Blackjack Your Way To Riches:

Blackjack Your Way to Riches Richard A. Canfield, 2000-06 A secret system that shows how it is possible to win at any rate the reader chooses Includes information on money management and the right method of preserving and building capital

Blackjack Your Way to Riches Richard Albert Canfield, 1977 **Gambling Theory and Other Topics** Mason Malmuth, 1999 Absolutely must reading for all serious gamblers Most people who gamble are basically attracted by the action and the excitement that this form of entertainment offers But a small number of people are quite successful at it How is this so What helps these few to make decisions that devastate their opponents And what do you need to do to become successful at this extremely challenging occupation This text attempts to answer these questions You will be introduced to the dynamic concept of non self weighting strategies and shown how these strategies apply not only at the very exciting gaming tables but in real life as well In addition risk and fluctuations are discussed in terms of the standard deviation and their relationship to each other and to your bankroll Some of the other topics addressed are bankroll requirements win rate accuracy free bets which blackjack count is best lottery fallacies dangerous ideas poker tournament strategies including when it is correct to rebuy settling up in tournaments pai gow poker super pan nine the world s greatest gamblers and building pyramids *Be Smart, Act Fast, Get Rich* Charles V. Payne, 2007-07-27 Praise for Be Smart Act Fast Get Rich Charles Payne s book is blunt provocative and right on the money This book is a lot like Charles himself insightful and to the point If you have time to read only one book on how to make money this is the book Dr Bob Froehlich Chairman Investor Strategy Committee Deutsche Asset Management and Vice Chairman DWS Scudder Be Smart Act Fast Get Rich is a book for all investors from first time stock buyers to seasoned investors Be Smart suggests you understand the fundamentals of the company you are purchasing Act Fast suggests that action must be taken if you are going to increase your wealth in the stock market All too often we find interesting ideas to invest in but never have the confidence to act only to watch the stock s price rise while others reap the benefits This book is an easy read and a must read for all investors Tom Dorsey President Dorsey Wright Associates and author Point Figure Charting You should buy this book just for the super job Charles does in explaining everything you need to know about charts graphs and the other voodoo of technical analysis that he makes so simple to understand Charles really gives you a street fighter s education in the markets I wish his book was around twenty five years ago it would have saved me millions in market mistakes I ve made Tobin Smith founder and Chairman ChangeWave Research **Softalk**, 1980
