West's California Reporter, 1960 **Black Jack** S.K. Bain, 2019-06-21 It's been a long time coming and it's right around the corner As author S K Bain detailed in The Most Dangerous Book in the World 9 11 as Mass Ritual the events of September 11th 2001 constituted a global occult ceremony But that was mere child's play compared to what he's uncovered since If 9 11 was a MegaRitual this is a GigaRitual or TeraRitual even Its scope and scale are truly difficult to grasp If you thought that 2012 was the end of Galactic Alignment think again However this book doesn't propose some new date for the made up Mayan Doomsday far from it We are on the cusp of a once in a 26 000 year event one that in astrological terms knows no equal Do not think for one moment that the masters of our world will let it pass unmarked Black Jack reveals the true date of the End of the Great Age the Mother of All Auspicious Occasions a date that the Cryptocracy has been fixated on and feverishly preparing for over the past two centuries and well before It will almost assuredly bring a ritualistic celebration like none other ever witnessed involving mass human sacrifice and the biggest fireworks show in history The world approaches the dawning of a new Grand Cycle which the elite will inaugurate as the New Great Age of Satan As we draw near ask yourself this question if you were among the ranks of these precious few ultra powerful would you spare any expense or effort to properly commemorate this unique occasion or to fittingly dedicate it to your Dark Lord Of course you wouldn't And as a member of the Cryptocracy you would be so bold and fearless as to announce your intentions to the entire world far in advance You would provide all the useless eaters with the obligatory fair warning mockingly giving notice in plain sight in the most powerful city in the world You would encode The End of the Old World Order in the streets of Washington D C which as is revealed in these pages is nothing less than a Gigantic Black Magickal Spellcasting Machine Furthermore you would embed the date of demise in the modern calendar as plain as day for those with eyes to see You would orchestrate a string of foreshadowing preparatory lesser false flag attacks mass rituals in the decades leading up to the grand occasion rituals involving for instance consecrated sacrificial vessels such as as was the case on 9 11 commercial airliners filled with dozens of innocent victims Your elite family is among those who have instigated world wars and induced

global famines You think nothing of the use of false flag terrorism to achieve your goals and objectives even nuclear false flag terrorism One doesn't have to be a religious fundamentalist to sense it or see it all around us the Satanification of the World Practically every public event is now a thinly veiled if at all Satanic ritual We are being driven hard towards something in the near future something whose hideous form becomes clearer by the day All the while the grip of the global dark occult technofascist dictatorship grows ever tighter Preparations have been underway for a very long time even from the Founding of America and the hour grows late With bated breath the entire planet knowingly or unknowingly awaits the arrival of Black Jack
