *The Meanings of Menopause* is for helping professionals an invaluable source book on a life event fraught with psychological significance
