Blackburn In Old Photographs Britain In Old Photographs S:

Blackburn From Old Photographs Raymond Smith, 2010-06-15 A unique and charming look at the history of Blackburn and its inhabitants through a fascinating collection of beautiful photographs

Where the Wildgeese Roam: a Coyne Family History Steve Coyne, 2017 Irish family history is not easy to pursue This book took the author many years researching the journey of his family from County Roscommon at the time of the Great Famine in the 1840s They settled in Lancashire became part of the Irish in Britain while working as plasterers house painters and cotton weavers We discover where they lived how much they earned and how much rent they paid As they assimilated into British society in the last century family members contributed in both world wars In the Second World War we follow the fortunes of three cousins in each of the three services The family name O Cadhain in Irish translates as wildgoose Their roaming continued after 1945 with further migrations to Canada As we discover from what happened to this one family of famine migrants there are plenty of surprises along the way

Blackburn Martin Baggooley, 1996 An addition to the BRITAIN IN OLD PHOTOGRAPHS series which features a selection of black and white photographs that record all aspects of daily life in late 19th and early 20th century Blackburn including celebrations disasters work leisure people and buildings

Tales of Old Thulê, 1879 The Publishers' Circular and General Record of British and Foreign Literature, 1873

Factory Girls Paul Chrystal, 2022-12-01 Ever since there have been factories women and children have more often than not worked in those factories What is perhaps less well known is that women also worked underground in coal mines and overground scaling the inside of chimneys Young children were also put to work in factories and coalmines they were deployed inside chimneys often half starved so that they could shin up ever narrower flues This book charts the unhappy but aspirational story of women and children at work through the Industrial Revolution to the beginning of the 20th century Without women there would have been no pre industrial cottage industries without women the Industrial Revolution would not have been nearly as industrial and nowhere near as revolutionary Many women and children were obliged to take up work in the mills and factories long hours dangerous often toxic conditions monotony bullying abuse and miserly pay were the usual hallmarks of a day s work before they headed homeward to their other job keeping home and family together This long overdue and much needed book also covers the social reformers the role of feminism and activism and the various Factory Acts and trade unionism We examine how women and children suffered chronic occupational diseases and disabling industrial injuries life changing and life shortening and often a one way ticket to the workhouse The book concludes with a survey of the art literature and the music which formed the soundtrack for the factory girl and the climbing boys

Whitaker's Books in Print, 1998 The British Journal of Photography, 1867

The Built Environment Transformed Geoffrey Timmins, 2021-12-02 This book is concerned with the remarkable changes made to the built environment in Lancashire s main textile district essentially the eastern and central parts of the county during the Industrial Revolution c1780 c1850 A case study approach is taken with

findings from investigations at six different types of site being presented The sites included are water powered mill remains in the Cheesden Valley near Rochdale Barrow Bridge factory village near Bolton the former handloom weavers colony at Club Houses Horwich Preston s Winckley Square Eanam Wharf at Blackburn and to the north of Bolton the road between Bromley Cross and Edgworth The case studies show how in rural and urban areas alike developments in industry housing and transport greatly extended the built environment and brought striking new features to it Emphasis is placed on interpreting the physical evidence the sites provide linking it with that taken from various types of documentary source especially historical maps By making comparisons with developments occurring at similar types of site elsewhere in Britain as well as in Europe and North America the forms the changes took are explained and their significance assessed Additionally insights are provided into the economic and social impact the changes brought especially on the everyday lives that people led

The Photographic News Sir William Crookes, George Wharton Simpson, 1860 [British Sources of Photographs and Pictures](#) George Walter Arthur Nunn, 1952

A Flying Life: An Enthusiast's Photographic Record of British Aviation in the 1930s Richard Riding, 2014-03-27 A Flying Life An Enthusiast s Photographic Record of British Aviation in the 1930s consists of photographs that were taken by E J Riding the author s father who spent his working life in the aviation industry He was apprenticed to A V Roe Company and employed as an aircraft engineer up to the war During the war Riding became an AID inspector and was seconded to Fairey Aviation London Aircraft Production and the de Havilland Aircraft Company latterly signing out Halifax bombers and Mosquitoes as airworthy and ready for test flying Sadly Riding was killed in a flying accident in 1950 During his short life he gained a lasting reputation as an engineer professional photographer draughtsman and aero modeller Riding began taking photographs of aircraft in 1931 aged fifteen Fortunately he kept copious notes recording the locations and dates of when and where aircraft were photographed More importantly he noted aircraft colour schemes details rarely recorded by the press at the time The aircraft types photographed by Riding ranged from the Tiger Moth RAF fighters ultra lights to airliners the whole giving a good cross section of flying in Britain up to the outbreak of the Second World War The book s photographs are of excellent quality and do not all consist of sterile bog standard side views Many depict aircraft being stripped for maintenance and servicing others show aircraft dumped or after having crashed Although approached in a generally light hearted manner the book features in depth and informative captions

Tracing Your Family History on the Internet Chris Paton, 2014-01-09 Updated edition A genealogist s practical guide to researching family history online while avoiding inaccurate incomplete or misleading information The internet has revolutionized family history research every day new records and resources are placed online and new methods of sharing research and communicating become available Never before has it been so easy to research family history and to gain a

better understanding of who we are and where we came from But as British genealogist Chris Paton demonstrates in this second edition of his straightforward practical guide while the internet is an enormous asset it is also something to be wary of For this edition Paton has checked and updated all the links and other sources added new ones written a new introduction and substantially expanded the social networking section As always researchers need to take a cautious approach to the information they acquire on the web Where did the original material come from Has it been accurately reproduced Why was it put online What has been left out and what is still to come As he leads researchers through the multitude of resources that are now accessible online with an emphasis on UK and Ireland sites Chris Paton helps to answer these questions He shows what the internet can and cannot do and he warns against the various traps researchers can fall into along the way **The Law Times Reports** ,1869 *Pictures & Legends from Normandy & Brittany* Thomas Robert Macquoid,Katharine Sarah Macquoid,1879 *The British Journal Photographic Almanac and Photographer's Daily Companion* ,1926 *Bookseller* ,1886 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series
