Blacks In Minnesota A Preliminary Guide To Historical Sources:

The Harvard Guide to African-American History Evelyn Brooks Higginbotham, 2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America *African Americans on the Great Plains* Bruce A. Glasrud, 2009-01-01 Until recently histories of the American West gave little evidence of the presence let alone importance of African Americans in the unfolding of the western frontier There might have been a mention of Estevan slavery or the Dred Scott decision but the rich and varied experience of African Americans on the Great Plains went largely unnoted This book the first of its kind supplies that critical missing chapter in American history **Red Book** Alice Eichholz, 2004 provides updated county and town listings within the same overall state by state organization information on records and holdings for every county in the United States as well as excellent maps from renowned mapmaker William Dollarhide The availability of census records such as federal state and territorial census reports is covered in detail Vital records are also discussed including when and where they were kept and how Publisher description

Red Book, 3rd edition Alice Eichholz, 2004-01-01 No scholarly reference library is complete without a copy of Ancestry s **Red Book** In it you will find both general and specific information essential to researchers of American records This revised 3rd edition provides updated county and town listings within the same overall state by state organization Whether you are looking for your ancestors in the northeastern states the South the West or somewhere in the middle Ancestry s **Red Book** has information on records and holdings for every county in the United States as well as excellent maps from renowned mapmaker William Dollarhide In short the **Red Book** is simply the book that no genealogist can afford not to have The availability of census records such as federal state and territorial census reports is covered in detail Unlike the federal census state and territorial census were taken at different times and different questions were asked Vital records are also discussed including when and where they were kept and how **Generations Past** , 1988 This book is a selected list of books in the collections of the Library of Congress compiled primarily for researchers of Afro American lineages Included in this bibliography are guidebooks bibliographies genealogies collective biographies United States local histories directories and other works pertaining specifically to Afro Americans Emphasis is on books that contain information about lesser known individuals of the nineteenth century and earlier although Afro American business and city directories published through 1959 are listed Introd The Oral History Collections of the Minnesota Historical Society Minnesota Historical Society, 1984
