Blackonblack Violence The Psychodynamics Of Black Selfannihilation In Service Of White Domination:

Black-on-Black Violence Amos N. Wilson,1990 The main thesis posits that the operational existence of Black on Black violence in the U S is psychologically and economically mandated by a white dominated status quo The criminalization of the Black American male is a psycho politically engineered process designed to maintain the dependency and relative powerlessness of the African American and Pan African communities It moves far beyond blaming the offending party toward an exposure of the psycho social and intra psychical dynamics of black on black criminality Wilson contends that though this violence is orchestrated by white America s need to maintain its oppressive domination of black America its ending is the primary responsibility of blacks here and abroad [The Maroon Within Us](#) Asa G. Hilliard,1995 Proceedings of the June 1995 title conference held in Washington DC discussing the molecular basis for age dependent changes in DHEA levels and examining the potential value of DHEA as a diagnostic and therapeutic tool Contains sections on age dependent changes in circulating DHEA and DHEA biosynthesis DHEA and neurologic function physiology of DHEA metabolism biochemical modes of action for DHEA and selected metabolic actions DHEA immunology and aging and DHEA and the atherosclerosis of aging plus poster papers Annotation copyright by Book News Inc Portland OR [A Psychosocial Analysis of Africans in American](#) Dr. Ben "Menes" Robertson,2023-12-08 About the Book As an educator at a Historically Black College and University HBCU author Dr Ben Robertson Jr is appalled by the severe lack of information in books used in human behavior classes in the social environment and it spurred him to write this fascinating book A Psychosocial Analysis of Life in America for Afrikan Americans is designed to portray a truer picture of the challenges shortcomings and successes Afrikan Americans have encountered throughout their lives in America It s both a historical account of what Afrikan Americans have gone through as well as thoughtful pivotal instructions and suggestions directed toward the Afrikan American community with respect to making important improvements in the lives of its members About the Author For the past fifty plus years Dr Ben Menes Robertson has been involved in activities centered around empowering members of urban Afrikan American communities this includes his work in public and private schools teaching at HBCUs and assisting public officials to improve the life conditions and chances of success of every man woman and child living in those communities Every article he has written workbook he has developed and program restructuring he has implemented has been designed to empower the urban Afrikan American community to do what it can do for themselves as residents as well as through coordinated efforts towards improvements with other concerned persons **Scripting the Black Masculine Body** Ronald L. Human Services and the Afrocentric Paradigm Jerome Schiele,Jerome H Schiele,2013-09-13 Discover how human services professionals can help to eliminate cultural oppression Human Services and the Afrocentric Paradigm presents a new way of understanding human behavior attacking social problems and exploring social issues This excellent guide shows that understanding the simultaneous forces of oppression and spiritual alienation in American society serves as a foundation for understanding the societal problems here The first book to offer a comprehensive exposition of how the Afrocentric paradigm can be used by

human service professionals and community advocates Human Services and the Afrocentric Paradigm discusses why and how human service work is hampered by Eurocentric cultural values and will help you to offer fair and effective services to your clients Human Services and the Afrocentric Paradigm provides you with a concrete discription of how the Afrocentric model can be applied in human services to help people of all races and ethnicities You will expand and diversify your knowledge base in human services by understanding the cultural values traditions and experiences of people of African ancestry Some of the issues and concepts in the Afrocentric paradigm that you will explore are defining the Afrocentric worldview complete with a discussion of its philosophical assumptions and its shortcomings understanding traditional helping assumptions and methods of West African societies and how these have influenced the helping strategies of African Americans exploring the strengths and weaknesses of some early African American human service scholars with special concern placed on their rejection of traditional African methods in favor of Eurocentric ideas resolving youth violence and helping people with substance abuse problems examining Afrocentric assumptions about resource distribution morality and societal relationships identifying organizational and conceptual differences in Eurocentric and Afrocentric paradigms creating organizational empowerment and an enhanced work environment via the Afrocentric paradigm Human Services and the Afrocentric Paradigm will help you understand solve and prevent problems that are confronted by several races especially individuals of African descent This timely and relevant worldview is thoroughly explained to assist you in better serving people of color The Afrocentric paradigm will help human services practitioners administrators policy advocates analysts educators and black studies professors and students achieve educational and treatment objectives by showing you the importance of various cultural values and how to integrate them to make a difference **White Nationalism, Black Interests** Ronald W.

Walters,2003 A study of the most racially conscious aspect of the Conservative movement and its impact on politics and current public policy The rise of the Conservative movement in the United States over the last two decades is evident in current public policy including the passage of the Welfare Reform Act the weakening of affirmative action and the approval of educational vouchers for private schooling At the same time new rules on congressional redistricting prohibit legislators from constructing majority black congressional districts and blacks continue to suffer disproportionate rates of incarceration and death penalty sentencing In this significant new study the distinguished political scientist Ronald W Walters argues that the Conservative movement during this period has had an inordinate impact on American governing institutions and that a strong though very often unstated racial hostility drives the public policies put forth by Conservative politicians Walters traces the emergence of what he calls a new White Nationalism showing how it fuels the Conservative movement invades the public discourse and generates policies that protect the interests of white voters at the expense of blacks and other nonwhites Using historical and contemporary examples of White Nationalist policy as well as empirical public opinion data Walters demonstrates the degree to which this ideology exists among white voters and the negative impact of its policies on

the black community White Nationalism Black Interests terms the current period a second Reconstruction comparing the racial dynamics in the post Civil Rights era to those of the first Reconstruction following the end of the Civil War Walters s analysis of contemporary racial politics is uniquely valuable to scholars and lay readers alike and is sure to spark further public debate
